"Work is worship." <

The Beginning Of Vidyalankar

Vidyalankar is a union of two Sanskrit words Vidya + Alankar the essence of which is 'True ornament of mind is knowledge'. Vidyalankar started off with the passion of the Founder, Prof. C.S. Deshpande, who needed just a black board and young impressionable minds to impart knowledge. Prof. Deshpande had a brilliant career throughout. His passion for education lead him to give up his brilliant career in the India Railways as Class I gazetted officer to start the Vidyalankar Classes in 1960.

The Trust runs multiple colleges namely, Vidyalankar Institute of Technology, an Engineering Degree & Management College approved by All India Council of Technical Education (A.I.C.T.E), Directorate of Technical Education (D.T.E.) Maharashtra State and affiliated to the University of Mumbai with Electronics Engineering, Electronics & Telecommunication Engineering and Biomedical Engineering programmes accredited by National Board of Accreditation.

Dr. Sanjeevani Deshpande was the Chairman of Vidyalankar Dnyanpeeth Trust. She was such a great inspiration to everyone in the Vidyalankar family. She was so keen on education that she completed her Ph.D. in English in her 80's. With an M.A. in English and an M.A. in Public Administration to her credit, she had more than 35 years of teaching experience at the undergraduate and postgraduate levels in both the domains of English and Public Administration. A passion for education and a student-oriented approach have been her hallmarks of excellence in teaching. She shared a global perspective on education and encouraged research and development activities among faculty and students.

From Chairperson's Desk

Ms. Rashmi Deshpande
Chairperson

Ms. Rashmi Deshpande like wise is devoted to the progress of Vidyalankar. With her philanthropic attitude and her keen interest in the personal development of every single person associated with Vidyalankar. She is naturally as much loved as she is respected. After her M.Sc.in Bio-Chemistry from the University of Mumbai, she went to the U.S.A. for higher education and completed her M.B.A. She is naturally and particularly inclined towards enriching the business of Vidyalankar School and she owes this to her professional background in management studies.

V
SIT enjoys the reputation of being one of the finest colleges of higher learning. Its outstanding performance in the field of curricular and co-curricular activities has considerably enhanced its prestige. VSIT provides quality education and high academic ambience for overall development of the students.

It conducts Science (IT) , Management, Commerce, Graduate and Post-Graduate courses.

It has foreign collaborations with universities of the stature of Penn State University, California State University, Aston University, Sheffield Hallam University, University of Toledo and Hult International Business School with a high number of students landing campus placements in companies such as Bristlecone (Tech Mahindra), NSE, TCS, L & T Infotech, iGATE, HDFC Securities, Jaro Education, Birla Sunlife, NCR, etc.

The phenomenal success rate of students who emerge as toppers bears testimony to the high esteem that VSIT enjoys in the field of academics.

From Principal's Desk

Dr. Rohini Fielkar
Principal

Vidyalankar School of Information Technology is upcoming as a leading educational institution in the field of Information Technology, Commerce and Management. Our students are making progress not only in academics but also in all walks of life including career prospects. We want to ensure that our students will be capable of thinking critically, solving problems, communicating well and utilizing technology in all possible ways.

We aim at making information available to all our stakeholders through their interaction with VSIT about our current and past students. A highly effective forum www.vsitlive.com gives an opportunity to all students and teachers to remain informed about the events at VSIT and upgrade their information on par with the needs of the modern world.

Our teaching methods also have a professional touch. We prepare students to be competitive in the 21st century by providing Dale Carnegie soft skills development program, pre-placement training, practice sessions for C.V. writing and enhancement of their technical skills through organizing technical seminars. We take pride in generating tech-savvy, innovative and academically excellent professionals.

Mr. Asif fi Rampurawala

Vice Principal

The pursuit of knowledge is truly a noble cause which only we human beings are fortunate to possess.. At Vidyalankar, we believe that knowledge (Vidya)is the true ornament (Alankar).. In our endeavour towards creating global citizens who are aware of their societal needs, we have undertaken various programmes through student bodies like NSS, CSI, Lifelong Learning and Extension and others. There is lot of information available today to students via the internet but making sense of this information or in other words converting information to knowledge requires guidance.. VSIT is place where students from all walks of life and sections of society come to get quality education and holistic development. We continually strive to exceed the expectations of all our stakeholders including students, parents, industry and community.

The greatest gift education gives us is the capability to mitigate most of the challenges faced in life. The pace of globalization, liberalization and privatization has tremendously influenced the various dimensions of Commerce and Management education which includes finance, marketing, accounting, human resource management, entrepreneurship development, commercial and business law among many others. We at VSIT strive to provide the best of education to our students in this very competitive and fast moving world of commerce and management. We have well qualified and competent faculty members with world class pedagogy being implemented in our learning and teaching process.

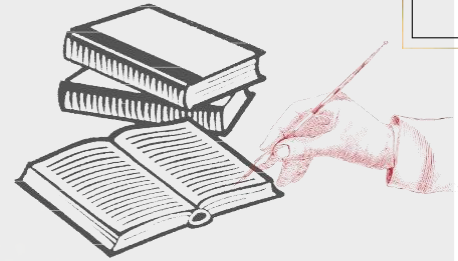

Mr. Vijay M. Gawde

Vice Principal

Academic Intake Summary and Syllabus

UNDER GRADUATE COURSES	COURSE	INTAKE	DURATION	CRITERIA
	B.Sc.(Data Science)	60	3 Years	H.Sc. (or equivalent to 10+2) or equivalent from any stream / 3 years Diploma from MSBTE or equivalent with a minimum of 40%,
	B.Sc. (IT) - Bachelor of Science (Information Technology)	300	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category) and above in one sitting. Maths being one of the subjects.
	BMS - Bachelor of Management Studies	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category) and above. Diploma in any Engineering branch (2/ 3/ 4years after X standard with a minimum of 45% (open) 40% (reserved category) in one sitting.
	B. Com. - Bachelor of Commerce (Accounting & Finance)	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* in one sitting.
	B. Com. - Bachelor of Commerce (Banking & Insurance)	60	3 Years	
	B. Com. - Bachelor of Commerce (Financial Markets)	60	3 Years	
	B.A.(MMC) - B.A. in Multimedia and Mass Communication	120	3 Years	
Direct Second Year Admission from Diploma to B.Sc.(IT)	30	2 Years	Diploma (Recognised by BTE & other Govt. Body) in Information Technology-I Computer Technology-I, Computer Science-I Electrical / Video Engg / Mech / Civil & allied Branches or passed Sem I & II of B.Sc.(IT) from other institutes affiliated University of Mumbai. (Subject to vacancy)	
POST GRADUATE COURSES	COURSE	INTAKE	DURATION	CRITERIA
M.Sc. (IT)- Master of Science (Information Technology)	60	2 Years	Bachelor in the respective branch or any equivalent degree with minimum 45% marks, Maths being a compulsory subject at 10+2 or its equivalent examination.	
M. Com. - Master of Commerce (Banking & Finance)	60	2 Years	B. Com / BMS / BBI / BAF / BFM Degree	
M. Com. (Accounts) - Master of Commerce (Advanced Accounting)	60	2 Years		
M. Com (Management) - Master of Commerce (Management)	60	2 Years		
M.A. (Entertainment , Media & Advertising)	60	2 Years	Bachelor in the respective branch with minimum 40% marks	
PH.D. COURSES	COURSE	INTAKE	DURATION	CRITERIA
Ph.D. (Business Economics)	16			

The three year (six semesters) B.Sc.(Data Science) course aims to build a strong foundation of statistics for data science. Master the concepts recommendation engine, time series modelling, gain practical mastery over principles, algorithms, and applications of Machine Learning.

B.Sc.(DS) - Bachelor of Science (Data Science)

SEMESTER I

- Descriptive Statistics
- Introduction to Programming
- Web Technology
- Business Communication and Information Ethics
- Precalculus

SEMESTER III

- Testing of Hypothesis
- Data Structures
- Microeconomics / Principles of Management
- Data Warehousing
- Linear Algebra and Discrete Mathematics

SEMESTER V

- Artificial Intelligence
- Business Research Methods
- Data Mining
- Campus to Corporate
- Electives;
 - > Reinforcement Learning
 - > Marketing and Retail Analytics
 - > Supply Chain and Logistics Analytics
 - > Robotic Process Automation

SEMESTER II

- Probability and Distributions
- Database Management
- R Programming
- Environmental Science
- Calculus

SEMESTER IV

- Optimization Techniques
- Big Data
- E-Commerce and Business Ethics / Fundamentals of Accounting
- Algorithms in Data Science
- Numerical Methods

SEMESTER VI

- Machine Learning
- Cloud Computing
- Internet of Things
- Business Forecasting
- Electives;
 - > Financial Analytics
 - > Social Media Analytics
 - > Knowledge Management
 - > Data Security and Compliance

B.Sc.(IT) - Bachelor of Science (Information Technology)

The three year (six semesters) B.Sc.(IT) course aims to synergies Information Technology in all its ramifications. The program provides skills and training to a wide range of students from different educational backgrounds, The focus of the program is Information Technology and Management of Information Technology.

SEMESTER I

- Imperative Programming
- Digital Electronics
- Operating System
- Discrete Mathematics
- Communication Skills

SEMESTER III

- Python Programming
- Data Structures
- Computer Networks
- Database Management Systems
- Applied Mathematics

SEMESTER V

- Software Project Management
- Internet of Things
- Advanced Web Programming
- Artificial Intelligence
- Linux System Administration
- Enterprise Java
- Next Generation Technologies

SEMESTER II

- Object Oriented Programming
- Microprocessor Architecture
- Web programming
- Numerical and Statistical
- Methods Green Computing

SEMESTER IV

- Core Java
- Introduction to Embedded Systems
- Computer Oriented Statistical Techniques
- Software Engineering
- Computer Graphics and Animation

SEMESTER VI

- Software Quality Assurance
- Security in Computing
- Business Intelligence
- Principles of Geographic Information Systems
- Enterprise Networking
- IT Service Management
- Cyber Laws

BMS - Bachelor of Management Studies

The three year (Six Semester) B.M.S., Course is designed for those students from different educational backgrounds wishing to acquire the skills needed to pursue a high level career in the world of business. The objective of the program is to prepare students to exploit opportunities being newly created in the management profession,

Specialization / Electives will be offered from 3rd Semester onwards

SEMESTER I

- Business Communication Introduction to
- Financial accountBusiness Law
- Business Statistics Foundation of Human
- Skills Business Economics
 - Foundation course - I

SEMESTER II

- Financial Accounting Paper - II (Special Accounting Areas)
- Auditing (Introduction & Planning)-I
- Innovative Financial Services
- Business Communication-II
- Business Law (Business Regulatory Framework-I)
- Business Mathematics
 - Foundation Course - II

SEMESTER III

- Information Technology in Business Management - I
- Environmental Management
- Business Planning & Entrepreneurial Management
- Accounting for Managerial Decisions
- Strategic Management
- Any one Elective group Finance Group
 - Basics of Financial Services
 - Corporate Finance
- Marketing Group
 - Consumer Behaviour
 - Product Innovatio Management
- Human Resource Group
 - Recruitment and Selection
 - Motivation and Leadership

SEMESTER V

- Financial Accounting Paper - IV (Special Accounting Areas)
- Management Accounting - I
- Management (Introduction to Management) - I (FC)
- Business Law Paper - III (Company Law)
- Information Technology in Accountancy Paper - II
- Taxation - II (Direct Taxes Paper-II)
- Research Methodology in Accounting & Finance

SEMESTER IV

- Logistics and Supply chain Management
- Ethics and Governance
- Project work
- Any one Elective group Finance Group
 - _ Investment Analysis and Portfolio Management
 - _ Commodity and Directives Market
 - _ Wealth Management
 - _ Strategic Financial Management
- Marketing Group
 - _ Service Marketing
 - _ E-Commerce and Digital Marketing
 - _ Sales and Distribution Management
 - _ Customer Relationship
- Management
 - Human Resource Group
 - _ Finance for HR Professionals and Compensation Management
 - _ Strategic Human Resource Management and HR Policies
 - _ Performance Management and Career Planning
 - _ Industrial Relations

SEMESTER VI

- Financial AccountingVII
- Taxation Paper-V (IndirectTaxes-III)
- Financial Management III
- Cost Accounting Paper - IV
- Security Analysis & Portfolio Management
- Management Control systems
- Project Work

B.A.F. - Bachelor of Commerce (Accounting and Finance)

Bachelor of Commerce in Accounting and Finance provides an avenue from general education to professional education, The three year (six semesters) BAF degree aims at:

- Preparing students to exploit opportunities, being newly created in Accounting and Finance as a profession,
- To provide a strong understanding of fundamentals about Accountancy and other financial services to the students and to give an adequate exposure to operational environment in the field of Accounting and Finance.
- To inculcate training, and practical approach, by organizing industrial visits, summer placements and using modern technology in teaching the students in the field of Accounting & Finance.

SEMESTER I

- Financial Accounting - I
- Cost Accounting - I
- Financial Management - I
- Business Communication - I
- Commerce Business Environment - I
- Business Economics- I
- Foundation course - I

SEMESTER II

- Information Technology in Accountancy - II
- Management - I
- Business Law - III
- Research Methodology in Accounting & Finance
- Financial Accounting - IV
- Management Accounting - I
- Taxation - III

SEMESTER III

- Financial Accounting - II
- Auditing - I
- Taxation - I
- Business Communication - II
- Business Law- I
- Business Mathematics
- Foundation Course- II

SEMESTER IV

- Financial Accounting - V
- Financial Accounting - VI
- Cost Accounting - III
- Financial Management - II
- Taxation - IV
- International Finance
- Financial Analysis and Business Valuation

SEMESTER V

- Information Technology in Accountancy - I
- Commerce - II
- Business Law - II
- Business Economics - II
- Financial Accounting - III
- Cost Accounting - II
- Taxation -II

SEMESTER VI

- Financial Accounting - VII
- Cost Accounting - IV
- Financial Management - III
- Taxation- V
- Security Analysis and Portfolio Management
- Management Control Systems

B.B.I. - Bachelor of Commerce (Banking and Insurance)

It provides adequate basic understanding about Banking, Insurance and other financial services to the students and gives an adequate exposure to operational environment in the field of Banking, Insurance and other related financial services.

SEMESTER I

- Foundation Course - I
- Quantative Methods - I
- Business Communication - I
- Principles of Management EMFS
- Financial Accounting- I
- Business Economics

SEMESTER II

- Principles and Practices of Banking & Insurance
- Business Law
- Financial Accounting - II
- Business Communication -II
- Foundation Course - II
- Organisational Behaviour
- Quantitative Methods - II

SEMESTER III

- FC- Overview of Banking Sector- III
- Information Technology - II
- Direct Taxation
- Organisation Behaviour
- Financial Markets
- Financial Management - I
- Management Accounting

SEMESTER IV

- Financial Management - II Cost
- Accounting Entrepreneurship Management
- Information Technology in Banking & Insurance -II
- Foundation Course - IV
- Corporate & Securities Law Business
- Economics - II

SEMESTER V

- International Banking and Finance
- Research Methodology
- Auditing - I
- Strategic Management
- Financial Services Management
- Business Ethics & Corporate Governance

SEMESTER VI

- Central Banking
- Human Resource Management
- Auditing - II
- Turnaround Management
- International Business
- Project

B.F.M. - Bachelor of Commerce (Financial Markets)

BFM is the course that tenders extensive knowledge on the Financial and Capital Markets, With subjects like Derivatives, Global Capital Markets, Debt Markets, Equity Markets, Security Markets, Risk Management, Forex and Commodities Market(to name a few) this course promises highly skilled and vibrant young professionals,

SEMESTER I

- Financial Accounting - I
- Introduction to Financial System
- Business Mathematics
- Business communication - I
- Business Environment
- Business Economics - I
 - Foundation course - I

SEMESTER III

- Debt Markets - I
- Equity Market - I
- Investment Banking
- Taxation
- Management Accounting
- Business Law - I
- Money Market

SEMESTER V

- Global Capital Markets
- Regulations Of Securities Markets
- Insurance (Fund) Management
- Derivatives Markets
- Foreign Exchange Markets
- Portfolio Management
- Project- I

SEMESTER II

- Financial Accounting - II
- Principles of Management
- Business Statistics
- Business Communication - II
- Environment Science
- Computer Skills- I
 - Foundation course - II

SEMESTER IV

- Debt Markets - 2
- Equity Market - 2
- Merchant Banking
- Computers in Investment
- Corporate Finance
- Business Law -2
- Foreign Exchange Markets

SEMESTER VI

- Risk Management
- Corporate Governance
- Computer Applications in Financial Services
- Marketing of Financial Services
- Mutual Fund Management
- Customer Relationship Management in Financial services
- Project - II

B.A.(MMC) - B.A. in Multimedia and Mass Communication

SEMESTER I

- Effective communication skill - I
- Fundamentals of Mass Communication
- Introduction to computers
- History of the world, India and Maharashtra
- Introduction to Sociology
- Introduction to Economics

SEMESTER II

- Effective Communication skill - II
- Political Concepts and the Indian Political Systems
- Principles of Management
- Principles of Marketing
- Introduction to Psychology
- An Introduction to Literature

SEMESTER III

- Introduction to Public Relations
- Introduction to Media Studies
- Introduction to Cultural Studies
- Introduction to Creative Writing
- Introduction to Advanced Computers
- Introduction to Understanding Cinema

The three year(six semester) BAMMC course aims to provide a strong background in principles of advertising,, marketing,, journalism and communication. The programme aims to develop soft skills and creativity through presentations,, seminars and workshops... The focus of the programme lies in the areas of media, advertising and journalism.

SEMESTER IV

- Mass Media Research
- Organisational Behaviour
- Introduction to Advertising
- Radio and Television
- Introduction to Journalism
- Print production and Photography

SEMESTER V

- ADVERTISING
- Advertising in Contemporary Society
- Copywriting
- Advertising Design (Project Paper) Consumer Behaviour
- Media Planning and Buying
- Brand Building
- JOURNALISM
- Reporting
- Editing
- Feature and Opinion
- Journalism and Public Opinion
- Indian Regional Journalism
- News paper and Magazine Making (Paper Project)

SEMESTER VI

- ADVERTISING
- Advertising and Marketing Research
- Legal Environment and Advertising Ethics
- Financial Management for Marketing and Advertising
- Agency Management
- The Principles and Practice of Direct Marketing
- Contemporary issues
- JOURNALISM
- Contemporary Issues
- Press Laws and Ethics
- Broadcast Journalism
- Business and Magazine Journalism
- News Media Management
- Internet and Issues in the Global media

M.Sc (IT) - Master of Science (Information Technology)

> BFM is the course that tenders extensive knowledge on the Financial and Capital Markets, With subjects like Derivatives, Global Capital Markets, Debt Markets, Equity Markets, Security Markets, Risk Management, Forex and Commodities Market(to name a few) this course promises highly skilled and vibrant young professionals

SEMESTER I

- > Data mining
- > Distributed Systems
- > Data Analysis
- > Software Testing

SEMESTER III

- > Embedded System
- > Information Security Management
- > Elective I (Any one)
 - Virtualization
 - Artificial Neural Networks
- > Elective II (Any one)
 - Digital Image Processing
 - Ethical Hacking

SEMESTER II

- > Mobile Computing
- > Advanced Computer Networks
- > Cloud Computing and Ubiquitous System
- > Advanced Database System

SEMESTER IV

- > Artificial Intelligence
- > IT Infrastructure Management
- > Elective I (Any one)
 - Intelligent system
 - Real time embedded System
 - Computer Forensics
- > Elective II (Any one)
 - Design of Embedded Control System
 - Advanced Image Processing
- > Cloud Management

M. Com., Banking and Finance is a postgraduate Banking course, which includes the study of the concepts of Banking, Banking Law, Finance and Financial Management. It is a degree program in which, apart from a general course study in Commerce, the primary focus is on the systematic study of the concepts in the specialised subjects and topics related to Banking & Finance circles. The duration of the course is two years and it is an important one that provides many career scope to the applicants after its successful completion

M.Com. (B.F.) - Master of Commerce (Banking and Finance)

SEMESTER I

- Cost and Management Accounting
- Ethics and Corporate social Responsibility
- Economics for Business Decisions
- Strategic Management

SEMESTER II

- Research Methodology
- Macro Economics-concepts and application
- Corporate Finance
- E-Commerce

SEMESTER III

- Financial Market
- Debt Market
- Commercial Bank Management
- Project

SEMESTER IV

- Financial Services
- Investment Management
- Auditing of Banking Sector
- Project

M.Com. (Accounting) - Master of Commerce in Advanced Accounting

Master of Commerce (M, Com) Programme is a two Year Integrated Programme consisting of four semesters. The programme provides information and develops skills pertaining to Business, Corporate and Global Reforms, In addition to providing an insight into application of economic principles in business decisions, it also intends to widen analytical ability of the students.

SEMESTER I

- Cost and Management Accounting
- Ethics and Corporate social Responsibility
- Economics for Business Decisions
- Strategic Management

SEMESTER III

- Financial Accounting
- Cost Accounting
- Taxation
- Project

SEMESTER II

- Cost and Management Accounting
- Ethics and Corporate social Responsibility
- Economics for Business Decisions
- Strategic Management

SEMESTER IV

- Corporate Financial Accounting
- Introduction to Indirect Tax (GST)
- Financial Management
- Project

M. Com (Management) -
Master of Commerce
(Management)

SEMESTER I

- › Cost and Management Accounting
- › Ethics and Corporate social Responsibility
- › Economics for Business Decisions
- › Strategic Management

SEMESTER III

SEMESTER II

- › Cost and Management Accounting
- › Ethics and Corporate social Responsibility
- › Economics for Business Decisions
- › Strategic Management

SEMESTER IV

M.A. (Entertainment, Media & Advertising)

M.A. (Entertainment, Media & Advertising) program will primarily enable the students to understand & appreciate the relevance of Media (Social science/ Interdisciplinary) research. 2. This program will provide an excellent foundation for Doctoral & Post Doctoral research in Media & Communication studies - in fields of Advertising, Entertainment & Media.

SEMESTER I

- Overview I: Print, Radio, Television and Advertising
- Overview II: Film, Digital, Events, Gaming and Animation
- Media Communication Theories
- Media Management

SEMESTER II

- Introduction to Media Research
- Media Marketing (IMC)
- Media Finance & Accounting
- Entrepreneurship, Innovation & Media Laws

SPECIALIZATION in Film and Television

SEMESTER III

- Broadcast Business Management
- Film Production & Content pipeline
- An Orientation to New Media Technologies
- Television & Radio Production & Programming
- Film Distribution and Marketing

SEMESTER IV

- Media Research Analytical Skills
- Business Plan and Negotiation Skills
- B.. Dissertation / Field Project

SPECIALIZATION in Advertising and Marketing Communication

SEMESTER III

- Account Planning & Media Business
- Media & Consumer Behaviour
- Strategic Brand Management
- Advertising Agency Structure & Management
- Media Planning and Buying

SEMESTER IV

- Media Research Analytical Skills
- Digital and Socials Media Advertising & Marketing
- D... Dissertation / Field Work

Courses that take you Across the World

Objectives of the Collaboration

Continuing the legacy of providing quality education, Vidyalankar has collaborated with prestigious Universities in the US and UK..

The objective of these collaborations is to provide to students the Bachelor Degree that would be accepted internationally,

This alliance will facilitate the most meaningful educational experience in Engineering and Management to Indian students interested in experiencing the Global Education and Culture. The program provides a unique opportunity to Indian students to benefit from both the systems of education at the undergraduate level itself and thus acquire the skills necessary to meet the challenges of tomorrow's globally competitive world.

Joint Programs offer the following benefits:

- > Internationally recognized degree at an affordable cost..
- > Enhanced career opportunities with study in both India and USA/ UK.
- > Potential to work part time while studying..
- > Opportunity to apply for progression to Master Course at the same university or potential to work after graduating.

Vidyalankar Institute for International Education

University of Fraser Valley, British Columbia,, Canada

BCIS :: Bachelor of Computer Information Systems

2 years with Vidyalankar India and 2 Years with Fraser Valley University, CA.. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to University of Fraser Valley for the completion of their Bachelors of Degree in Computer Information Systems which they will receive from University of Fraser Valley.

The University of Toledo,, Ohio,, USA

BBA :: Bachelor in Business Administration

2 years with Vidyalankar and 2 years with the University of Toledo, US.. This gives opportunity for students studying BMS at Vidyalankar to transfer as third year students to the University of Toledo to complete their Bachelor Degree in Business Administration.

University of South Carolina (Aiken & Beauford)

BS(Computational Science)

2 years with Vidyalankar and 2 Years with University of South Carolina USA.. This gives an opportunity for students studying in B.Sc.(IT) at Vidyalankar School of Information technology to transfer as a third year student to University of South Carolina for completion of their BS degree in Computational Science which they will receive from University of South Carolina. Concentration available cyber security and Advanced gaming.

Penn State University, Pennsylvania, USABS

(IST) :: Bachelor in Information Science & Technology

2 years with Vidyalankar and 2 Years with Penn State University, USA...

This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Penn State University for the completion of their Bachelors of Science Degree in IST(Information Science and technology) which they will receive from Penn State,

Rutgers University, Camden, USA

BS(CS) :: Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with Rutgers University, USA... This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Rutgers University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from Rutgers University

California State University, Monterey Bay, USA

BS(CS) :: Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with California State University, USA... This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to California State University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from California state University,

Vidyalankar Institute for International Education

University of Royal Roads,, British Columbia,, Canada

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India and 2 Years with University of Royal Roads University, CA...

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to Royal Roads University, Canada for the completion of their Bachelor's Degree in Business Administration which they will receive from Royal Roads University, Canada ...

Glimpses of Our Students Abroad

Infrastructure

Laboratories :

All the Laboratories are equipped with modern equipments that allow students to practice the theory that they learn in the classroom, Separate labs are available for under-graduate and post-graduate students,

A total of 350 computers are installed in Computer Laboratories for computer practical work and adequate kits in Electronic Laboratories for conduct of electronic practical work,

Students' Activity Centre :

Students' Activity Centre exists to provide a wide range of services, activities and an opportunity to build campus community involving students and staff with equal opportunities. The internal website gives information about forth coming events and also explain show to get involved in other social activities in the Institute.

Infrastructure

A powerful architectural design can affect human psyche and duly contribute in building a great Institution. The campus offers students a vibrant and an attractive setting for their studies,

The institute is housed in a high performance building which is thermally, visually and acoustically comfortable, safe, secure and easy to maintain and operate, The idea is to incorporate nature's "free" services (wind, sun, thermal properties, greenhouse principles and light) to create a high quality indoor environment.

Central Library :

The Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers.

Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library. The library provides areas for group work as well as silent study... Users can access e-journals such as EBSCO, IEEE Explore and J-Gate Plus...

Auditorium / Seminar Halls :

The institute has an Auditorium and six seminar halls on the campus with a state of the art amenities. The auditorium has a capacity of approximately 300 persons and each of the seminar halls can house a 100 people at an average.

Sports Centre :

The Institute appreciates the boisterous, physical and mental energy of the students that needs a proper channel to express itself.

Thus, it aims to promote and improve the sporting prowess of the students and provide opportunities to develop various skills appropriate to both sport and life.

The Institute has a provision for Indoor and Outdoor Games. The campus has two playgrounds to play games like football and cricket. The students can also relax by playing indoor games like chess, carrom, table-tennis, badminton, etc..

Special summer camps are organized for training budding talents in sports..

There is a full-time sports-in-charge available on campus to manage sports activities.

Infrastructure

Cafeteria :

The Institute has good cafeterias with adequate space that offer food items to cater to different tastes. Utmost care is taken to maintain cleanliness and hygiene.

Infrastructure

Vidyalankar Live :

> The Institute is one of the very few colleges to have its own academic social networking portal. This award winning portal attracts more than 1..5 Lakhs hits per day... Recently an Android Application for this portal was released on the Google Play Store (Android Markets). The whole project is fully managed and developed by students,

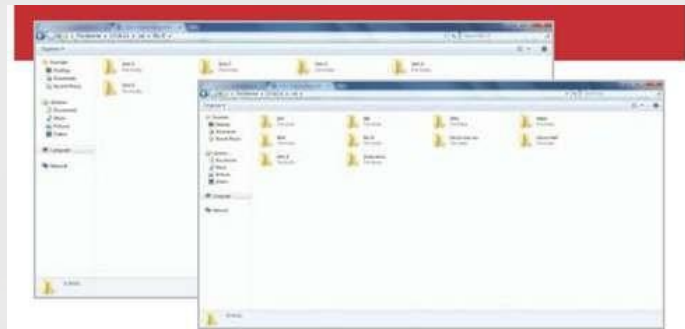

V Print :

The Institute has a world class automated in house print facility. This system enables students to issue print commands from virtually anywhere in the world at the most affordable prices...

V Refer :

V Refer is a digital library which enable users to access video lectures, presentations, documents etc. It allows users have their own personal briefcase. They have an option to share it with other users or share it across the globe.

Infrastructure

Vidyalankar Wi-fi :

The Institute is powered with wireless access points which is centrally controlled. This enables students and faculty members to seamlessly browse high speed internet from any wireless device.

Advice Centre :

The Activity Centre runs an Advice Centre staffed by trained advisors, which is open to all students. It advises students on many issues including finance, academic problems, welfare. A trained counselor is available on select days of the week on campus.

Reading Hall :

A separate Reading hall is created for general reading and an Open Access Reference section is provided a Multi-Media section and high speed Internet browsing for instant access to the internet.

Publications

V - Think :

It is a monthly Departmental Magazine of the Department of Commerce and Management. Compiled articles from students and faculty members are published here...

Student Media :

Vector:

Recognizing the need to provide students with broader perspectives on campus issues,, world and national issues related to technology and career planning,, Vidyalankar has tied up with the prestigious daily DNA and initiated the newsletter "“VECTOR"” .. It aims to acquaint students with national and world events and encourages them to write articles and develop a reading habit. Around 15000 copies of Vector are printed every month (8 issues per year) and distributed free of cost to all at the institute.

Vihaan:

It is an annual college magazine.

V - Tech :

It is a half Departmental Magazine of the Dept of Information Technology. It consists of compiled articles of students and faculty members and contains reports of activities conducted during the month.

We Place You at The Right Position

The ultimate aim of most students is to be recruited in a reputed organization. The Institute prioritizes campus recruitment and in a well-defined process, trains and prepares its job aspirants meticulously and ensures that a majority of students are placed at reputed organizations.

The Institute aims at providing organizations with graduates who are fit for the organization's needs.

We have seen a lot of progress in terms of more number of students being absorbed by various prestigious companies over the years and many esteemed companies have approached us for students time and again.

Utmost care is taken to make students industry ready by training them in personality development, communication skills, improving their analytical abilities and empowering them to interpret data faster.

A Dale Carnegie workshop with training sessions help students to inculcate the required soft skills for a total personality transformation.

Alumni Connect

Staying in Touch

An active alumni association is one of the strengths of an academic institution. Alumni can be great role model for the current students. Their expertise and industry experience can be extremely useful in guiding the students to choose right path to career. Moreover, they are the valued partners and ambassadors of overall development of the academic institution,

VSIT alumni association is just a decade old but still its strength has been increasing day by day.. Every year, college organises “Alumni Meet” in the month of December which is well attended by past students. VSIT Alumni directory is an effort to create database through which we would remain well connected with our student seven they are off the campus.. I am sure the task of creating and updating Alumni Directory will help in involving the alumni in educational and research activities of VSIT..

Alumni Association of VSIT organizes a cricket match named Alumni Premier League (APL) to increase the alumni involvement and attachment towards the institution,

Sapna Hajare

B.Sc. IT (2008-2011),

Working at Accenture as Business & Integration Arch Sr Analyst,

I am Currently working with, I strongly believe there must be determination, confidence, and moral support to achieve anything you desire in life, As the former part is within us, and for latter there are other people who are part of our journey towards achieving our goal in life, I was fortunate enough for being trained and supported by the well-trained professors of VSIT... I am grateful to the efforts of our placement cell that helped me bag my first ever job with L&T Infotech that i applied for. Have being worked with various companies like MNC's ,SME's, start-ups etc , I learned that you will always have to adapt new technologies as they are evolving now than ever before and keeping building core concepts stronger to face challenges in your career.

Along with the academics, there were lot of other activities i was involved during my time in VSIT, that allowed me to grow my confidence as well as my Interpersonal skills. One of the most memorable session organised for our batch was Dale Carnegie,,, annual events ,, Industrial visit,, I believe participation in such events and activities has a strong impact in my professional career even today as i communicate with multinational clients for gathering requirements,,, analysing the impact on the product,,, problem solving ,, brainstorming sessions with colleagues and timely completion of my deliverables,

B. Sc. IT (2013-2016),

Working at- JP Morgan Chase & Co. as Software Engineer.

VSIT- A place that brings people together, shows a path to success, helps mould oneself and prepares you to be a responsible individual. It is one of those rare institutes that pays special attention to the students' growth and education. From appropriate notes to essential seminars, to various workshops and various extracurricular activities, the college makes sure that the students are being served for their investments. VSIT is known for its peaceful environment, which helps create a different aura and motivation among students. Apart from curriculum, VSIT also excels in all extracurricular activities because each and every student is given a chance to outstand and do much more beyond just studies. The special attention by the professors and their excellent skills have made me excel throughout my graduation and I have always been proud about my decision to have done my graduation from VSIT.

Kewal Prajapati

B.Sc. IT (2013-2016)

Working with Wipro Technologies as Senior Project Engineer

When we enter our college life, we have certain expectations towards life, but gradually it turns out to be other way round. When I entered this campus, I too had certain expectations and to my surprise, college life turned out to be exactly the same as expected. In terms of facilities, VSIT has provided us with 100% of comfort and latest technologies, VSIT also offers extra courses, be it extra-curricular, personality development or academics. The most important factor that has helped me evolved is the Dale Carnegie sessions, Secondly, VSIT has dedicated and engaging faculty members who treat us like colleagues. I have always had interest in extra-curricular activities, VSIT gave me a chance to show my talents in extra-curricular activities by making me a part of the Cultural team in my first year, I have also been the Logistics head in my second year which helped me to manage my work in the given time and also cost. Not only that, I have also been the Cultural Secretary in my third year which played a very important part in my life in moulding me to be a team leader as well as taught me group work, VSIT has brought a lot out from me and always gave me chances to show my talents and prove my capability,

Everyone has 1 home, but I have 2! Second one is my college aka "VSIT". The journey is unlike any other. It not only teaches you academic content, but it also teaches you many things which are not part of your curriculum/academics. If you ask me so, then I can highly endorse the following: Leadership Skills, Time & Resource Management but also at the same time value what we have and to have a whole other family of peers, Teachers & the entire staff at VSIT.

The affection is unlike any other... it helps you to be groomed ready for the outside world, well in advanced, I strongly urge everyone to experience and participate in all the various activity which are hosted by Student & Teachers Council. The impact of this experience is non-verbal & it could be understood immediately once you are in the professional job, I am happy to take this advantage of the opportunities and imply the same in my personal life and carrier, Journey doesn't end once you are graduate, but it begins, to also give back to the same college by mentoring the freshers and guide them through the various interactions. In short... experience is unlike any other... proud to be a VSIT'ian and always will be.

Harsh Shah

B.. Sc.. IT (2013-2016)

Founder & CEO, TechRevolve (www.techrevolve.com) Tech Enthusiast, Blogger & Entrepreneur (www.harsh-shah.com)

I graduated from VSIT in 2016 and my journey has been incredibly great! The faculty is well-trained and always ready to help you out in the best ways possible - be it in academics, mentorship or even achieving your personal or professional goals. I feel very lucky that I had such a caring, supportive and friendly faculty during my college days. The faculty/teachers always motivated me in my academics, projects and also guided and helped me to achieve my personal and professional goals in the world of creativity. The college management is excellent and so is the infrastructure. The college has a very positive ambience and I always felt positivity in the college campus. I am thankful to VSIT and the whole faculty/management/staff who have always motivated and inspired me. They have inculcated many things in me that I'll cherish forever and also have shaped me into the person I am today.

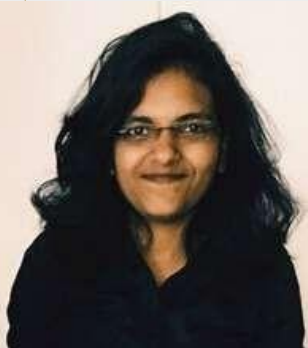

Fahad Malim

(BFM 2015-18)

Social Media Executive at Nykaa Beauty Pvt Ltd,

VSIT is not just any other college for me; it's a place that I would call my second home and will forever be indebted to. A perfect blend of Indian culture with modern technologies, the college will always hold a special place in my heart, not only for its sprawling campus, but also its management and staff. The faculty members of VSIT are highly trained professionals that always enhance your growth academically and through co-curricular activities. They are supremely supportive, truly inspiring, and constantly motivate us to put our best foot forward. While providing academic growth, the college inculcates a good sense of management and team spirit through events such as Vigour & Verve and Shanivaar Manch. As the ex-General Secretary, Student Council of VSIT, the college has not only enhanced my personality but has also instilled a sense of responsibility, humility and leadership, that I will take ahead with me for the coming years. With great experiences I have started working with an advertising agency and currently I'm working as social media executive at Nykaa Beauty Pvt Ltd,

Pancharatna Ahinave

(BFM 2015-18)

Equity Research Analyst at Growth Arrow

College is the most beautiful experience that one can have in their life. Whenever it comes to recollecting the memories of my college days, the happiness is beyond any other experience in my life. Coming to the usual day at college - sitting in the canteen, having fun with friends and learning from our teachers. Each day was a memorable one. For me the best part of my college life was friends. Besides, the immense motivation and support which I got from the faculty on every step. Be it academically, career or life - They were the pillars of a solid foundation. I came across many great opportunities given by the college faculty followed by acknowledgment of my efforts. This has motivated me to be strong academically and in life too. And lastly, I wish I could have the time machine to rewind back to my college days to re-live those moments all over again.

Sandhya Vasu Nagarpally

(BBI 2016-19)

Direct Sales Manager at Aditya Birla Health Insurance

The best thing i ever did is to choose VSIT for my education and career, VSIT showed me pure mother's love in my academic life, A is a mother one who gives knowledge, wisdom , and love to her child same as VSIT do, My years in VSIT were fruitful, I learned so much from curricular to extracurricular and much more. When it comes to how we learned or what we learned the important thing is, who made us learn. Yes, I am speaking about "Guru". In vsit teachers are like mother who share knowledge ,wisdom and love, They are like father who guides for a future and won't let us miss any opportunity we can make use of. They are like friend who be with us when we need a friend to share our fears and problems. My experience in VSIT was such a blessing for me. Teachers, friends, admin staff, Lab staff, and security guards all were so kind and humble, I will never forget my days in my college which were the best, I mostly don't do comparison because nobody should, but I can say somethings confidently is, "My college is the best",

Student Speak

Mr. Karan Mamania

B.,Sc., IT

Hi, this is Karan Mamania from IT, currently pursuing third year of my under graduate course, here at VSIT. This college has played a major role in my overall development, enough to change my entire personality just within last two years through various activities that are carried here. There are many committees that help for personality development namely IEEE, CSI, E-CELL, DLLE, NSS and Student Council. Amongst them are CSI, DLLE and E-CELL. Through DLLE, I have been able to do more social activities and that has boosted my personality and public speaking skills. Through CSI and E-CELL, we organized various events online which kept us motivated and engaged in the uncertain times during the lockdown. Though the whole world was going through a harsh change,, VSIT quickly got adapted to the new change,, thanks to its infrastructure and the inspiring teacher that believed in us..

To say overall, these two years at VSIT, I have gained immense knowledge that would have not been possible without the help of the faculty.

Mr. Rajeev Kaviskar

B. Sc. IT

My journey with VSIT has been an amazing one.

As much as the college values academia it also emphasizes on strengthening our extra-curricular muscles. Be it cultural festivals like Verve, Vigour or Maay Marathi or professional committees such as IEEE CSI E-CELL DLLE and NSS exposes us to variety of opportunities. VSIT has played an instrumental role in molding my personality to become a better version of myself. From attending several seminar, workshops, webinars related to personal growth and tech conferences to organizing them. I have experienced it all and it has been one of a profound experiences of my life.

As a person I have transformed in all aspects of life because of all the skills and values that were inculcated in me throughout the course of these events.

Sara Khan

B., A., F

Finding the right path to success is very important and for that matter I chose VSIT. I would like to express my heartiest thanks to the VSIT family which has exceptionally helped me succeed. The past few years in VSIT flew swiftly with the friendly environment, the systematic approach towards learning of every faculty member and getting to learn a lot from students too with knowledge, patience and truthfulness. I have gained management skills by being a part of placement committee and leadership quality being the joint secretary of commerce association. I have gained so much confidence and knowledge from all our teaching faculty, their constant support and guidance helped me reach my CGPA from 7.50 to 10. These years have not only helped me broaden my horizon but also helped me discover more about myself. Most importantly even when the pandemic had hit us VSIT did not stop, our lectures were resumed online with even more efforts this time to help us understand better on the online platform. I will forever be thankful to VSIT family for carving me into the person I am at present.

Aabidah Sheikh

B., A., F

My journey with VSIT family was incredible as it helped me explore myself on various platforms. I am really thankful to VSIT for moulding me into a better person, My journey at VSIT began in the year 2018, a completely new environment where all the students were encouraged to participate in various activities such as Shanivar manch were students could showcase their talent and hobbies like singing, dancing, playing instruments and many other, The staff and faculties are the ones who is the lifeline of VSIT, The faculties are always supportive and great motivators, Over here the students are given mentors with whom they can talk out their problems whether it's related to studies, career guidance or any personal matter, The faculties are very concerned about the well being of the students, They not only looks after the education of the students they also look after their sport activities, enjoyment and other skill set, Soon I realised that VSIT isn't a college to me anymore it's a second home, At each and every college activities the faculties encouraged me to participate in extra curricular which I was always hesitant, but now it has boosted my confidence and infact I was also able to organise events, Here in VSIT, I was able to improve my leadership skills and management skills by being part of placement cell and commerce association, When I was given responsibility I learned how to manage time and complete work before the deadline, I am thankful to the faculties because of their effort I was able to score well, I started from B grade never thought I would end up having straight O grade in my final year, The relation we share with faculties is more of friendship rather than professor and student relationship, I will always be thankful to each and every faculty and staff member of VSIT because no matter what they always stood still to look after the well being of the students, They considered the students as their first priority and took endless amount of efforts to give us the best during the pandemic situation, I will always be thankful to VSIT for letting me know my hidden talents and helping me to explore myself,

Student Speak

Anupam Adak

B., B., I

"Vidyalankar School of Information Technology" an institute which provides numerous opportunities to its student to develop not just in academics but in their career as well as personal life too. Talking about my experience VSIT has provided me the platform to explore new things and polish up my interpersonal skills. I am very thankful to the wonderful professors at this institute who will never let us down in any phase of our life. Apart from this, the professors had allowed me to learn new things from the other prestigious institutes of the country and participate at a greater national-level platform too. Talking about the cultural and sports events VSIT has never disappointed us whether it be in offline or online mode. During the days of cultural events, every student is enthusiastic and full of energy it feels like the festive season of VSIT which makes it the best part of it!! One of the best things about this Institute is that it has got such a positive and friendly environment. The best thing which this institute has taught me is leadership and self-confidence. Last but not least I would like to thank the super friendly non-teaching staff who are always there for us till our very last day.

Afrin Shaikh

B., B., I

As soon as my HSC results were declared, my first preference was to join vidyalankar, A college like vidyalankar is just like a whole dream package which includes lots of activities, fun sessions, dedicated teachers, positive environment and new friends to make memories more cheerful, My main motive to join vidyalankar was to come out as a better version of myself, The faculty of vidyalankar are extremely motivating, free to ask doubt, and always trying to support students in extra curricular activities, With the help of my teachers, I was able to manage my company secretary studies which also got cleared in first attempt, Exploring new skills within us is the primary motive of vidyalankar professors, Lectures were never boring be it offline or online as each professor has a unique way of teaching and sharing their life experiences, which creates a great bond, Another best part about Vidyalankar is the mentoring session, each student can share their problems, feelings to the mentor who will guide them to the right path and helps in overcoming our problems, Today, I can proudly say that vidyalankar is my right choice as there is nothing to regret for.

Student Speak

Shruti Rane

VSIT is more than a mall-like campus to me, it is more like a beautiful episode in my life. The people I met here made it even better. Sometimes I accidentally spill out the word "Mom" while talking to Anindita Ma'am, for the support system she has always been. Students usually cry about attendance, but personally, I loved the experience our professors brought to the table and the enjoyment it brought along. The events made us capable of being an individual, apart from the crowd. Truly VSIT is a beautiful blend of appealing college life and education, and will always have a special place in my heart.

Ashni Methe

B. M. M

For me, Vidyalankar (VSIT) is like a complete package, with great infrastructure and helpful faculty. The classes were not only focused on theoretical knowledge but also practiced what we learned. The personal attention of the professors helped me grow and explore myself in vivid situations. VSIT is a perfect combination of education and technology and has always felt like a family.

Darshita Shukla

B., M., S - MARKETING

Bonjour à tous Here with you is Darshita Shukla pursuing her final year of Undergraduate degree in Management Studies with her specialization in marketing from Vidyalankar School of Information Technology (VSIT). I had set my foot here in this college around two years ago. For me it has been a great journey with countless experiences till now. This college has played a major role in my overall development, enough to change my entire personality just within last two years. It helped me to evince my leadership qualities, time management and team skills and elevated them to a whole new level. The professors here makes the college what it is today With an attitude of being ever ready to help, and not only delivering classroom teachings, but by also being the pillars of the learning gained from this esteemed college and I believe this is a treasure for life. The entire faculty and department leaves no stone unturned to shape one's future. They are supportive, understanding, considerate, and heedful to every extent possible. I found so much exposure and opportunities as we have numerous club activities going under the supervision of our faculties. Within last two years I have participated in many club activities and been a part of them, such as ENACTUS, DLLE Unit, Placement Cell, Library committee etc. The infrastructure of Vidyalankar School of Information Technology is one of the finest thing that makes it to stand out of the most among those other colleges. It makes the atmosphere even more lively and more refreshing. This allows a better platform for learning and improvising. The best thing about this college is the cross-cultural interaction between students from various places. The Gymkhana we have in our campus and the amazing canteen with delicious food served. Huge respect, love and devotion for entire faculty members and department. It's their efforts that make me to count myself into better professionals.

Cheshta Phull

B... M... S - FINANCE

Hey! This is Cheshta Phull from TYBMS- Finance, Since, I was a direct second year student in the college and was quite bothered how should I adjust with the teachers and the people in the new college,, but the decision of changing the college turned out pretty well, As I came in contact with the best of teachers who guided me in every way possible and also, I could explore my interests and work on them by taking part in various activities and committees, It was my pleasure to be a part of ENACTUS- The Management Club, I also felt privileged being the Head of the Technical Department in my final year which helped me to boost my confidence and showcase my leadership qualities, I always had healthy interactions with my peer group, seniors and the professors, I will always be thankful to the institution and the professors for believing in me by giving me all the possible opportunities to grow and groom well to face the world,

Shreyas Shewale

B. M. S - HR

"An Investment In Education. Pays The Best Interest." Benjamin Franklin

Vidyalankar School of Information Technology is one of the finest educational institutions at Mumbai. As quoted by Benjamin Franklin, VSIT invests the best in educating its students. VSIT applies various learning pedagogies & modern methods of teaching & helps students for their overall development as well. It has various student committees namely NSS, Enactus, Placement Cell, etc. for overall development of its students. My experiences has been exemplar not only in academics but also in extra & co-curriculars. One thing deserves a mention here, that VSIT emphasizes on providing corporate culture & professional learning environment to students. Deans/faculties here are top-notch faculty with academic & corporate experience. Teachers aren't just lecturers but mentors too. To encapsulate my experiences with VSIT, it has been one of the best decisions I have ever made.

Dhwani Nemawat

B... A... F

It is said that a good quality institute bloom in an environment that fosters competitiveness, creative thinking, innovation and so forth, Same can be said about VSIT, It provides a creative and learning environment that encourages us, students, to work on not only corporate skills but also personal growth to promote holistic personality development for nurturing future leaders,

Siddhant Khadye

B... A... F

It's not just about the education but more of learning and experience, More than success it is excellence that matters is what I have learned in VSIT, I am heartedly thankful for such a great platform to carry out my study and enhance the bright light in the near future,

Committees

The main aim behind establishing several committees at VSIT was to facilitate proper and effective functioning of the institute. Proper care is taken to ensure effective management of the committees to benefit both students and faculty members

ALUMNI COMMITTEE

The motive behind creating this committee was to establish contact with the alumni who are committed to promoting the welfare of the institute supporting its traditions and goals and enhancing the institutes fame locally & globally.

The committee aims at identifying & nurturing the skills required for an entrepreneur in the students and giving them solutions that create sustainable economy to create a successful business and a significant realizable value for self-community and nation.

ENTREPRENEURSHIP DEVELOPMENT COMMITTEE

FINAL YEAR PROJECTS QUALITY ASSURANCE COMMITTEE

This committee ensures that the students prepare very meaningful useful projects. It makes the students think the main motive of the committee is to inculcate project handling skills in students.

This committee is constituted to ensure that there is access to wholesome food on the campus & that the cafeteria & kitchen premises conform to high standards of cleanliness. It regularly monitors matters related to pricing, variety, meal plans, address issues & concerns from the college community regarding the food services.

FOOD & BEVERAGES COMMITTEE

Committees

ANTI-RAGGING COMMITTEE

Ragging is an offence by law. It is punishable offence. Ragging is viewed as very serious act and the Hon'ble Supreme Court has issued very strict ordersto curb ragging in educational Institute.

This committee works towards designing an effective curriculum which prepares students for jobs in multinational companies by exposing them to the newest technologies and practical methodologies by way of strategic collaboration with industries.

INDUSTRY INSTITUTE INTERACTION COMMITTEE

LABORATORY DEVELOPMENT COMMITTEE

This committee takes every step to provide best facilities in the institute laboratories leading the research environment and creating 'Centers of Excellence' in the technological field.

The purpose of the Library Committee is to assist in developing operational procedures suggest various measures for improvement and development of the library resources and formulate both personal & fiscal polices which would enable the students to make optimum use of library and inculcate reading habits in them.

LIBRARY COMMITTEE

Committees

PARENT INTERACTION COMMITTEE

This committee was designed keeping in mind parent's crucial role in the occupational aspirations of their children. The committee provides a common forum for interaction of parents and teachers so as to exchange feedback and jointly motivate the student to put in his / her best efforts.

The committee organizes & co-ordinates an interesting blend of courses ranging from soft skills to grooming sessions to equip individuals to qualitatively upgrade their life and career. The training programs are specially designed to enhance skills such as team-building, assertiveness & confidence building, aimed at raising employee morale.

PERSONALITY ENRICHMENT COMMITTEE

PLACEMENT COMMITTEE

The committee facilitates prospective employers by organizing institute-industry interactions regularly, providing complete support for arranging placement activities on the campus & recommending students to them for internship & placement. It organizes pre-placement training by way of group discussions, personal interviews & workshops on personality enrichment & Communication Skills in an attempt to equip students with the necessary skills required to meet the challenges of recruitment.

The committee focus on providing an atmosphere conducive to research & development for faculty & students by entering into strategic collaborations with industries & other institutes at the national & international levels. The key goal is to initiate & give the proper impetus to research activities which would contribute to further developments in an increasingly tech-savvy world.

RESEARCH & DEVELOPMENT COMMITTEE

Committees

STAFF DEVELOPMENT / WELFARE COMMITTEE

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is to create a professional bonding which helps enhance domain knowledge and pedagogy skills.

The committee caters to the counsel the students into not only professionally and academically but also ethically and personally, so as to ensure a comprehensive development of the students. Committee shall focus on improving institutional effectiveness by integrating strategic training courses with the existing curriculum.

CAREER COUNSELLING COMMITTEE

STUDENT'S COUNCIL COMMITTEE

To provide all round development to the students in terms of co-curricular and extra-curricular activities, the student council committee organizes the events in a planned manner. It provides a stress relieving non-academic interaction for students at the end of an intensive academic week. It engages the students in qualitative activities in post academic hours to develop a sense of attachment to the college.

The committee motivate students to willingly participate in 'on-the field' social service activities, build partnerships with NGO's to address common goals and raise awareness of volunteering as it is also an important part of the role of educators.

VIDYALANKAR VOLUNTEERING COMMITTEE

Committees

MARATHI VANGMAY MANDAL

It has always been the endeavor of VSIT to promote and preserve Marathi Literature, Language & culture. VSIT has always been a torch bearer of Marathi tradition. VSIT has a special committee – 'Marathi Vangmay Mandal' which always strives for the arrangement of various programs in Marathi. The objective of this Committee is to promote the importance of preserving Marathi linguistic, literature & culture for the younger generation.

The committee seeks to promote respect for women at the workplace, address feminist issues, identify problems of working women and try to resolve them in a well-negotiated manner. This is achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

WOMEN DEVELOPMENT CELL

CORPORATE COMMUNICATION COMMITTEE

The purpose of this committee is to develop, update, and enhance accessibility of the Internal and External websites to benefit all existing members of the institution. It coordinates efforts to design a creative and flexible website while maintaining current and relevant content and increasing usability.

This committee has been formulated in order to make all students and employees aware of the complaint handling process. This system would ensure that redressal sought is just and fair and is within the given framework of rules and regulations. The committee shall discuss & analyze the causes for the complaints, the complaint resolution process & to discuss the progress and action plan on the same.

GRIEVANCE REDRESSAL COMMITTEE

INTERNAL COMPLAINT COMMITTEE

The Internal Complaints Committee is constituted according to The Sexual Harassment at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Along with this Act, the ICC seeks to adhere to the spirit of Vishakha guidelines preceding this legislation.

The Institute is empowered with its highly experienced and committed team of faculty, easily one of the best amongst un-aided institutes in the region.

They are endowed with rich academic, industrial, research and project experience to execute and implement Design, Development, Research and Consultancy Projects in diverse technological and management domains. This can be attributed to their solid theoretical foundation coupled with practical know-how and expertise.

Administration

V- Search

VSIT created a research platform for students in the form of V-search, It consisted of Research paper Presentation competition for students at intra-College and Inter-college level, VSearch is an attempt to encourage and motivate students to give an insight into research so that they can enhance their literary skills and pursue their passion for research at an early stage,

Life Long Learning and Extension

It teaches goal setting, planning & time management, It promotes a meaningful and sustained rapport between the universities and community, The projects offered are vocational career oriented / community oriented projects, Each students is required to put in 120 hours of work,

Initiatives

VERVE & VIGOUR

> College festivals are the most effective way of bringing youth under the same platform, enhance social interactions and facilitate exchange of cultural ideas and thoughts,

Verve, the annual college festival organized by VSIT is a vibrant roof under which many upcoming talents have showcased their skills and abilities and even this year the festival had something for everyone. The event enjoyed massive publicity and popularity and was a true delight for every college student because of its refreshing experience,

Spoken Tutorial

The Institute conducts spoken tutorial an IIT Bombay project for students as well as for faculty members.

AAP Workshop

Academic Administration Plan (AAP) workshop is conducted by the Institute in beginning of every semester, where teaching faculties plan for the semesters, lecture, assignments, tutorials and beyond curricular.

Placement Team

VSIT Training and Placement Cell provides placement opportunity to all courses, The Role and Activities of Placement Cell are -

- > Career Awareness Sessions,
- > Model aptitude tests, mock Group discussions and Interviews to excel in the recruitment process,
- > Arranging Industrial Visits, Guest Lectures and Industry- Institute Interactive activities and summer placements,

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt, of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969,, in 37 Universities involving 40,,000 students with primary focus on the development of personality of students through community service, Today, NSS has more than 3,2 million student volunteers on its roll spread over 298 Universities and 42(+2) Senior Secondary Councils and Directorate of Vocational Education all over the country, From its inception,, more than 3,,75 crore students from Universities,, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

Life Long Learning & Extension Unit

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the University and the community.

It's Mission and Goals include promoting the aims and values of human development in community colleges and universities. It also provides a forum for the exchange of ideas, innovation, research and students. It aims to increase their presentative voice of those traditionally ignored in society. In short it increases student interaction with the world outside

Glamour Quotient at Vidyalankar

The Wadala campus of Vidyalankar is a blend of academics and entertainment, Through the year, the campus has been peppered with various interesting activities. While the glam quotient keeps the students charged, the main focus of the institute is providing best facilities in education and training.

It is important to provide students the best of education in a modern environment synergic with today's corporates. Equally important is to design a number of activities that make students sure-footed and groom them into global citizens.

Industrial Visit

VSIT always focuses on overall development of students, keeping this motto in mind, it time to time arranges for Industrial Visits for all the students of various courses..

This academic year, students of B.Sc..IT were taken for a visit at Nehru Science Centre, Worli, which received an overwhelming response..

Another group of students had visited All India Radio for the Industrial Visit to enhance their knowledge beyond their academic activities.

A One Day Industrial Visit had been arranged for the B.B.I.. and B.F.M.. students at Poly cab India Ltd, Daman Industrial Estate,

The management students were taken for industrial visit to World Trade Centre, to understand the technicalities of trade and commerce..

The Beginning Of Vidyalankar

> "Work is worship."

Vidyalankar is a union of two Sanskrit words Vidya + Alankar the essence of which is 'True ornament of mind is knowledge'. Vidyalankar started off with the passion of the Founder, Prof. C.S. Deshpande, who needed just a black board and young impressionable minds to impart knowledge. Prof. Deshpande had a brilliant career throughout. His passion for education lead him to give up his brilliant career in the India Railways as Class I gazetted officer to start the Vidyalankar Classes in 1960.

The Trust runs multiple colleges namely, Vidyalankar Institute of Technology, an Engineering Degree & Management College approved by All India Council of Technical Education (A.I.C.T.E), Directorate of Technical Education (D.T.E.) Maharashtra State and affiliated to the University of Mumbai with Electronics Engineering, Electronics & Telecommunication Engineering and Biomedical Engineering programmes accredited by National Board of Accreditation.

Dr. Sanjeewani Deshpande was the Chairman of Vidyalankar Dnyanpeeth Trust. She was such a great inspiration to everyone in the Vidyalankar family. She was so keen on education that she completed her Ph.D. in English in her 80's. With an M.A. in English and an M.A. in Public Administration to her credit, she had more than 35 years of teaching experience at the undergraduate and postgraduate levels in both the domains of English and Public Administration. A passion for education and a student-oriented approach have been her hallmarks of excellence in teaching. She shared a global perspective on education and encouraged research and development activities among faculty and students.

From Chairperson's Desk

Ms. Rashmi Deshpande likewise is devoted to the progress of Vidyalankar. With her philanthropic attitude and her keen interest in the personal development of every single person associated with Vidyalankar. She is naturally as much loved as she is respected. After her M.Sc. in Bio-Chemistry from the University of Mumbai, she went to the U.S.A. for higher education and completed her M.B.A. She is naturally and particularly inclined towards enriching the business of Vidyalankar School and she owes this to her professional background in management studies.

Ms. Rashmi Deshpande

Chairperson

Vidyalankar School of Information Technology

VSIT enjoys the reputation of being one of the finest colleges of higher learning. Its outstanding performance in the field of curricular and co-curricular activities has considerably enhanced its prestige. VSIT provides quality education and high academic ambience for overall development of the students.

It conducts Science (IT), Management, Commerce, Graduate and Post-Graduate courses.

It has foreign collaborations with universities of the stature of Penn State University, California State University, Aston University, Sheffield Hallam University, University of Toledo and Hult International Business School with a high number of students landing campus placements in companies such as Bristlecone (Tech Mahindra), NSE, TCS, L & T Infotech, iGATE, HDFC Securities, Jaro Education, Birla Sunlife, NCR, etc.

The phenomenal success rate of students who emerge as toppers bears testimony to the high esteem that VSIT enjoys in the field of academics.

From Principal's Desk

Vidyalankar School of Information Technology is upcoming as a leading educational institution in the field of Information Technology, Commerce and Management. Our students are making progress not only in academics but also in all walks of life including career prospects. We want to ensure that our students will be capable of thinking critically, solving problems, communicating well and utilizing technology in all possible ways.

Dr. Rohini Kelkar
Principal

We aim at making information available to all our stakeholders through their interaction with VSIT about our current and past students. A highly effective forum www.vsitlive.com gives an opportunity to all students and teachers to remain informed about the events at VSIT and upgrade their information on par with the needs of the modern world.

Our teaching methods also have a professional touch. We prepare students to be competitive in the 21st century by providing Dale Carnegie soft skills development program, pre-placement training, practice sessions for C.V. writing and enhancement of their technical skills through organizing technical seminars. We take pride in generating tech-savvy, innovative and academically excellent professionals.

Mr. Asif K Rampurawala
Vice Principal

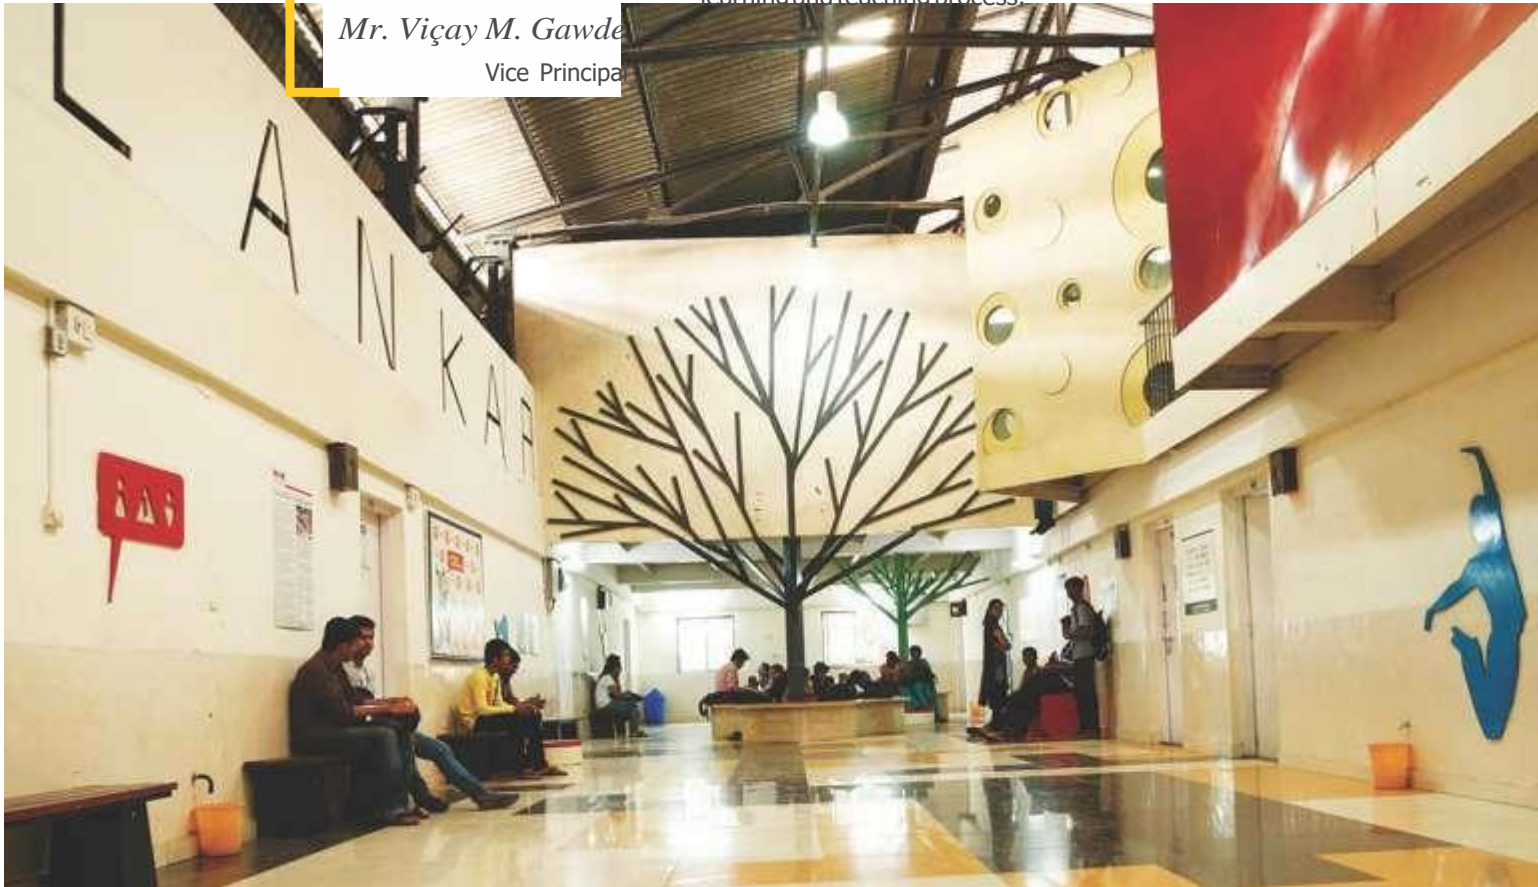

The pursuit of knowledge is truly a noble cause which only we human beings are fortunate to possess. At Vidyalankar, we believe that knowledge (Vidya) is the true ornament (Alankar). In our endeavour towards creating global citizens who are aware of their societal needs, we have undertaken various programmes through student bodies like NSS, CSI, Lifelong Learning and Extension and others. There is lot of information available today to students via the internet but making sense of this information or in other words converting information to knowledge requires guidance. VSIT is place where students from all walks of life and sections of society come to get quality education and holistic development. We continually strive to exceed the expectations of all our stakeholders including students, parents, industry and community.

From the Vice Principal's Desk

The greatest gift education gives us is the capability to mitigate most of the challenges faced in life. The pace of globalization, liberalization and privatization has tremendously influenced the various dimensions of Commerce and Management education which includes finance, marketing, accounting, human resource management, entrepreneurship development, commercial and business law among many others. We at VSIT strive to provide the best of education to our students in this very competitive and fast moving world of commerce and management. We have well qualified and competent faculty members with world class pedagogy being implemented in our learning and teaching process.

Mr. Viçay M. Gawde
Vice Principal

M.Com. (Accounting) - Master of Commerce in Advanced Accounting

Master of Commerce (M.Com) Programme is a two Year Integrated Programme consisting of four semesters. The programme provides information and develops skills pertaining to Business, Corporate and Global Reforms. In addition to providing an insight into application of economic principles in business decisions, it also intends to widen analytical ability of the students.

> SEMESTER I

- ◆ Cost and Management Accounting
- ◆ Ethics and Corporate social Responsibility
- ◆ Economics for Business Decisions
- ◆ Strategic Management

> SEMESTER II

- ◆ Research Methodology
- ◆ Macro Economics-concepts and application
- ◆ Corporate Finance
- ◆ E-Commerce

> SEMESTER III

- ◆ Financial Accounting
- ◆ Cost Accounting
- ◆ Taxation
- ◆ Project

> SEMESTER IV

- ◆ Corporate Financial Accounting
- ◆ Introduction to Indirect Tax (GST)
- ◆ Financial Management
- ◆ Project

Courses that take you Across the World

Objectives of the Collaboration

Continuing the legacy of providing quality education, Vidyalandkar has collaborated with prestigious Universities in the US and UK.

The objective of these collaborations is to provide to students the Bachelor Degree that would be accepted internationally.

This alliance will facilitate the most meaningful educational experience in Engineering and Management to Indian students interested in experiencing the Global Education and Culture. The program provides a unique opportunity to Indian students to benefit from both the systems of education at the undergraduate level itself and thus acquire the skills necessary to meet the challenges of tomorrow's globally competitive world.

Joint Programs offer the following benefits:

- Internationally recognized degree at an affordable cost.
- Enhanced career opportunities with study in both India and USA/ UK.
- Potential to work part time while studying.
- Opportunity to apply for progression to Master Course at the same university or potential to work after graduating.

Vidyalankar Institute for International Education

Penn State University, Pennsylvania, USA

BS (IST) : Bachelor in Information Science & Technology
2 years with Vidyalankar and 2 Years with Penn State University, USA.

This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Penn State University for the completion of their Bachelors of Science Degree in IST(Information Science and technology) which they will receive from Penn State.

Rutgers University, Camden, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with Rutgers University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Rutgers University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from Rutgers University.

California State University, Monterey Bay, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with California State University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to California State University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from California state University.

Vidyalankar Institute for International Education

University of Fraser Valley, British Columbia, Canada

BCIS (Bachelor of Computer Information Systems)

2 years with Vidyalankar India and 2 Years with Fraser Valley University, CA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to University of Fraser Valley for the completion of their Bachelors of Degree in Computer Information Systems which they will receive from University of Fraser Valley.

The University of Toledo, Ohio, USA

BBA (Bachelor in Business Administration)

2 years with Vidyalankar and 2 years with the University of Toledo, US. This gives opportunity for students studying BMS at Vidyalankar to transfer as third year students to the University of Toledo to complete their Bachelor Degree in Business Administration.

University of South Carolina (Aiken & Beauford)

BS(Computational Science)

2 years with Vidyalankar and 2 Years with University of South Carolina USA. This gives an opportunity for students studying in B.Sc.(IT) at Vidyalankar School of Information technology to transfer as a third year student to University of South Carolina for completion of their BS degree in Computational Science which they will receive from University of South Carolina. Concentration available cyber security and Advanced gaming.

Vidyalankar Institute for International Education

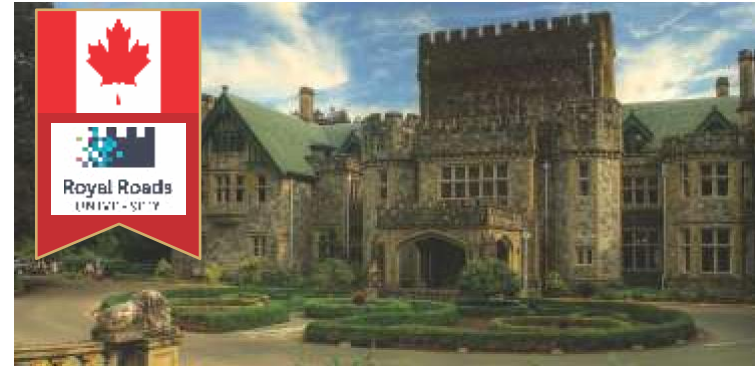

University of Royal Roads, British Columbia, Canada

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India and 2 Years with University of Royal Roads University, CA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to Royal Roads University, Canada for the completion of their Bachelor's Degree in Business Administration which they will receive from Royal Roads University, Canada .

Glimpses of Our Students Abroad

Infrastructure

Laboratories :

All the Laboratories are equipped with modern equipments that allow students to practice the theory that they learn in the classroom. Separate labs are available for under-graduate and post-graduate students.

A total of 250 computers are installed in Computer Laboratories for computer practical work and adequate kits in Electronic Laboratories for conduct of electronic practical work.

Students' Activity Centre :

Students' Activity Centre exists to provide a wide range of services, activities and an opportunity to build campus community involving students and staff with equal opportunities. The internal website gives information about forthcoming events and also explains how to get involved in other social activities in the Institute.

Infrastructure

A powerful architectural design can affect human psyche and duly contribute in building a great Institution. The campus offers students a vibrant and an attractive setting for their studies.

The institute is housed in a high performance building which is thermally, visually and acoustically comfortable, safe, secure and easy to maintain and operate. The idea is to incorporate nature's "free" services (wind, sun, thermal properties, greenhouse principles and light) to create a high quality indoor environment.

Central Library :

The Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers.

Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library. The library provides areas for group work as well as silent study. Users can access e-journals such as EBSCO, IEEE Explore and J-Gate Plus.

Auditorium / Seminar Halls :

The institute has an Auditorium and six seminar halls on the campus with a state of the art amenities. The auditorium has a capacity of approximately 300 persons and each of the seminar halls can house a 100 people at an average.

Infrastructure

Cafeteria :

The Institute has good cafeterias with adequate space that offer food items to cater to different tastes. Utmost care is taken to maintain cleanliness and hygiene.

Sports Centre :

The Institute appreciates the boisterous, physical and mental energy of the students that needs a proper channel to express itself. Thus, it aims to promote and improve the sporting prowess of the students and provide opportunities to develop various skills appropriate to both sport and life.

The Institute has a provision for Indoor and Outdoor Games. The campus has two playgrounds to play games like football and cricket. The students can also relax by playing indoor games like chess, carrom, table-tennis, badminton, etc.

Special summer camps are organized for training budding talents in sports. There is a full-time sports-in-charge available on campus to manage sports activities.

Infrastructure

VPrint:

The Institute has a world class automated in house print facility. This system enables students to issue print commands from virtually anywhere in the world at the most affordable prices.

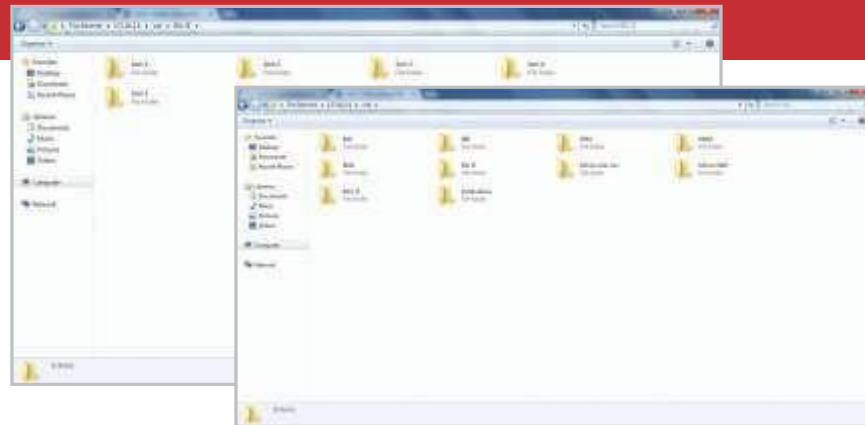

Vidyalankar Live :

The Institute is one of the very few colleges to have its own academic social networking portal. This award winning portal attracts more than 1.5 Lakhs hits per day. Recently an Android Application for this portal was released on the Google Play Store (Android Markets). The whole project is fully managed and developed by students.

V Refer :

V Refer is a digital library which enable users to access video lectures, presentations, documents etc. It allows users have their own personal briefcase. They have an option to share it with other users or share it across the globe.

Infrastructure

Vidyalankar Wi-fi :

The Institute is powered with wireless access points which is centrally controlled. This enables students and faculty members to seamlessly browse high speed internet from any wireless device.

Advice Centre :

The Activity Centre runs an Advice Centre staffed by trained advisors, which is open to all students. It advises students on many issues including finance, academic problems, welfare. A trained counselor is available on select days of the week on campus.

Reading Hall:

A separate Reading hall is created for general reading and an Open Access Reference section is provided a Multi-Media section and high speed Internet browsing for instant access to the internet.

Publications

V-Think :

It is a monthly Departmental Magazine of the Department of Commerce and Management. Compiled articles from students and faculty members are published here.

Student Media :

Vector: Recognizing the need to provide students with broader perspectives on campus issues, world and national issues related to technology and career planning, Vidyankar has tied up with the prestigious daily DNA and initiated the newsletter 'VECTOR'. It aims to acquaint students with national and world events and encourages them to write articles and develop a reading habit. Around 15000 copies of Vector are printed every month (8 issues per year) and distributed free of cost to all at the institute.

Vihaan: It is an annual college magazine.

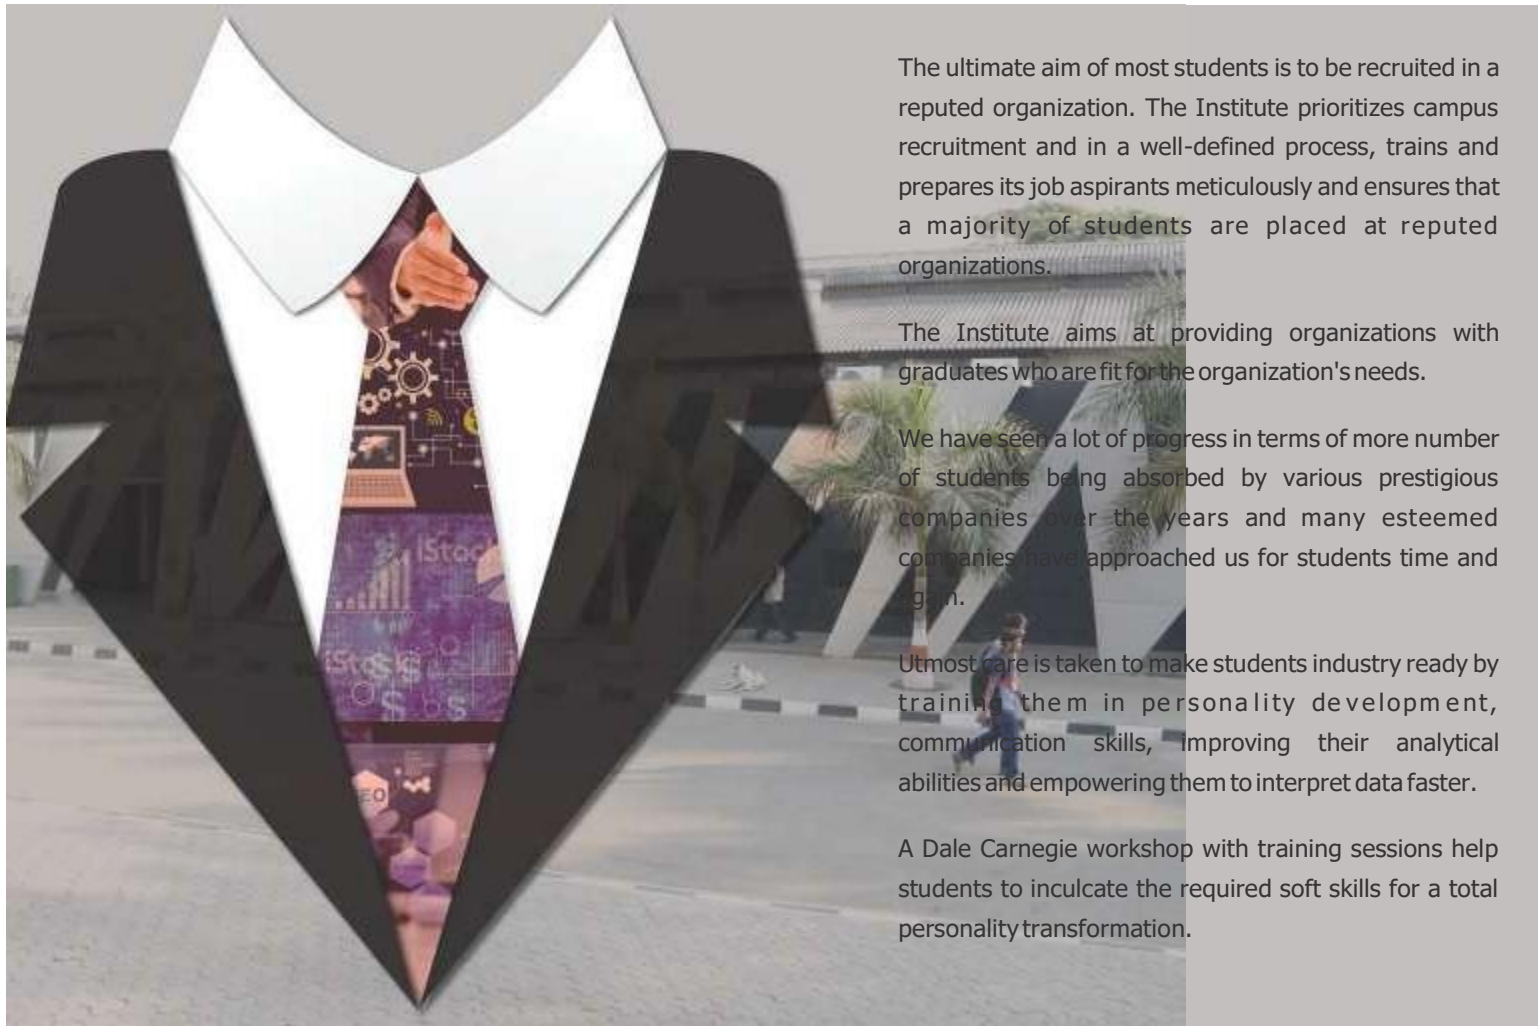

V-Tech:

It is a monthly Departmental Magazine of the Dept of Information Technology. It consists of compiled articles of students and faculty members and contains reports of activities conducted during the month.

We Place You at The Right Position

The ultimate aim of most students is to be recruited in a reputed organization. The Institute prioritizes campus recruitment and in a well-defined process, trains and prepares its job aspirants meticulously and ensures that a majority of students are placed at reputed organizations.

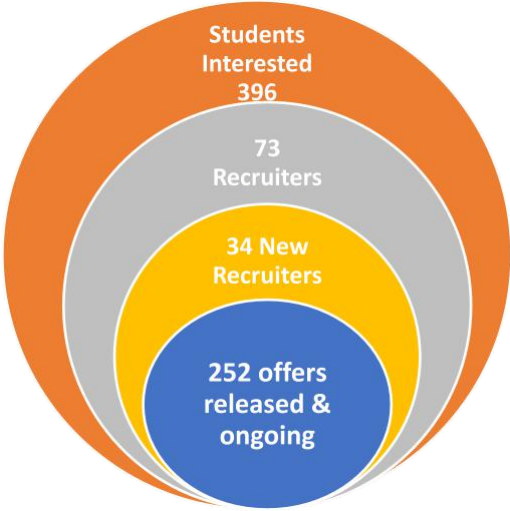

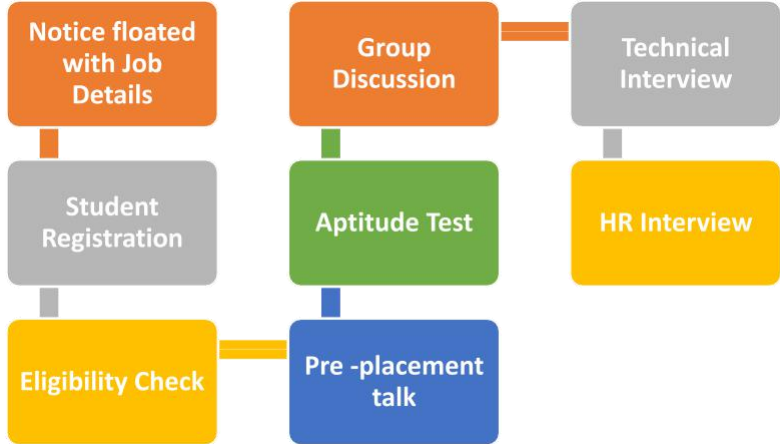

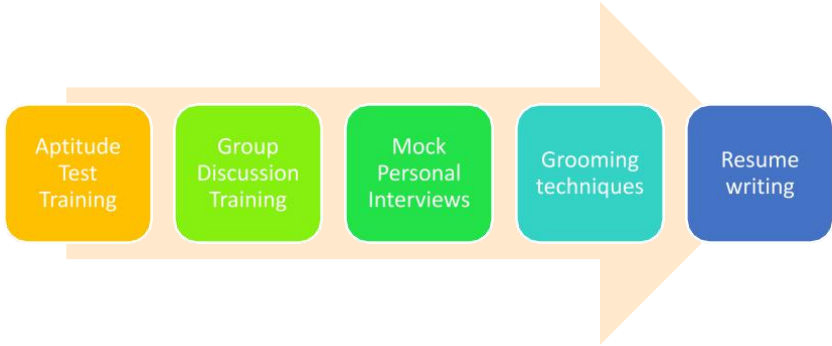

The Institute aims at providing organizations with graduates who are fit for the organization's needs.

We have seen a lot of progress in terms of more number of students being absorbed by various prestigious companies over the years and many esteemed companies have approached us for students time and again.

Utmost care is taken to make students industry ready by training them in personality development, communication skills, improving their analytical abilities and empowering them to interpret data faster.

A Dale Carnegie workshop with training sessions help students to inculcate the required soft skills for a total personality transformation.

Alumni Connect

Staying in Touch

Staying in Touch

An active alumni association is one of the strengths of an academic institution. Alumni can be great role model for the current students. Their expertise and industry experience can be extremely useful in guiding the students to choose right path to career. Moreover, they are the valued partners and ambassadors of overall development of the academic institution.

VSIT alumni association is just a decade old but still its strength has been increasing day by day. Every year, college organises "Alumni Meet" in the month of December which is well attended by past students. VSIT Alumni directory is an effort to create database through which we would remain well connected with our students even they are off the campus. I am sure the task of creating and updating Alumni Directory will help in involving the alumni in educational and research activities of VSIT.

Alumni Association of VSIT organizes a cricket match named Alumni Premier League (APL) to increase the alumni involvement and attachment towards the institution.

Alumni Connect

**Mr. Aniket Singh - B.Sc.(IT) 2011 -
Management Trainee at Marsh India**

I am glad to have chosen Vidyalankar for my Under-Grad course. The faculty and course material provided to us just got better with each passing year. The infrastructure at VSIT stands out and to me is one of the finest in the city. The placement assistance and the mentoring by the professors has been the biggest take away for me. The best part about the institute is the way it continues to support and guide their students both present and alumnus. The student life at VSIT is a perfect blend of circular and curricular activities and empowers the students to bring the best out of them.

**Mr. Sachin Annam- B.SC IT 2011-
Developer and Designer at L&T
Infotech**

In college days, I used to be bit reluctant in fact afraid while speaking to Professors or giving presentations. But my professors always encouraged me to overcome fear with their friendly nature – which boosted my confidence. We used to have technical presentations at regular intervals which improved our presentation skills. College is equipped with computer labs - open for everyone to improve their programming skills.

Today, I am doing good at professional front – credit goes to my professors who always taught us to focus more on practical knowledge rather than depending on theoretical stuff.

Mr. Dominic Gouveia - BMS 2013 - Research Analyst at Crisil Limited

My 3 wonderful years at VSIT had been nothing short of surprises and can be characterized by - the people I met, the friends I made, the professors that influenced me, the opportunities provided to me; all of which are integral in making me better today and preparing me for the real world. VSIT prepared me to not just be any student waving around a graduate degree, they helped me visualize my goals and reach out towards them, be confident but moreover I learnt how to be a better person. Somewhere, deep down inside of me, I do believe those long hours on presentations, meeting deadline goals, organising Shanivaar Manch (hobby club) events and college festival and extracurricular activities paid off well. But I owe most of my gratitude to the college for encouraging extracurricular activities to help students to be exposed to new and different situations, especially the NSS -The NSS was a stepping stone towards helping me grow individually as a person. It gave me a platform to throw my shyness out of the window and inability to come out of my shell and develop self-confidence, leadership traits and the likes of it.

Student Speak

Jignesh Chauhan
T.Y.B.Sc.(IT) - A

One of the most interesting stages in life that gives you an opportunity to explore is the college phase. My experience in Vidyalankar is something which can't be expressed in few lines all I can say that it was a beautiful journey throughout three years, where you can explore knowledge and study in such a good environment which helps you think beyond your dreams.

Vinyas Shetty
T.Y.B.Sc.(IT) - B

College life is a very important part of every individual's life. Time really flies, it feels like it was just yesterday that I got into college. The past 3 years have been amazing here at Vidyalankar School of Information Technology. You literally have the best of everything out here, from infrastructure to faculty. The cool and ever-ready to help

teachers will always have your back and the friendly non-teaching staff will never let you down. I've learnt a lot being here, things that surely would help in future. It sure was a good ride.

Wasif Mukadam
T.Y.B.Sc.(IT) - B

Time just slipped off and three glorious years at VSIT have come to an end. I cherished each and every moment spent at this campus with loving and motivating professors who always shared their expertise to enrich our lives with knowledge which will guide us in our future. The helpful and cheerful nonteaching staff always were ready to help us and made life very smooth and easy at VSIT. Just can't forget the wonderful ambiance of our campus which was relaxing, the wonderful canteen which served us with nutritious and tasty food last but not the least the enriching programmes conducted by our college. I would like to thank each and every member of VSIT to enrich our lives with quality education.

Student Speak

Chirag Shah
T.Y.BFM

Due to the rapid growth of financial sector in India there are plenty of opportunities in this area. BFM in Vidyalankar provides various opportunity to get the practical aspects of financial market including stock market trading which help the students to make a good career.

Pranita Patil
T.Y.BFM

BFM Program typically focus with comprehensive understanding of financial market, interpersonal skills and professional insight in the field of finance. The students who want to explore in the area of finance, BFM in VSIT is the best option.

Prajakta Rawool
T.Y.BMM

VSIT is best at studies, curriculum, extra-curricular activities, also the college campus is very positive. VSIT college is career oriented. One can also get to know how students here are motivated to realize their full potential. The BMM department offers guest lectures very frequently to students, where Young minds are nurtured and guided here to face the challenges of the professional world by

making them academically competent and industry-ready. "MAADHYAM" & "V-Chitra" are 2 prominent Media fest organised by The BMM department of VSIT. Opportunities here at VSIT are great!

The faculties are very formally friendly & ready to help whenever you need them.

Student Speak

Vidyalankar has been instrumental in shaping up my personality to become a confident and motivated individual along with strong values and principles which form the backbone of the exemplary institution that is Vidyalankar. From a vast array of opportunities available for students to grow and develop their personalities, to the appreciation and recognition of every student's achievement, Vidyalankar has it all that one would expect from a great institution.

Soumya Marar
T.Y.BMS

Disha Singh
T.Y.BMS

The journey at Vidyalankar has been incredibly great and I have quite evolved in these preceding 3 years, so much that now I am ready for the next level challenges. I am extremely thankful to this college for providing me with all the quintessential resources needed for my growth and development, whether it's the libraries, time-to-time conducted workshops, seminars, training and development programs, value added courses, guest lectures- everything has helped me a lot in getting closer to my dreams. It gives me an immense pleasure to share about my achievements as a student of Vidyalankar wherein, I have been awarded for scoring highest marks in the subjects like Industrial law, Environmental Management, Information Technology-II etc, this is something which always kept me motivated to be consistent and do well in academics. Apart from having academic proficiency, I have actively participated in many social and cultural events, being a part of Student Council and Extension Unit that has really helped me to get exposed to numerous possibilities of learning new things and molded my personality in the best way possible. Also, I crossed zonal round of University 'Avishkar' research convention and won 2nd prize at National level research conference 'Vsearch'. I have been pushed to be a part of Inter College festivals such as Dance, Street play, Research Convention held in our college as well as in other colleges through which I have learned to compete in a healthy manner and realize my potential. Here at Vidyalankar, I have grown not only as a good student but also as a good human being.

Committees

The main aim behind establishing several committees at VSIT was to facilitate proper and effective functioning of the institute. Proper care is taken to ensure effective management of the committees to benefit both students and faculty members.

ALUMNI COMMITTEE

The motive behind creating this committee was to establish contact with the alumni who are committed to promoting the welfare of the institute supporting its traditions and goals and enhancing the institutes fame locally & globally.

The committee aims at identifying & nurturing the skills required for an entrepreneur in the students and giving them solutions that create sustainable economy to create a successful business and a significant realizable value for self-community and nation.

ENTREPRENEURSHIP DEVELOPMENT COMMITTEE

FINAL YEAR PROJECTS QUALITY ASSURANCE COMMITTEE

This committee ensures that the students prepare very meaningful useful projects. It makes the students think the main motive of the committee is to inculcate project handling skills in students.

This committee is constituted to ensure that there is access to wholesome food on the campus & that the cafeteria & kitchen premises conform to high standards of cleanliness. It regularly monitors matters related to pricing, variety, meal plans, address issues & concerns from the college community regarding the food services.

FOOD & BEVERAGES COMMITTEE

ANTI-RAGGING COMMITTEE

Ragging is an offence by law. It is punishable offence. Ragging is viewed as very serious act and the Hon'ble Supreme Court has issued very strict orders to curb ragging in educational Institute.

This committee works towards designing an effective curriculum which prepares students for jobs in multinational companies by exposing them to the newest technologies and practical methodologies by way of strategic collaboration with industries.

INDUSTRY- INSTITUTE INTERACTION COMMITTEE

LABORATORY DEVELOPMENT COMMITTEE

This committee takes every step to provide best facilities in the institute laboratories leading the research environment and creating "Centers of Excellence" in the technological field.

The purpose of the Library Committee is to assist in developing operational procedures suggest various measures for improvement and development of the library resources and formulate both personal & fiscal polices which would enable the students to make optimum use of library and inculcate reading habits in them.

LIBRARY COMMITTEE

PARENT INTERACTION COMMITTEE

This committee was designed keeping in mind parent's crucial role in the occupational aspirations of their children. The committee provides a common forum for interaction of parents and teachers so as to exchange feedback and jointly motivate the student to put in his / her best efforts.

Committees

PERSONALITY ENRICHMENT COMMITTEE

The committee organizes & co-ordinates an interesting blend of courses ranging from soft skills to grooming sessions to equip individuals to qualitatively upgrade their life and career. The training programs are specially designed to enhance skills such as team-building, assertiveness & confidence building, aimed at raising employee morale.

The committee facilitates prospective employers by organizing institute-industry interactions regularly, providing complete support for arranging placement activities on the campus & recommending students to them for internship & placement. It organizes pre-placement training by way of group discussions, personal interviews & workshops on personality enrichment & Communication Skills in an attempt to equip students with the necessary skills required to meet the challenges of recruitment.

PLACEMENT COMMITTEE

RESEARCH & DEVELOPMENT COMMITTEE

The committee focus on providing an atmosphere conducive to research & development for faculty & students by entering into strategic collaborations with industries & other institutes at the national & international levels. The key goal is to initiate & give the proper impetus to research activities which would contribute to further developments in an increasingly tech-savvy world.

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is be to create a professional bonding which helps enhance domain knowledge and pedagogy skills.

STAFF DEVELOPMENT / WELFARE COMMITTEE

CAREER COUNSELLING COMMITTEE

The committee caters to the counsel the students into not only professionally and academically but also ethically and personally, so as to ensure a comprehensive development of the students. Committee shall focus on improving institutional effectiveness by integrating strategic training courses with the existing curriculum.

To provide all round development to the students in terms of co-curricular and extra-curricular activities, the student council committee organizes the events in a planned manner. It provides a stress relieving non-academic interaction for students at the end of an intensive academic week. It engages the students in qualitative activities in post academic hours to develop a sense of attachment to the college.

STUDENT'S COUNCIL COMMITTEE

VIDYALANKAR VOLUNTEERING COMMITTEE

The committee motivate students to willingly participate in 'on-the field' social service activities, build partnerships with NGO's to address common goals and raise awareness of volunteering as it is also an important part of the role of educators.

It has always been the endeavor of VSIT to promote and preserve Marathi Literature, Language & culture. VSIT has always been a torch bearer of Marathi tradition. VSIT has a special committee – "Marathi Vangmay Mandal" which always strives for the arrangement of various programs in Marathi. The objective of this Committee is to promote the importance of preserving Marathilinguistic, literature & culture for the younger generation.

MARATHI VANGMAY MANDAL

WOMEN DEVELOPMENT CELL COMMITTEE

The committee seeks to promote respect for women at the workplace, address feminist issues, identify problems of working women and try to resolve them in a well-negotiated manner. This is achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

CORPORATE COMMUNICATION COMMITTEE

The purpose of this committee is to develop, update, and enhance accessibility of the Internal and External websites to benefit all existing members of the institution. It coordinates efforts to design a creative and flexible website while maintaining current and relevant content and increasing usability.

This committee has been formulated in order to make all students and employees aware of the complaint handling process. This system would ensure that redressal sought is just and fair and is within the given framework of rules and regulations. The committee shall discuss & analyze the causes for the complaints, the complaint resolution process & to discuss the progress and action plan on the same.

GRIEVANCE REDRESSAL COMMITTEE

INTERNAL COMPLAINT COMMITTEE

The Internal Complaints Committee is constituted according to 'The Sexual Harassment at Workplace(Prevention, Prohibition and Redressal) Act, 2013'. Along with this Act, the ICC seeks to adhere to the spirit of Vishakha guidelines preceding this legislation.

Faculty

The Institute is empowered with its highly experienced and committed team of faculty, easily one of the best amongst un-aided institutes in the region.

They are endowed with rich academic, industrial, research and project experience to execute and implement Design, Development, Research and Consultancy Projects in diverse technological and management domains. This can be attributed to their solid theoretical foundation coupled with practical know-how and expertise.

Information Technology

Management, Commerce & Arts

VSIT
Staff

Lab

Administration

Initiatives

Life Long Learning and Extension

It teaches goal setting, planning & time management. It promotes a meaningful and sustained rapport between the universities and community. The projects offered are vocational career oriented / community oriented projects. Each students is required to put in 120 hours of work.

V-Search

VSIT created a research platform for students in the form of V-search. It consisted of Research paper Presentation competition for students at intra- College and Inter-college level. V-Search is an attempt to encourage and motivate students to give an insight into research so that they can enhance their literary skills and pursue their passion for research at an early stage.

Initiatives

VERVE & VIGOUR 2018-19

College festivals are the most effective way of bringing youth under the same platform, enhance social interactions and facilitate exchange of cultural ideas and thoughts.

Verve, the annual college festival organized by VSIT is a vibrant roof under which many upcoming talents have showcased their skills and abilities and even this year the festival had something for everyone. The event enjoyed massive publicity and popularity and was a true delight for every college student because of its refreshing experience.

Initiatives

Spoken Tutorial

The Institute conducts spoken tutorial an IIT Bombay project for students as well as for faculty members.

AAP Workshop

Academic Administration Plan (AAP) workshop is conducted by the Institute in beginning of every semester, where teaching faculties plan for the semesters, lecture, assignments, tutorials and beyond curricular.

Placement Team

VSIT Training and Placement Cell provides placement opportunity to all courses.

The Role and Activities of Placement Cell are -

- Career Awareness Sessions.
- Model aptitude tests, mock Group discussions and Interviews to excel in the recruitment process.
- Arranging Industrial Visits, Guest Lectures and Industry-Institute Interactive activities and summer placements.

Initiatives

Shanivar Manch

The objective of 'Shanivar Manch' is to inspire students to pursue a hobby and explore their potential in music, photography, paintings, star gazing, web designing, trekking etc. 'Shanivar Manch' encourages students to participate in recreational activities, thus providing an opportunity for networking, team building and personality development. This is organized by students for students.

The various activities conducted as part of Shanivar Manch are:

- Workshops : Chess, Rangoli, Nail Art, Sari Designing etc.
- Movie Screening : Inspirational and educative
- Sports Competitions : Inter and Intra college
- Dance : National and International dance forms
- Music Session : College bands performing for their fellow students
- Quizzes and debates

V-CMT 2019

It was one of those proud moments for VSIT – a bold step which has taken the institute closer to its dream of a research university! VSIT organized a two days National Research Conference V-CMT 2016 on the theme India 2025 : A Vision for Next Decade.

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service. Today, NSS has more than 3.2 million student volunteers on its roll spread over 298 Universities and 42(+2) Senior Secondary Councils and Directorate of Vocational Education all over the country. From its inception, more than 3.75 crore students from Universities, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

Life Long Learning & Extension Unit

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the University and the community.

It's Mission and Goals include promoting the aims and values of human development in community colleges and universities. It also provides a forum for the exchange of ideas, innovation, research and students. It aims to increase their presentative voice of those traditionally ignored in society. In short it increases student interaction with the world outside.

Glamour Quotient at Vidyalkar

The Wadala campus of Vidyalkar is a blend of academics and entertainment. Through the year, the campus has been peppered with various interesting activities. While the glam quotient keeps the students charged, the main focus of the institute is providing best facilities in education and training.

It is important to provide students the best of education in a modern environment synergic with today's corporates.

Equally important is to design a number of activities that make students sure-footed and groom them into global citizens.

उलगडणार विविध क्षेत्रांतल्या मान्यवरांचा प्रवास

महाराष्ट्र टाइम्स मीडिया पार्टनर

ध्येयवेदी माणस आपलं ध्येय गाठण्यासाठीचा प्रवास सुरू करण्यापूर्वी स्वतःमध्ये डोकावून पाहतात. एकदा का आपल्या सामर्थ्याचा शोध लागला की, ध्येय गाठण्यासाठी ती झपाटून कामाला लागतात. दिवस-रात्र, तहान-भूक विसरून हा प्रवास सुरू होतो. यशस्वीरित्या स्वतःचा शोध घेतलेल्या ध्येयवेद्यांच्या जीवनाविषयी आणि त्यांच्या कामाविषयी अनेकांना उत्सुकता असते. वेगवेगळ्या क्षेत्रातल्या अशाच काही मंडळींची ओळख करून देण्यासाठी वडाळ्याच्या विद्यालंकार कॉलेजमध्ये 'टेडएक्स-व्हीआयटी'

(TEDX-VIT)' या अनेक्या व्याख्यानमालेचे आयोजन करण्यात आलं आहे. रविवार, १७ मार्चला सकाळी १० वाजल्यापासून विद्यालंकार शैक्षणिक संकुलाच्या सभागृहात ही प्रेरणादायी व्याख्यानमाला पार पडणार आहे. 'महाराष्ट्र टाइम्स' या 'टेडएक्स व्हीआयटी १९'चा मीडिया पार्टनर आहे.

आवड जोपासत घेतलेलं शिक्षण, अनुभवतात आलेले धडे गिरवत काही सामान्य व्यक्ती आपलं असामान्य कर्तृत्व सिद्ध करतात. अशा खास मंडळींची ओळख घेण्यासाठी 'टेडएक्स-व्हीआयटी'च्या माध्यमातून होणार आहे. तेजश्री प्रधान (अभिनेत्री), प्राजक्ता माळी (अभिनेत्री), प्राजक्ता शुक्रे (गायिका), पीडित चंद्रकांत लिमये (गायक), सुजाता रायकर (समाजसेविका), संदेश भट्ट (नाट्यनिर्माता), श्रीराम जोशी (इंजिनीअर आणि संशोधक), डॉ. सदानंद शेट्टी (प्रोफेसर, माजी विभागप्रमुख मेडिसिन अँड काडीओलॉजी), डॉ. डी वाय पाटील (विद्यापीठ), विकास शिरोडकर (मनुष्यवळ तज्ज्ञ), डॉ. यशपाल कदम (डॉक्टर, पण आवड म्हणून शिक्षक), सोरब सिन्हा (विद्यार्थी, कम्प्युटर इंजिनीअरिंग, विद्यालंकार इन्स्टिट्यूट ऑफ टेक्नॉलॉजी) अशा मंडळींचा यंदाच्या टेडएक्समध्ये सहभाग अरगार आहे. विविध क्षेत्रांतल्या या मंडळींचा जीवनप्रवास 'टेडएक्स-व्हीआयटी'च्या मंचावरून उलगडणार आहेत. या कार्यक्रमात सहभागी होण्यासाठी नावनोंदणी करणं अनिवार्य आहे. कार्यक्रमात सहभागी होण्यासाठी आणि कार्यक्रमाच्या अधिक माहितीसाठी <http://tedxvit.com> या वेबसाइटला भेट द्या. संपर्क - अमित : ९८२०३८०१४२, सचिन : ९८२०९६०२९५.

म. टा. प्रतिनिधी, मुंबई

देशाच्या ग्रामीण भागातील नागरिक रोजगारासाठी शहरांकडे येण्याची संख्या आजही कमी नाही. त्यात मुंबईत येणाऱ्या स्थलांतरितांची संख्या हातावाहिर गेली आहे. देशातील निवडक शहरांवर असा भार येत असेल तर इतक्या वर्षांत उर्वरित देशात रोजगार उपलब्ध करण्यात आणून 'सरकार' म्हणून कामी पडत आहेत. याचा विचार प्रामुख्याने व्हायला हवा. ग्रामीण भागात रोजगार का उपलब्ध केला जात नाही? एकट्या मुंबईवरच हा भार कसातो? असा खडा सवाल वडाळ्याच्या विद्यालंकार कॉलेजच्या विद्यार्थ्यांनी उभा केला.

आगामी निवडणुकीच्या पार्श्वभूमीवर 'म हा र घ ट टाइम्स'ने विद्यालंकारमध्ये 'मटा कट्टा'चे आयोजन करण्यात आले होते. यावेळी विद्यालंकारच्या व्हीपी, व्हीआयटी आणि व्हीएसआयटी अशा तिन्ही विभागांतील विद्यार्थ्यांनी रोजगारचे वास्तविक चित्र, वेकारी आणि राजकारण्यांची आस्थासने अशा विषयांवर आपली दिलखुलवस मते मांडली. शहरांचा नाही तर ग्रामीण भागातही प्रचंड टॅलेट आहे. मात्र तेथील विद्यार्थ्यांसही सोयी-सुविधा निर्माण केल्या नाहीत तर करिअरसाठी ते शहरांकडेच वळणार. त्यामुळे रोजगार आणि शिक्षणद्वारे राजकारणातून

विद्यालंकार कॉलेजच्या विद्यार्थ्यांचा सवाल

'मुंबईवर इतका भार का?'

विद्यार्थी म्हणतात...

करायला हवी. अलिकडे राजकारणात इतकी वाईट परिस्थिती आहे की, नागरिकांना त्यातल्या त्यात काम करीत घालेल्या उमेदवारांना

म.स. डिबेट

आमच्यावर पाळत का?

आजच्या डिजिटल फूटपिंटवर भावकार नजर ठेवणारा असल्याच्या खात्रीमुळे तक्रारामागे खळबळ उडाली आहे. म्हणजेच 'घरातूनच' घरातूनच आमच्यावर पाळत काय? याचा विचार करायला लागला आहे. 'म.स. डिबेट'चे आयोजन केले होते. 'म.स. डिबेट'चा मुद्दा अगदी योग्य आहे. पण, त्यासाठी जबाबदार्या समाजीत समेत, सभासद यांचा नजर कशासाठी? असा सवाल या डिबेटमध्ये सहभागी प्रत्येकाच्या विद्यार्थ्यांनी केला.

फ्री वायफाय .. कॉलेज हायफाय

विद्यार्थ्यांना जास्तीतजास्त सुविधा मिळाव्यात म्हणून कॉलेज अधिकाधिक हायफाय होऊ लागली आहेत. प्रोजेक्ट्स, असाइनमेंट सबमिशनसाठी इंटरनेटचा वापर करता यावा म्हणून अनेक कॉलेजांचे कॅम्पस डिजिटल होऊ लागले आहेत.

- कॅम्पस झालेत डिजिटल ■ विद्यार्थ्यांना होतोय फायदा
- मौनिका पाटेल, इराणूर कॉलेज
muntainbox@gmail.com
- कॉलेजामध्ये सध्या परीक्षांचा माहेल असून, विद्यार्थी आपला जमनीत जस्त वेळ कॅम्पसमध्ये घालवण्यास दिसताहेत. त्याच मुख्य कारण म्हणजे अनेक कॉलेजींनी रफलस करून दिलेली मोफत वायफाय सेवा, प्रोजेक्ट्स, असाइनमेंट सबमिशनसाठी पूर्ण करण्यासाठी विद्यार्थी वायफाय सुविधेचा पुरेपूर वापर करून घेऊन दिसताहेत. अनेक कॉलेजांचे कॅम्पस आता डिजिटल झाले असून, विद्यार्थ्यांना त्वचा फायदा होतोय.
 - सैद्धांतिक प्रॉजेक्ट्स, अभ्याससंदर्भात अधिक पाहिले मिळवण्यासाठी विद्यार्थ्यांना इंटरनेटची गरज लागते. प्रत्येक विद्यार्थ्यांचा घरी इंटरनेट सुविधा अस्तेच असते नाही. त्यामुळे कॅम्पसमध्ये मोफत वायफाय सेवांचा त्यांना उपयोग होतोय. त्यामुळे लायब्ररी, कॉरिडोरमध्ये बसून अभ्यास करताना विद्यार्थी दिसू लागले आहेत. अभ्यासालातिरिक्त फेरीटव्हलच्या काळासाठी वायफाय असणे त्यांच्यासाठी उपयुक्त ठरते. कनिष्ठमधले जास्तीत जास्त विद्यार्थी या मिनामूल्य वायफाय सुविधेचा वापर करताना दिसताहेत.
- वायफाय वापरसाठी कॉलेजांचे नियम**
- लेक्चर्सकडे दुर्लक्ष होऊ नये म्हणून काही कॉलेजामध्ये मोफत वायफाय सुविधा बँदीत, कॉरिडोर, लॅब्सची अशा काही उदाहरित ठिकाणीच उपलब्ध आहे.
 - इंटरनेटचा वेग कमी होऊ नये म्हणून एखादेही ठराविक विद्यार्थ्यांना वायफायचा वापर करता येईल.
 - फ्री वायफाय वापरण्यासाठी विद्यार्थ्यांना सॉफ्टवर नोंदणी करणे आवश्यक.
 - लायब्ररीमध्ये वायफाय असल्यामुळे लायब्ररी कर्मचाऱ्यांकडून वायफाय पासवर्ड घेणे बंधनकारक.
 - मोफत वायफाय सुविधेचा वेळेची मर्यादा.
 - लेक्चरदरम्यान वायफायचा वापर करता येणार नाही.
 - सैद्धांतिक वायफायतिरिक्त अन्य वेबसाइटस उघडण्यावर बंदी.

विद्यार्थ्यांना विनामूल्य वायफाय देणारी कॉलेजे... इराणूर कॉलेज, स्रीया कॉलेज, तेरणा सैननीअरिंग कॉलेज, वैजळूर कॉलेज, मुन्नाकर कॉलेज, आनसाधन कॉलेज, सैमप्या कॉलेज, विद्यालंकार कॉलेज, कीर्ती कॉलेज, लाला लजपतराय कॉलेज, भारती विद्यापीठ कॉलेज ऑफ इंजनीअरिंग, सर जे जे स्कूल ऑफ आर्ट, मिल्सई एन्वॉयोरी कॉलेज कॅम्पस, कॉलेज ऑफ होम सायन्स निपला निव्हेनत, लखूर कॉलेज ऑफ आर्टिस्टिक अँड प्लॅनिंग, मीदीबाई कॉलेज, हिंदुज कॉलेज.

The Beginning Of Vidyalankar

> "Work is worship."

Vidyalankar is a union of two Sanskrit words Vidya + Alankar the essence of which is 'True ornament of mind is knowledge'. Vidyalankar started off with the passion of the Founder, Prof. C.S. Deshpande, who needed just a black board and young impressionable minds to impart knowledge. Prof. Deshpande had a brilliant career throughout. His passion for education lead him to give up his brilliant career in the India Railways as Class I gazetted officer to start the Vidyalankar Classes in 1960.

The Trust runs multiple colleges namely, Vidyalankar Institute of Technology, an Engineering Degree & Management College approved by All India Council of Technical Education (A.I.C.T.E), Directorate of Technical Education (D.T.E.) Maharashtra State and affiliated to the University of Mumbai with Electronics Engineering, Electronics & Telecommunication Engineering and Biomedical Engineering programmes accredited by National Board of Accreditation.

Dr. Sanjeewani Deshpande was the Chairman of Vidyalkar Dnyanpeeth Trust. She was such a great inspiration to everyone in the Vidyalkar family. She was so keen on education that she completed her Ph.D. in English in her 80's. With an M.A. in English and an M.A. in Public Administration to her credit, she had more than 35 years of teaching experience at the undergraduate and postgraduate levels in both the domains of English and Public Administration. A passion for education and a student-oriented approach have been her hallmarks of excellence in teaching. She shared a global perspective on education and encouraged research and development activities among faculty and students.

From Chairperson's Desk

Ms. Rashmi Deshpande likewise is devoted to the progress of Vidyalankar. With her philanthropic attitude and her keen interest in the personal development of every single person associated with Vidyalankar. She is naturally as much loved as she is respected. After her M.Sc. in Bio-Chemistry from the University of Mumbai, she went to the U.S.A. for higher education and completed her M.B.A. She is naturally and particularly inclined towards enriching the business of Vidyalankar School and she owes this to her professional background in management studies.

Ms. Rashmi Deshpande

Chairperson

Vidyalankar School of Information Technology

VSIT enjoys the reputation of being one of the finest colleges of higher learning. Its outstanding performance in the field of curricular and co-curricular activities has considerably enhanced its prestige. VSIT provides quality education and high academic ambience for overall development of the students.

It conducts Science (IT), Management, Commerce, Graduate and Post-Graduate courses.

It has foreign collaborations with universities of the stature of Penn State University, California State University, Aston University, Sheffield Hallam University, University of Toledo and Hult International Business School with a high number of students landing campus placements in companies such as Bristlecone (Tech Mahindra), NSE, TCS, L & T Infotech, iGATE, HDFC Securities, Jaro Education, Birla Sunlife, NCR, etc.

The phenomenal success rate of students who emerge as toppers bears testimony to the high esteem that VSIT enjoys in the field of academics.

From Principal's Desk

Vidyalankar School of Information Technology is upcoming as a leading educational institution in the field of Information Technology, Commerce and Management. Our students are making progress not only in academics but also in all walks of life including career prospects. We want to ensure that our students will be capable of thinking critically, solving problems, communicating well and utilizing technology in all possible ways.

Dr. Rohini Kelkar
Principal

We aim at making information available to all our stakeholders through their interaction with VSIT about our current and past students. A highly effective forum www.vsitlive.com gives an opportunity to all students and teachers to remain informed about the events at VSIT and upgrade their information on par with the needs of the modern world.

Our teaching methods also have a professional touch. We prepare students to be competitive in the 21st century by providing Dale Carnegie soft skills development program, pre-placement training, practice sessions for C.V. writing and enhancement of their technical skills through organizing technical seminars. We take pride in generating tech-savvy, innovative and academically excellent professionals.

Mr. Asif K Rampurawala
Vice Principal

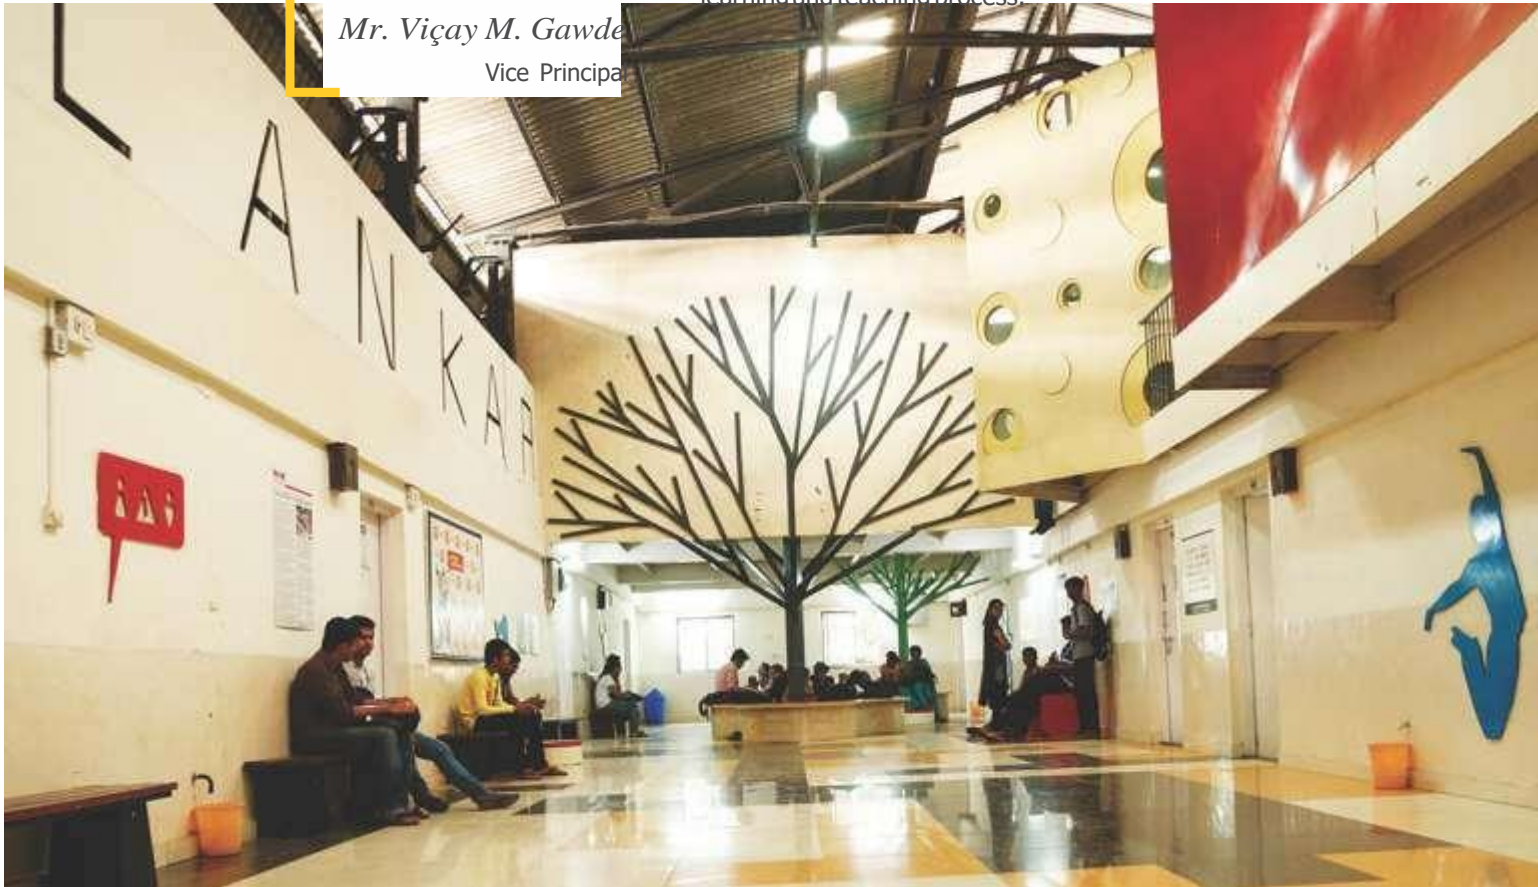

The pursuit of knowledge is truly a noble cause which only we human beings are fortunate to possess. At Vidyalankar, we believe that knowledge (Vidya) is the true ornament (Alankar). In our endeavour towards creating global citizens who are aware of their societal needs, we have undertaken various programmes through student bodies like NSS, CSI, Lifelong Learning and Extension and others. There is lot of information available today to students via the internet but making sense of this information or in other words converting information to knowledge requires guidance. VSIT is place where students from all walks of life and sections of society come to get quality education and holistic development. We continually strive to exceed the expectations of all our stakeholders including students, parents, industry and community.

From the Vice Principal's Desk

The greatest gift education gives us is the capability to mitigate most of the challenges faced in life. The pace of globalization, liberalization and privatization has tremendously influenced the various dimensions of Commerce and Management education which includes finance, marketing, accounting, human resource management, entrepreneurship development, commercial and business law among many others. We at VSIT strive to provide the best of education to our students in this very competitive and fast moving world of commerce and management. We have well qualified and competent faculty members with world class pedagogy being implemented in our learning and teaching process.

Mr. Viçay M. Gawde
Vice Principal

B.Sc.(IT) - Bachelor of Science (Information Technology)

The three year (six semesters) B.Sc.(IT) course aims to synergies Information Technology in all its ramifications. The program provides skills and training to a wide range of students from different educational backgrounds. The focus of the program is Information Technology and Management of Information Technology.

SEMESTER I

- ◆ Imperative Programming
- ◆ Digital Electronics
- ◆ Operating System
- ◆ Discrete Mathematics
- ◆ Communication Skills

SEMESTER III

- ◆ Python Programming
- ◆ Data Structures
- ◆ Computer Networks
- ◆ Database Management Systems
- ◆ Applied Mathematics

SEMESTER V

- ◆ Software Project Management
- ◆ Internet of Things
- ◆ Advanced Web Programming
- ◆ Artificial Intelligence
- ◆ Linux System Administration
- ◆ Enterprise Java
- ◆ Next Generation Technologies

SEMESTER II

- ◆ Object Oriented Programming
- ◆ Microprocessor Architecture
- ◆ Web programming
- ◆ Numerical and Statistical Methods
- ◆ Green Computing

SEMESTER IV

- ◆ Core Java
- ◆ Introduction to Embedded Systems
- ◆ Computer Oriented Statistical Techniques
- ◆ Software Engineering
- ◆ Computer Graphics and Animation

SEMESTER VI

- ◆ Software Quality Assurance
- ◆ Security in Computing
- ◆ Business Intelligence
- ◆ Principles of Geographic Information Systems
- ◆ Enterprise Networking
- ◆ IT Service Management
- ◆ Cyber Laws

BMS - Bachelor of Management Studies

The three year (Six Semester) B.M.S. Course is designed for those students from different educational backgrounds wishing to acquire the skills needed to pursue a high level career in the world of business. The objective of the program is to prepare students to exploit opportunities being newly created in the management profession.

Specialization / Electives will be offered from 3rd Semester onwards.

SEMESTER I

- ◆ Business Communication
- ◆ Introduction to Financial account
- ◆ Business Law
- ◆ Business Statistics
- ◆ Foundation of Human Skills
- ◆ Business Economics
 - Foundation course - I

SEMESTER II

- ◆ Financial Accounting Paper - II (Special Accounting Areas)
- ◆ Auditing (Introduction & Planning)-I
- ◆ Innovative Financial Services
- ◆ Business Communication-II
- ◆ Business Law (Business Regulatory Framework-I)
- ◆ Business Mathematics
- ◆ Foundation Course-II

SEMESTER III

- ◆ Information Technology in Business Management - I
- ◆ Environmental Management
- ◆ Business Planning & Entrepreneurial Management
- ◆ Accounting for Managerial Decisions
- ◆ Strategic Management
- ◆ Any one Elective group Finance Group
 - Basics of Financial Services
 - Corporate Finance
- ◆ Marketing Group
 - Consumer Behaviour
 - Product Innovatios Management
- ◆ Human Resource Group
 - Recruitment and Selection
 - Motivation and Leadership

SEMESTER IV

- ◆ Financial Accounting Paper - IV (Special Accounting Areas)
- ◆ Management Accounting - I
- ◆ Management (Introduction to Management) - I (FC)
- ◆ Business Law Paper - III (Company Law)
- ◆ Information Technology in Accountancy Paper - II
- ◆ Taxation - II (Direct Taxes Paper-II)
- ◆ Research Methodology in Accounting & Finance

SEMESTER V

- ◆ Logistics and Supply chain Management
- ◆ Ethics and Governance
- ◆ Project work
- ◆ Any one Elective group Finance Group
 - Investment Analysis and Portfolio Management
 - Commodity and Directives Market
 - Wealth Management
 - Strategic Financial Management
- ◆ Marketing Group
 - Service Marketing
 - E-Commerce and Digital Marketing
 - Sales and Distribution Management
 - Customer Relationship Management

- ◆ Human Resource Group
 - Finance for HR Professionals and Compensation Management
 - Strategic Human Resource Management and HR Policies
 - Performance Management and Career Planning
 - Industrial Relations

SEMESTER VI

- ◆ Financial Accounting VII

SEMESTER I

- ◆ Financial Accounting - I
- ◆ Cost Accounting - I
- ◆ Financial Management - I
- ◆ Business Communication - I
- ◆ Commerce Business Environment - I
- ◆ Business Economics - I
- ◆ Foundation course - I

SEMESTER II

- ◆ Financial Accounting - II
- ◆ Auditing - I
- ◆ Taxation - I
- ◆ Business Communication - II
- ◆ Business Law - I
- ◆ Business Mathematics
- ◆ Foundation Course - II

SEMESTER III

- ◆ Information Technology in Accountancy - I
- ◆ Commerce - II
- ◆ Business Law - II
- ◆ Business Economics - II
- ◆ Financial Accounting - III
- ◆ Cost Accounting - II
- ◆ Taxation - II

SEMESTER IV

- ◆ Information Technology in Accountancy - II
- ◆ Management - I
- ◆ Business Law - III
- ◆ Research Methodology in Accounting & Finance
- ◆ Financial Accounting - IV
- ◆ Management Accounting - I
- ◆ Taxation - III

SEMESTER V

- ◆ Financial Accounting - V
- ◆ Financial Accounting - VI
- ◆ Cost Accounting - III
- ◆ Financial Management - II
- ◆ Taxation - IV
- ◆ International Finance
- ◆ Financial Analysis and Business Valuation

SEMESTER VI

- ◆ Financial Accounting - VII
- ◆ Cost Accounting - IV
- ◆ Financial Management - III
- ◆ Taxation - V
- ◆ Security Analysis and Portfolio Management
- ◆ Management Control Systems

B.B.I. - Bachelor of Commerce (Banking and Insurance)

It provides adequate basic understanding about Banking, Insurance and other financial services to the students and gives an adequate exposure to operational environment in the field of Banking, Insurance and other related financial services.

SEMESTER I

- ◆ Foundation Course - I
- ◆ Quantative Methods - I
- ◆ Business Communication - I
- ◆ Principles of Management
- ◆ EMFS
- ◆ Financial Accounting - I
- ◆ Business Economics

SEMESTER III

- ◆ FC- Overview of Banking Sector - III
- ◆ Information Technology - II
- ◆ Direct Taxation
- ◆ Organisation Behaviour
- ◆ Financial Markets
- ◆ Financial Management - I
- ◆ Management Accounting

SEMESTER V

- ◆ International Banking and Finance
- ◆ Research Methodology
- ◆ Auditing - I
- ◆ Strategic Management
- ◆ Financial Services Management
- ◆ Business Ethics & Corporate Governance

- ◆ Principles and Practices of Banking & Insurance
- ◆ Business Law
- ◆ Financial Accounting - II
- ◆ Business Communication -II
- ◆ Foundation Course - II
- ◆ Organisational Behaviour
- ◆ Quantitative Methods - II

SEMESTER IV

- ◆ Financial Management - II
- ◆ Cost Accounting
- ◆ Entrepreneurship Management
- ◆ Information Technology in Banking & Insurance -II
- ◆ Foundation Course - IV
- ◆ Corporate & Securities Law
- ◆ Business Economics - II

SEMESTER VI

- ◆ Central Banking
- ◆ Human Resource Management
- ◆ Auditing – II
- ◆ Turnaround Management
- ◆ International Business
- ◆ Project

B.F.M. - Bachelor of Commerce (Financial Markets)

BFM is the course that tenders extensive knowledge on the Financial and Capital Markets. With subjects like Derivatives, Global Capital Markets, Debt Markets, Equity Markets, Security Markets, Risk Management, Forex and Commodities Market (to name a few) this course promises highly skilled and vibrant young professionals.

SEMESTER I

- ◆ Financial Accounting - I
- ◆ Introduction to Financial System
- ◆ Business mathematics
- ◆ Business communication - I
- ◆ Business Environment
- ◆ Business Economics - I
 - Foundation course - I

SEMESTER III

- ◆ Debt Markets -1
- ◆ Equity Market -1
- ◆ Investment banking
- ◆ Taxation
- ◆ Management Accounting
- ◆ Business Law -1
- ◆ Money Market

SEMESTER V

- ◆ Global Capital Markets
- ◆ Regulations Of securities Markets
- ◆ Insurance (Fund) Management
- ◆ Derivatives Markets
- ◆ Foreign Exchange Markets
- ◆ Portfolio Management
- ◆ Project - I

SEMESTER II

- ◆ Financial Accounting - II
- ◆ Principles of Management
- ◆ Business Statistics
- ◆ Business Communication - II
- ◆ Environment Science
- ◆ Computer Skills - I
 - Foundation course - II

SEMESTER IV

- ◆ Debt Markets - 2
- ◆ Equity Market - 2
- ◆ Merchant Banking
- ◆ Computers in Investment
- ◆ Corporate Finance
- ◆ Business Law - 2
- ◆ Foreign Exchange Markets

SEMESTER VI

- ◆ Risk Management
- ◆ Corporate Governance
- ◆ Computer Applications in Financial Services
- ◆ Marketing of Financial services
- ◆ Mutual Fund Management
- ◆ Customer Relationship Management in Financial services
- ◆ Project - II

BMM - Bachelor of Mass Media

The three year (six semester) BMM course aims to provide a strong background in principles of advertising, marketing, journalism and communication. The programme aims to develop soft skills and creativity through presentations, seminars and workshops. The focus of the programme lies in the areas of media, advertising and journalism.

SEMESTER I

- ◆ Effective communication skill - I
- ◆ Fundamentals of Mass Communication
- ◆ Introduction to computers
- ◆ History of the world, India and Maharashtra
- ◆ Introduction to Sociology
- ◆ Introduction to Economics

- ◆ Contemporary Issues

JOURNALISM

- ◆ Contemporary Issues
- ◆ Press Laws and Ethics
- ◆ Broadcast Journalism
- ◆ Business and Magazine Journalism
- ◆ News Media Management
- ◆ Internet and Issues in the Global media

M.Sc (IT) - Master of Science (Information Technology)

A 4 semester(2year) postgraduate program, affiliated to the University of Mumbai, M.Sc.(IT) course is designed to develop the skills required to be able to deliver electronic information services and beautifully functioning member of any information related team within an organization. This course gives a comprehensive and state-of-art treatment of all the important aspects of Information Technology and Computing.

SEMESTER I

- ◆ Data mining
- ◆ Distributed Systems
- ◆ Data Analysis
- ◆ Software Testing

SEMESTER III

- ◆ Embedded System
- ◆ Information Security Management
- ◆ **Elective I (Any one)**
 - Virtualization
 - Artificial Neural Networks
- ◆ **Elective II (Any one)**
 - Digital Image Processing
 - Ethical Hacking

SEMESTER II

- ◆ Mobile Computing
- ◆ Advanced Computer Networks
- ◆ Cloud Computing and Ubiquitous System
- ◆ Advanced Database System

SEMESTER IV

- ◆ Artificial Intelligence
- ◆ IT Infrastructure Management
- ◆ **Elective I (Any one)**
 - Intelligent system
 - Real time embedded System
 - Computer Forensics
- ◆ **Elective II (Any one)**
 - Design of Embedded Control System
 - Advanced Image Processing
 - Cloud Management

M.Com. (B.F.) - Master of Commerce (Banking and Finance)

M.Com. Banking and Finance is a postgraduate Banking course, which includes the study of the concepts of Banking, Banking Law, Finance and Financial Management. It is a degree program in which, apart from a general course study in Commerce, the primary focus is on the systematic study of the concepts in the specialised subjects and topics related to Banking & Finance circles. The duration of the course is two years and it is an important one that provides many career scopes to the applicants after its successful completion.

> SEMESTER I

- ◆ Cost and Management Accounting
- ◆ Ethics and Corporate social Responsibility
- ◆ Economics for Business Decisions
- ◆ Strategic Management

> SEMESTER II

- ◆ Research Methodology
- ◆ Macro Economics-concepts and application
- ◆ Corporate Finance
- ◆ E-Commerce

> SEMESTER III

- ◆ Financial Market
- ◆ Debt Market
- ◆ Commercial Bank Management
- ◆ Project

> SEMESTER IV

- ◆ Financial Services
- ◆ Investment Management
- ◆ Auditing of Banking Sector
- ◆ Project

M.Com. (Accounting) - Master of Commerce in Advanced Accounting

Master of Commerce (M.Com) Programme is a two Year Integrated Programme consisting of four semesters. The programme provides information and develops skills pertaining to Business, Corporate and Global Reforms. In addition to providing an insight into application of economic principles in business decisions, it also intends to widen analytical ability of the students.

> SEMESTER I

- ◆ Cost and Management Accounting
- ◆ Ethics and Corporate social Responsibility
- ◆ Economics for Business Decisions
- ◆ Strategic Management

> SEMESTER II

- ◆ Research Methodology
- ◆ Macro Economics-concepts and application
- ◆ Corporate Finance
- ◆ E-Commerce

> SEMESTER III

- ◆ Financial Accounting
- ◆ Cost Accounting
- ◆ Taxation
- ◆ Project

> SEMESTER IV

- ◆ Corporate Financial Accounting
- ◆ Introduction to Indirect Tax (GST)
- ◆ Financial Management
- ◆ Project

Courses that take you Across the World

Objectives of the Collaboration

Continuing the legacy of providing quality education, Vidyalkar has collaborated with prestigious Universities in the US and UK.

The objective of these collaborations is to provide to students the Bachelor Degree that would be accepted internationally.

This alliance will facilitate the most meaningful educational experience in Engineering and Management to Indian students interested in experiencing the Global Education and Culture. The program provides a unique opportunity to Indian students to benefit from both the systems of education at the undergraduate level itself and thus acquire the skills necessary to meet the challenges of tomorrow's globally competitive world.

Joint Programs offer the following benefits:

- Internationally recognized degree at an affordable cost.
- Enhanced career opportunities with study in both India and USA/ UK.
- Potential to work part time while studying.
- Opportunity to apply for progression to Master Course at the same university or potential to work after graduating.

Vidyalankar Institute for International Education

Penn State University, Pennsylvania, USA

BS (IST) : Bachelor in Information Science & Technology
2 years with Vidyalankar and 2 Years with Penn State University, USA.

This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Penn State University for the completion of their Bachelors of Science Degree in IST(Information Science and technology) which they will receive from Penn State.

Rutgers University, Camden, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with Rutgers University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Rutgers University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from Rutgers University.

California State University, Monterey Bay, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with California State University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to California State University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from California state University.

Vidyalankar Institute for International Education

University of Fraser Valley, British Columbia, Canada

BCIS (Bachelor of Computer Information Systems)

2 years with Vidyalankar India and 2 Years with Fraser Valley University, CA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to University of Fraser Valley for the completion of their Bachelors of Degree in Computer Information Systems which they will receive from University of Fraser Valley.

The University of Toledo, Ohio, USA

BBA (Bachelor in Business Administration)

2 years with Vidyalankar and 2 years with the University of Toledo, US. This gives opportunity for students studying BMS at Vidyalankar to transfer as third year students to the University of Toledo to complete their Bachelor Degree in Business Administration.

University of South Carolina (Aiken & Beauford)

BS(Computational Science)

2 years with Vidyalankar and 2 Years with University of South Carolina USA. This gives an opportunity for students studying in B.Sc.(IT) at Vidyalankar School of Information technology to transfer as a third year student to University of South Carolina for completion of their BS degree in Computational Science which they will receive from University of South Carolina. Concentration available cyber security and Advanced gaming.

Vidyalankar Institute for International Education

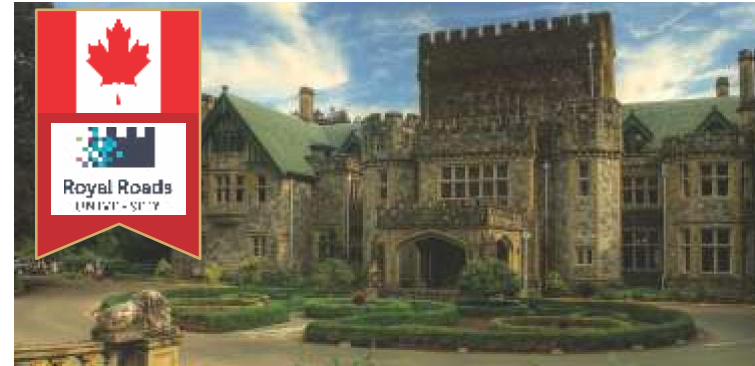

University of Royal Roads, British Columbia, Canada

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India and 2 Years with University of Royal Roads University, CA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to Royal Roads University, Canada for the completion of their Bachelor's Degree in Business Administration which they will receive from Royal Roads University, Canada.

Glimpses of Our Students Abroad

Infrastructure

Laboratories :

All the Laboratories are equipped with modern equipments that allow students to practice the theory that they learn in the classroom. Separate labs are available for under-graduate and post-graduate students.

A total of 250 computers are installed in Computer Laboratories for computer practical work and adequate kits in Electronic Laboratories for conduct of electronic practical work.

Students' Activity Centre :

Students' Activity Centre exists to provide a wide range of services, activities and an opportunity to build campus community involving students and staff with equal opportunities. The internal website gives information about forthcoming events and also explains how to get involved in other social activities in the Institute.

Infrastructure

A powerful architectural design can affect human psyche and duly contribute in building a great Institution. The campus offers students a vibrant and an attractive setting for their studies.

The institute is housed in a high performance building which is thermally, visually and acoustically comfortable, safe, secure and easy to maintain and operate. The idea is to incorporate nature's "free" services (wind, sun, thermal properties, greenhouse principles and light) to create a high quality indoor environment.

Central Library :

The Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers.

Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library. The library provides areas for group work as well as silent study. Users can access e-journals such as EBSCO, IEEE Explore and J-Gate Plus.

Auditorium / Seminar Halls :

The institute has an Auditorium and six seminar halls on the campus with a state of the art amenities. The auditorium has a capacity of approximately 300 persons and each of the seminar halls can house a 100 people at an average.

Infrastructure

Cafeteria :

The Institute has good cafeterias with adequate space that offer food items to cater to different tastes. Utmost care is taken to maintain cleanliness and hygiene.

Sports Centre :

The Institute appreciates the boisterous, physical and mental energy of the students that needs a proper channel to express itself. Thus, it aims to promote and improve the sporting prowess of the students and provide opportunities to develop various skills appropriate to both sport and life.

The Institute has a provision for Indoor and Outdoor Games. The campus has two playgrounds to play games like football and cricket. The students can also relax by playing indoor games like chess, carrom, table-tennis, badminton, etc.

Special summer camps are organized for training budding talents in sports. There is a full-time sports-in-charge available on campus to manage sports activities.

Infrastructure

VPrint:

The Institute has a world class automated in house print facility. This system enables students to issue print commands from virtually anywhere in the world at the most affordable prices.

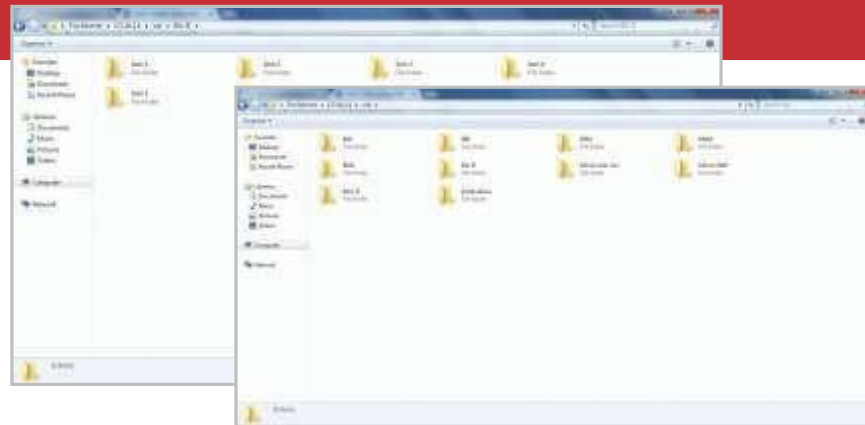

Vidyalankar Live :

The Institute is one of the very few colleges to have its own academic social networking portal. This award winning portal attracts more than 1.5 Lakhs hits per day. Recently an Android Application for this portal was released on the Google Play Store (Android Markets). The whole project is fully managed and developed by students.

V Refer :

V Refer is a digital library which enable users to access video lectures, presentations, documents etc. It allows users have their own personal briefcase. They have an option to share it with other users or share it across the globe.

Infrastructure

Vidyalankar Wi-fi :

The Institute is powered with wireless access points which is centrally controlled. This enables students and faculty members to seamlessly browse high speed internet from any wireless device.

Advice Centre :

The Activity Centre runs an Advice Centre staffed by trained advisors, which is open to all students. It advises students on many issues including finance, academic problems, welfare. A trained counselor is available on select days of the week on campus.

Reading Hall:

A separate Reading hall is created for general reading and an Open Access Reference section is provided a Multi-Media section and high speed Internet browsing for instant access to the internet.

Publications

V-Think :

It is a monthly Departmental Magazine of the Department of Commerce and Management. Compiled articles from students and faculty members are published here.

Student Media :

Vector: Recognizing the need to provide students with broader perspectives on campus issues, world and national issues related to technology and career planning, Vidyalankar has tied up with the prestigious daily DNA and initiated the newsletter 'VECTOR'. It aims to acquaint students with national and world events and encourages them to write articles and develop a reading habit. Around 15000 copies of Vector are printed every month (8 issues per year) and distributed free of cost to all at the institute.

Vihaan: It is an annual college magazine.

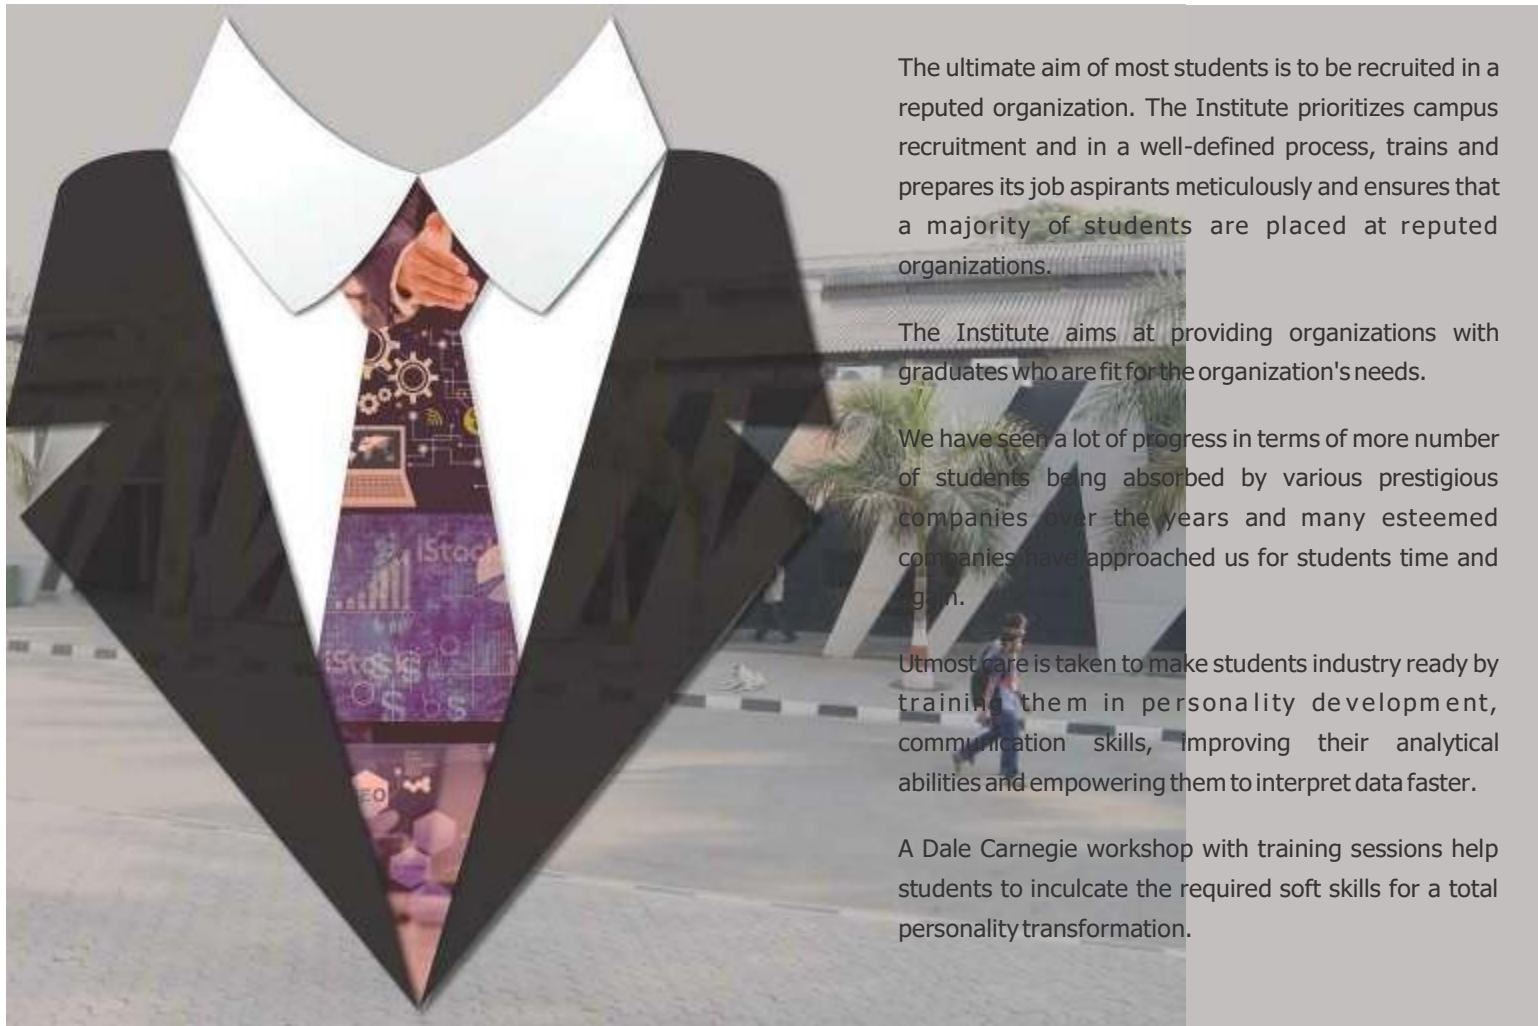

V-Tech:

It is a monthly Departmental Magazine of the Dept of Information Technology. It consists of compiled articles of students and faculty members and contains reports of activities conducted during the month.

We Place You at The Right Position

The ultimate aim of most students is to be recruited in a reputed organization. The Institute prioritizes campus recruitment and in a well-defined process, trains and prepares its job aspirants meticulously and ensures that a majority of students are placed at reputed organizations.

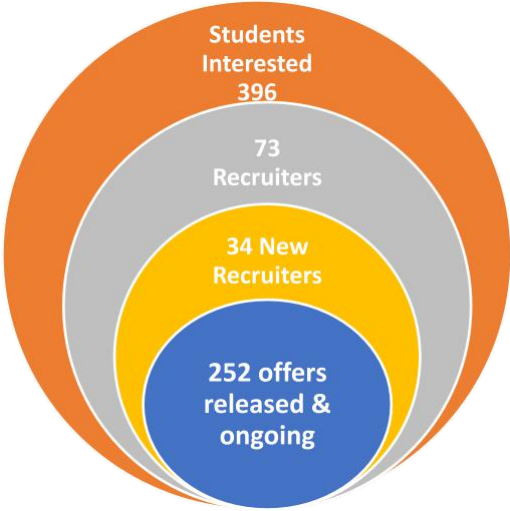

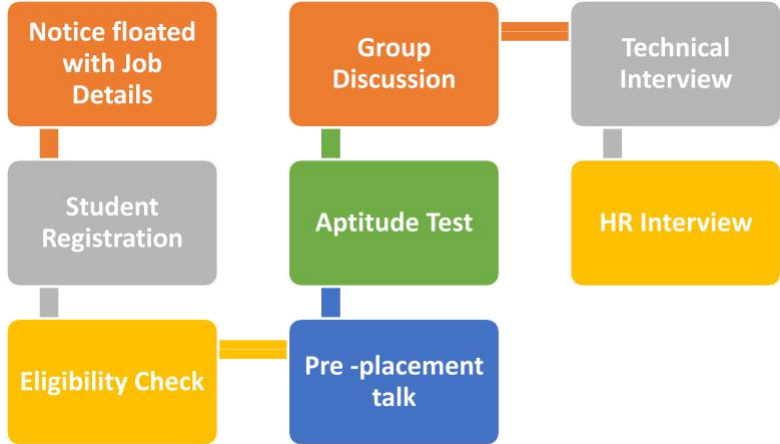

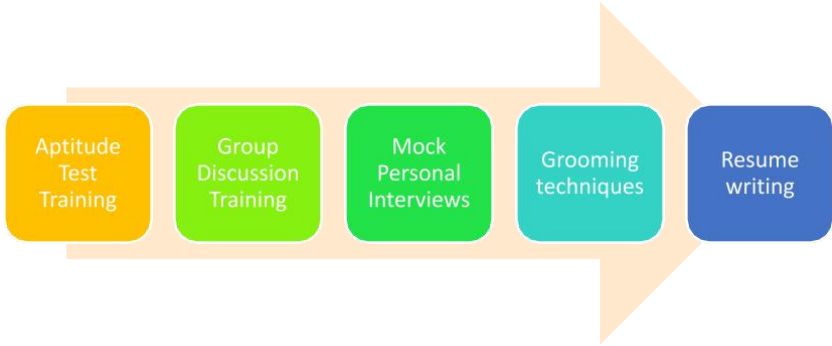

The Institute aims at providing organizations with graduates who are fit for the organization's needs.

We have seen a lot of progress in terms of more number of students being absorbed by various prestigious companies over the years and many esteemed companies have approached us for students time and again.

Utmost care is taken to make students industry ready by training them in personality development, communication skills, improving their analytical abilities and empowering them to interpret data faster.

A Dale Carnegie workshop with training sessions help students to inculcate the required soft skills for a total personality transformation.

Alumni Connect

Staying in Touch

Staying in Touch

An active alumni association is one of the strengths of an academic institution. Alumni can be great role model for the current students. Their expertise and industry experience can be extremely useful in guiding the students to choose right path to career. Moreover, they are the valued partners and ambassadors of overall development of the academic institution.

VSIT alumni association is just a decade old but still its strength has been increasing day by day. Every year, college organises "Alumni Meet" in the month of December which is well attended by past students. VSIT Alumni directory is an effort to create database through which we would remain well connected with our students even they are off the campus. I am sure the task of creating and updating Alumni Directory will help in involving the alumni in educational and research activities of VSIT.

Alumni Association of VSIT organizes a cricket match named Alumni Premier League (APL) to increase the alumni involvement and attachment towards the institution.

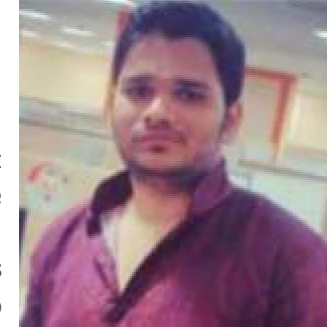

Alumni Connect

**Mr. Aniket Singh - B.Sc.(IT) 2011 -
Management Trainee at Marsh India**

I am glad to have chosen Vidyalankar for my Under-Grad course. The faculty and course material provided to us just got better with each passing year. The infrastructure at VSIT stands out and to me is one of the finest in the city. The placement assistance and the mentoring by the professors has been the biggest take away for me. The best part about the institute is the way it continues to support and guide their students both present and alumnus. The student life at VSIT is a perfect blend of circular and curricular activities and empowers the students to bring the best out of them.

**Mr. Sachin Annam- B.SC IT 2011-
Developer and Designer at L&T
Infotech**

In college days, I used to be bit reluctant in fact afraid while speaking to Professors or giving presentations. But my professors always encouraged me to overcome fear with their friendly nature – which boosted my confidence. We used to have technical presentations at regular intervals which improved our presentation skills. College is equipped with computer labs - open for everyone to improve their programming skills.

Today, I am doing good at professional front – credit goes to my professors who always taught us to focus more on practical knowledge rather than depending on theoretical stuff.

Mr. Dominic Gouveia - BMS 2013 - Research Analyst at Crisil Limited

My 3 wonderful years at VSIT had been nothing short of surprises and can be characterized by - the people I met, the friends I made, the professors that influenced me, the opportunities provided to me; all of which are integral in making me better today and preparing me for the real world. VSIT prepared me to not just be any student waving around a graduate degree, they helped me visualize my goals and reach out towards them, be confident but moreover I learnt how to be a better person. Somewhere, deep down inside of me, I do believe those long hours on presentations, meeting deadline goals, organising Shanivaar Manch (hobby club) events and college festival and extracurricular activities paid off well. But I owe most of my gratitude to the college for encouraging extracurricular activities to help students to be exposed to new and different situations, especially the NSS -The NSS was a stepping stone towards helping me grow individually as a person. It gave me a platform to throw my shyness out of the window and inability to come out of my shell and develop self-confidence, leadership traits and the likes of it.

Student Speak

Jignesh Chauhan
T.Y.B.Sc.(IT) - A

One of the most interesting stages in life that gives you an opportunity to explore is the college phase. My experience in Vidyalankar is something which can't be expressed in few lines all I can say that it was a beautiful journey throughout three years, where you can explore knowledge and study in such a good environment which helps you think beyond your dreams.

Vinyas Shetty
T.Y.B.Sc.(IT) - B

College life is a very important part of every individual's life. Time really flies, it feels like it was just yesterday that I got into college. The past 3 years have been amazing here at Vidyalankar School of Information Technology. You literally have the best of everything out here, from infrastructure to faculty. The cool and ever-ready to help

teachers will always have your back and the friendly non-teaching staff will never let you down. I've learnt a lot being here, things that surely would help in future. It sure was a good ride.

Wasif Mukadam
T.Y.B.Sc.(IT) - B

Time just slipped off and three glorious years at VSIT have come to an end. I cherished each and every moment spent at this campus with loving and motivating professors who always shared their expertise to enrich our lives with knowledge which will guide us in our future. The helpful and cheerful nonteaching staff always were ready to help us and made life very smooth and easy at VSIT. Just can't forget the wonderful ambiance of our campus which was relaxing, the wonderful canteen which served us with nutritious and tasty food last but not the least the enriching programmes conducted by our college. I would like to thank each and every member of VSIT to enrich our lives with quality education.

Student Speak

Chirag Shah
T.Y.BFM

Due to the rapid growth of financial sector in India there are plenty of opportunities in this area. BFM in Vidyalankar provides various opportunity to get the practical aspects of financial market including stock market trading which help the students to make a good career.

Pranita Patil
T.Y.BFM

BFM Program typically focus with comprehensive understanding of financial market, interpersonal skills and professional insight in the field of finance. The students who want to explore in the area of finance, BFM in VSIT is the best option.

Prajakta Rawool
T.Y.BMM

VSIT is best at studies, curriculum, extra-curricular activities, also the college campus is very positive. VSIT college is career oriented. One can also get to know how students here are motivated to realize their full potential. The BMM department offers guest lectures very frequently to students, where Young minds are nurtured and guided here to face the challenges of the professional world by

making them academically competent and industry-ready. "MAADHYAM" & "V-Chitra" are 2 prominent Media fest organised by The BMM department of VSIT. Opportunities here at VSIT are great!

The faculties are very formally friendly & ready to help whenever you need them.

Student Speak

Vidyalankar has been instrumental in shaping up my personality to become a confident and motivated individual along with strong values and principles which form the backbone of the exemplary institution that is Vidyalankar. From a vast array of opportunities available for students to grow and develop their personalities, to the appreciation and recognition of every student's achievement, Vidyalankar has it all that one would expect from a great institution.

Soumya Marar
T.Y.BMS

Disha Singh
T.Y.BMS

The journey at Vidyalankar has been incredibly great and I have quite evolved in these preceding 3 years, so much that now I am ready for the next level challenges. I am extremely thankful to this college for providing me with all the quintessential resources needed for my growth and development, whether it's the libraries, time-to-time conducted workshops, seminars, training and development programs, value added courses, guest lectures- everything has helped me a lot in getting closer to my dreams. It gives me an immense pleasure to share about my achievements as a student of Vidyalankar wherein, I have been awarded for scoring highest marks in the subjects like Industrial law, Environmental Management, Information Technology-II etc, this is something which always kept me motivated to be consistent and do well in academics. Apart from having academic proficiency, I have actively participated in many social and cultural events, being a part of Student Council and Extension Unit that has really helped me to get exposed to numerous possibilities of learning new things and molded my personality in the best way possible. Also, I crossed zonal round of University 'Avishkar' research convention and won 2nd prize at National level research conference 'Vsearch'. I have been pushed to be a part of Inter College festivals such as Dance, Street play, Research Convention held in our college as well as in other colleges through which I have learned to compete in a healthy manner and realize my potential. Here at Vidyalankar, I have grown not only as a good student but also as a good human being.

Committees

The main aim behind establishing several committees at VSIT was to facilitate proper and effective functioning of the institute. Proper care is taken to ensure effective management of the committees to benefit both students and faculty members.

ALUMNI COMMITTEE

The motive behind creating this committee was to establish contact with the alumni who are committed to promoting the welfare of the institute supporting its traditions and goals and enhancing the institutes fame locally & globally.

The committee aims at identifying & nurturing the skills required for an entrepreneur in the students and giving them solutions that create sustainable economy to create a successful business and a significant realizable value for self-community and nation.

ENTREPRENEURSHIP DEVELOPMENT COMMITTEE

FINAL YEAR PROJECTS QUALITY ASSURANCE COMMITTEE

This committee ensures that the students prepare very meaningful useful projects. It makes the students think the main motive of the committee is to inculcate project handling skills in students.

This committee is constituted to ensure that there is access to wholesome food on the campus & that the cafeteria & kitchen premises conform to high standards of cleanliness. It regularly monitors matters related to pricing, variety, meal plans, address issues & concerns from the college community regarding the food services.

FOOD & BEVERAGES COMMITTEE

ANTI-RAGGING COMMITTEE

Ragging is an offence by law. It is punishable offence. Ragging is viewed as very serious act and the Hon'ble Supreme Court has issued very strict orders to curb ragging in educational Institute.

This committee works towards designing an effective curriculum which prepares students for jobs in multinational companies by exposing them to the newest technologies and practical methodologies by way of strategic collaboration with industries.

INDUSTRY- INSTITUTE INTERACTION COMMITTEE

LABORATORY DEVELOPMENT COMMITTEE

This committee takes every step to provide best facilities in the institute laboratories leading the research environment and creating "Centers of Excellence" in the technological field.

The purpose of the Library Committee is to assist in developing operational procedures suggest various measures for improvement and development of the library resources and formulate both personal & fiscal polices which would enable the students to make optimum use of library and inculcate reading habits in them.

LIBRARY COMMITTEE

PARENT INTERACTION COMMITTEE

This committee was designed keeping in mind parent's crucial role in the occupational aspirations of their children. The committee provides a common forum for interaction of parents and teachers so as to exchange feedback and jointly motivate the student to put in his / her best efforts.

Committees

PERSONALITY ENRICHMENT COMMITTEE

The committee organizes & co-ordinates an interesting blend of courses ranging from soft skills to grooming sessions to equip individuals to qualitatively upgrade their life and career. The training programs are specially designed to enhance skills such as team-building, assertiveness & confidence building, aimed at raising employee morale.

The committee facilitates prospective employers by organizing institute-industry interactions regularly, providing complete support for arranging placement activities on the campus & recommending students to them for internship & placement. It organizes pre-placement training by way of group discussions, personal interviews & workshops on personality enrichment & Communication Skills in an attempt to equip students with the necessary skills required to meet the challenges of recruitment.

PLACEMENT COMMITTEE

RESEARCH & DEVELOPMENT COMMITTEE

The committee focus on providing an atmosphere conducive to research & development for faculty & students by entering into strategic collaborations with industries & other institutes at the national & international levels. The key goal is to initiate & give the proper impetus to research activities which would contribute to further developments in an increasingly tech-savvy world.

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is be to create a professional bonding which helps enhance domain knowledge and pedagogy skills.

STAFF DEVELOPMENT / WELFARE COMMITTEE

CAREER COUNSELLING COMMITTEE

The committee caters to the counsel the students into not only professionally and academically but also ethically and personally, so as to ensure a comprehensive development of the students. Committee shall focus on improving institutional effectiveness by integrating strategic training courses with the existing curriculum.

To provide all round development to the students in terms of co-curricular and extra-curricular activities, the student council committee organizes the events in a planned manner. It provides a stress relieving non-academic interaction for students at the end of an intensive academic week. It engages the students in qualitative activities in post academic hours to develop a sense of attachment to the college.

STUDENT'S COUNCIL COMMITTEE

VIDYALANKAR VOLUNTEERING COMMITTEE

The committee motivate students to willingly participate in 'on-the field' social service activities, build partnerships with NGO's to address common goals and raise awareness of volunteering as it is also an important part of the role of educators.

It has always been the endeavor of VSIT to promote and preserve Marathi Literature, Language & culture. VSIT has always been a torch bearer of Marathi tradition. VSIT has a special committee – "Marathi Vangmay Mandal" which always strives for the arrangement of various programs in Marathi. The objective of this Committee is to promote the importance of preserving Marathilinguistic, literature & culture for the younger generation.

MARATHI VANGMAY MANDAL

WOMEN DEVELOPMENT CELL COMMITTEE

The committee seeks to promote respect for women at the workplace, address feminist issues, identify problems of working women and try to resolve them in a well-negotiated manner. This is achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

CORPORATE COMMUNICATION COMMITTEE

The purpose of this committee is to develop, update, and enhance accessibility of the Internal and External websites to benefit all existing members of the institution. It coordinates efforts to design a creative and flexible website while maintaining current and relevant content and increasing usability.

This committee has been formulated in order to make all students and employees aware of the complaint handling process. This system would ensure that redressal sought is just and fair and is within the given framework of rules and regulations. The committee shall discuss & analyze the causes for the complaints, the complaint resolution process & to discuss the progress and action plan on the same.

GRIEVANCE REDRESSAL COMMITTEE

INTERNAL COMPLAINT COMMITTEE

The Internal Complaints Committee is constituted according to 'The Sexual Harassment at Workplace(Prevention, Prohibition and Redressal) Act, 2013'. Along with this Act, the ICC seeks to adhere to the spirit of Vishakha guidelines preceding this legislation.

Faculty

The Institute is empowered with its highly experienced and committed team of faculty, easily one of the best amongst un-aided institutes in the region.

They are endowed with rich academic, industrial, research and project experience to execute and implement Design, Development, Research and Consultancy Projects in diverse technological and management domains. This can be attributed to their solid theoretical foundation coupled with practical know-how and expertise.

Information Technology

Management, Commerce & Arts

VSIT
Staff

Lab

Administration

Initiatives

Life Long Learning and Extension

It teaches goal setting, planning & time management. It promotes a meaningful and sustained rapport between the universities and community. The projects offered are vocational career oriented / community oriented projects. Each students is required to put in 120 hours of work.

V-Search

VSIT created a research platform for students in the form of V-search. It consisted of Research paper Presentation competition for students at intra- College and Inter-college level. V-Search is an attempt to encourage and motivate students to give an insight into research so that they can enhance their literary skills and pursue their passion for research at an early stage.

Initiatives

VERVE & VIGOUR 2018-19

College festivals are the most effective way of bringing youth under the same platform, enhance social interactions and facilitate exchange of cultural ideas and thoughts.

Verve, the annual college festival organized by VSIT is a vibrant roof under which many upcoming talents have showcased their skills and abilities and even this year the festival had something for everyone. The event enjoyed massive publicity and popularity and was a true delight for every college student because of its refreshing experience.

Initiatives

Spoken Tutorial

The Institute conducts spoken tutorial an IIT Bombay project for students as well as for faculty members.

Placement Team

VSIT Training and Placement Cell provides placement opportunity to all courses.

The Role and Activities of Placement Cell are -

- Career Awareness Sessions.
- Model aptitude tests, mock Group discussions and Interviews to excel in the recruitment process.
- Arranging Industrial Visits, Guest Lectures and Industry-Institute Interactive activities and summer placements.

AAP Workshop

Academic Administration Plan (AAP) workshop is conducted by the Institute in beginning of every semester, where teaching faculties plan for the semesters, lecture, assignments, tutorials and beyond curricular.

Initiatives

Shanivar Manch

The objective of 'Shanivar Manch' is to inspire students to pursue a hobby and explore their potential in music, photography, paintings, star gazing, web designing, trekking etc. 'Shanivar Manch' encourages students to participate in recreational activities, thus providing an opportunity for networking, team building and personality development. This is organized by students for students.

The various activities conducted as part of Shanivar Manch are:

- Workshops : Chess, Rangoli, Nail Art, Sari Designing etc.
- Movie Screening : Inspirational and educative
- Sports Competitions : Inter and Intra college
- Dance : National and International dance forms
- Music Session : College bands performing for their fellow students
- Quizzes and debates

V-CMT 2019

It was one of those proud moments for VSIT – a bold step which has taken the institute closer to its dream of a research university! VSIT organized a two days National Research Conference V-CMT 2016 on the theme India 2025 : A Vision for Next Decade.

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service. Today, NSS has more than 3.2 million student volunteers on its roll spread over 298 Universities and 42(+2) Senior Secondary Councils and Directorate of Vocational Education all over the country. From its inception, more than 3.75 crore students from Universities, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

Life Long Learning & Extension Unit

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the University and the community.

Its Mission and Goals include promoting the aims and values of human development in community colleges and universities. It also provides a forum for the exchange of ideas, innovation, research and students. It aims to increase their presentative voice of those traditionally ignored in society. In short it increases student interaction with the world outside.

Glamour Quotient at Vidyalkankar

The Wadala campus of Vidyalkankar is a blend of academics and entertainment. Through the year, the campus has been peppered with various interesting activities. While the glam quotient keeps the students charged, the main focus of the institute is providing best facilities in education and training.

It is important to provide students the best of education in a modern environment synergic with today's corporates.

Equally important is to design a number of activities that make students sure-footed and groom them into global citizens.

रुचीला

'स्वरालंकार'

अजय उभापे, विद्यालंकार इन्स्टिट्यूट ऑफ टेक्नॉलॉजी

सत्यम-शिवम-सुंदरम, विदुनामाचा गजर, एक राधा-एक मीरा, मैली चांदर अशा गजल, अभंग, भावगीत आणि भजनांच्या सुरुंनी विद्यालंकार कॉलेजचा कॅम्पस तुमुदुमला होता. विद्यालंकार ज्ञानपीठ ट्रस्ट आयोजित 'स्वरालंकार-पर्व १'चा अंतिम सोहळा सोमवारी कॉलेजमध्ये रंगला. महाराष्ट्रभगतून निवडल्या गेलेल्या अंतिम सोळा स्पर्धकांमध्ये हा सामना रंगला. केवळ अभंग, भावगीत, भजन आणि गजल गाण्याचीच मुभा असताना या स्पर्धेत अनेक गायक तरुणींनी हजेरी

स्वरालंकारच्या निमित्ताने एवढ्या मान्यवर मंडळीसमोर गाण्याची संधी मला मिळाली हे मी माझं भाग्य समजते. आनंद भाटे यांच्या समोर गाण्याची संधी मिळणं हे माझं स्वप्न सत्यात उतरल्यासारखं आहे. शिवाय कौशल इनामदार आणि इतर मान्यवर परीक्षकांकडून मिळालेलं मार्गदर्शन आम्हा सगळ्याच स्पर्धकांसाठी मोलाचं ठरलं. शिवाय मी गेल्या दहा वर्षांपासून संगीत प्रशिक्षण घेत असलेल्या माझ्या गुरु स्वरदा सोहनी यांच्याशिवाय हे यश मिळवणं शक्य झालं नसतं.

-रुची फॉन्सेका, विजेती

उलगडणार विविध क्षेत्रांतल्या मान्यवरांचा प्रवास

महाराष्ट्र टाइम्स मीडिया पार्टनर

ध्येयवेदी माणस आपलं ध्येय गाठण्यासाठीचा प्रवास सुरू करण्यापूर्वी स्वतःमध्ये डोकावून पाहतात. एकदा का आपल्या सामर्थ्याचा शोध लागला की, ध्येय गाठण्यासाठी ती झपाटून कामाला लागतात. दिवस-रात्र, तहान-भूक विसरून हा प्रवास सुरू होतो. यशस्वीरित्या स्वतःचा शोध घेतलेल्या ध्येयवेद्यांच्या जीवनाविषयी आणि त्यांच्या कामाविषयी अनेकांना उत्सुकता असते. वेगवेगळ्या क्षेत्रातल्या अशाच काही मंडळींची ओळख करून देण्यासाठी वडाळ्याच्या विद्यालंकार कॉलेजमध्ये 'टेडएक्स-व्हीआयटी

(TEDX-VIT)' या अनोख्या व्याख्यानमालेचे आयोजन करण्यात आलं आहे. रविवार, १७ मार्चला सकाळी १० वाजल्यापासून विद्यालंकार शैक्षणिक संकुलाच्या सभागृहात ही प्रेरणादायी व्याख्यानमाला पार पडणार आहे. 'महाराष्ट्र टाइम्स' या 'टेडएक्स व्हीआयटी १९'चा मीडिया पार्टनर आहे.

आवड जोपासत घेतलेलं शिक्षण, अनुभवतात आलेले धडे गिरवत काही सामान्य व्यक्ती आपलं असामान्य कर्तृत्व सिद्ध करतात. अशा खास मंडळींची ओळख घेण्यासाठी 'टेडएक्स-व्हीआयटी'च्या माध्यमातून होणार आहे. तेजश्री प्रधान (अभिनेत्री), प्राजक्ता माळी (अभिनेत्री), प्राजक्ता शुक्रे (गायिका), पीडित चंद्रकांत लिमये (गायक), सुजाता रायकर (समाजसेविका), संदेश भट्ट (नाट्यनिर्माता), श्रीराम जोशी (इंजिनीअर आणि संशोधक), डॉ. सदानंद शेट्टी (प्रोफेसर, माजी विभागप्रमुख मेडिसिन अँड काडीओलॉजी), डॉ. डी वाय पाटील (विद्यापीठ), विकास शिरोडकर (मनुष्यवळ तज्ज्ञ), डॉ. यशपाल कदम (डॉक्टर, पण आवड म्हणून शिक्षक), सोरब सिन्हा (विद्यार्थी, कम्प्युटर इंजिनीअरिंग, विद्यालंकार इन्स्टिट्यूट ऑफ टेक्नॉलॉजी) अशा मंडळींचा यंदाच्या टेडएक्समध्ये सहभाग अरणार आहे. विविध क्षेत्रांतल्या या मंडळींचा जीवनप्रवास 'टेडएक्स-व्हीआयटी'च्या मंचावरून उलगडणार आहेत. या कार्यक्रमात सहभागी होण्यासाठी नावनोंदणी करणं अनिवार्य आहे. कार्यक्रमात सहभागी होण्यासाठी आणि कार्यक्रमाच्या अधिक माहितीसाठी <http://tedxvit.com> या वेबसाइटला भेट द्या. संपर्क - अमित : ९८२०३८०१४२, सचिन : ९८२०९६०२९५.

म. टा. प्रतिनिधी, मुंबई

देशाच्या ग्रामीण भागातील नागरिक रोजगारासाठी शहरांकडे येण्याची संख्या आजही कमी नाही. त्यात मुंबईत येणाऱ्या स्थलांतरितांची संख्या हातावाहिर गेली आहे. देशातील निवडक शहरांवर असा भार येत असेल तर इतक्या वर्षांत उर्वरित देशात रोजगार उपलब्ध करण्यात आणून 'सरकार' म्हणून कामी पडत आहेत. याचा विचार प्रामुख्याने व्हायला हवा. ग्रामीण भागात रोजगार का उपलब्ध केला जात नाही? एकट्या मुंबईवरच हा भार कसाळा? असा खडा सवाल वडाळ्याच्या विद्यालंकार कॉलेजच्या विद्यार्थ्यांनी उभा केला.

आगामी निवडणुकीच्या पार्श्वभूमीवर 'म हा र घ ट टाइम्स'ने विद्यालंकारमध्ये 'मटा कट्टा'चे आयोजन करण्यात आले होते. यावेळी विद्यालंकारच्या व्हीपी, व्हीआयटी आणि व्हीएसआयटी अशा तिन्ही विभागांतील विद्यार्थ्यांनी रोजगारचे वास्तविक चित्र, वेकारी आणि राजकारणाची आस्थासने अशा विषयांवर आपली दिलखुलवस मते मांडली. शहरांचा नाही तर ग्रामीण भागातही प्रचंड टॅलेट आहे. मात्र तेथील विद्यार्थ्यांसही सोयी-सुविधा निर्माण केल्या नाहीत तर करिअरसाठी ते शहरांकडेच वळणार. त्यामुळे रोजगार आणि शिक्षणद्वारे राजकारणातून

विद्यालंकार कॉलेजच्या विद्यार्थ्यांचा सवाल

'मुंबईवर इतका भार का?'

विद्यार्थी म्हणतात...

करायला हवी. अलिकडे राजकारणात इतकी वाईट परिस्थिती आहे की, नागरिकांना त्यातल्या त्यात काही धडके घालून उलटवून विद्यालंकार

Media Speak

म.स. डिबेट

आमच्यावर पाळत का?

आजच्या डिजिटल फूटप्रिंटवर भाष्यकार नजर ठेवणारा असल्याच्या खात्रीमुळे महाराष्ट्रातील खलबळ उडाली आहे. महाराष्ट्र 'सुरासन्ध टाइम्स'चे विद्यार्थ्यांकरिता ऑनलाईन पाळत करणारे 'म.स. डिबेट'चे आयोजन केले होते. 'म.स. डिबेट'चा मुद्दा अगदी योग्य आहे. परत, त्यासाठी जबाबदार खात्रीची समीक्षा, महाभाष्यकार नजर ठेवणारा? असा सवाल या डिबेटमध्ये महाराष्ट्रीय विद्यार्थ्यांनी केला.

मुंबई टाइम्स
mumbai@timesofindia.com

विद्यार्थ्यां यासाठी पाळत काय? ही या डिबेटमध्ये चर्चेची गावे होती. 'म.स. डिबेट'मध्ये पाळत करणारे विद्यार्थ्यांचे म्हणणे असे होते की, 'म.स. डिबेट'चे आयोजन केले होते. 'म.स. डिबेट'चा मुद्दा अगदी योग्य आहे. परत, त्यासाठी जबाबदार खात्रीची समीक्षा, महाभाष्यकार नजर ठेवणारा? असा सवाल या डिबेटमध्ये महाराष्ट्रीय विद्यार्थ्यांनी केला.

फ्री वायफाय.. कॉलेज हायफाय

कॅम्पस झालेत डिजिटल | विद्यार्थ्यांना होतोय फायदा

विद्यार्थ्यांना जास्तीतजास्त सुविधा मिळाव्यात म्हणून कॉलेज अधिकधिक हायफाय होऊ लागली आहेत. प्रोजेक्ट्स, असाइनमेंट सबमिशनसाठी इंटरनेटचा वापर करता यावा म्हणून अनेक कॉलेजांचे कॅम्पस डिजिटल होऊ लागले आहेत.

मॅन्सका पाटेल, इराणूर कॉलेज
muntainbox@gmail.com

कॉलेजमध्ये सध्या परीक्षांचा माहेल असून, विद्यार्थी आपला जमनीत जस्त वेळ कॅम्पसमध्ये घालवण्यास दिसताहेत. त्याच मुख्य कारण म्हणजे अनेक कॉलेजींनी रफायस करून दिलेली मोफत वायफाय सेवा, प्रोजेक्ट्स, असाइनमेंट सबमिशनसाठी पूर्ण करण्यासाठी विद्यार्थी वायफाय सुविधांचे पुरेपूर वापर करून घेऊन दिसताहेत. अनेक कॉलेजांचे कॅम्पस आता डिजिटल झाले असून, विद्यार्थ्यांना त्याच फायदा होतोय.

सैद्धांतिक प्रॉजेक्ट्स, अभ्याससंदर्भात अधिक पाहिले मिळवण्यासाठी विद्यार्थ्यांना इंटरनेटची गरज लागते. प्रत्येक विद्यार्थ्यांच्या घरी इंटरनेट सुविधा अस्तित्वात असते नाही. त्यामुळे कॅम्पसमध्ये मोफत वायफाय सेवांचा त्यांच्या उपयोगी येतोय. त्यामुळे लायब्ररी, कॉरिडोरमध्ये बसून अभ्यास करतांना विद्यार्थी हिस्स लागते आहेत. अभ्यासाव्यतिरिक्त फेरीटव्हलच्या काळासाठी वायफाय असणे त्यांच्यासाठी उपयुक्त ठरते. कॉलेजमध्ये जास्तीत जास्त विद्यार्थी या मिनामूल्य वायफाय सुविधेचा वापर करतांना दिसताहेत.

- लेक्चर्सकडे दुर्लक्ष होऊ नये म्हणून काही कॉलेजमध्ये मोफत वायफाय सुविधा इंटीन, कॉरिडोर, लॅब्सची अशा काही उदाहरित ठिकाणीच उपलब्ध आहे.
- इंटरनेटचा वेग कमी होऊ नये म्हणून एक्सकेटी दरविके विद्यार्थ्यांना वायफायचा वापर करता येईल.
- फ्री वायफाय वापरण्यासाठी विद्यार्थ्यांना सर्व्हरवर नोंदणी करणे आवश्यक.
- लायब्ररीमध्ये वायफाय असल्यामुळे लायब्ररी कर्मचाऱ्यांकडून वायफाय पासवर्ड घेणे बंधनकारक.
- मोफत वायफाय सुविधांचे वेळेची मर्यादा.
- लेक्चरदरम्यान वायफायचा वापर करता येणार नाही.
- सैद्धांतिक वायफायव्यतिरिक्त अन्य वेबसाइटस उपलब्धकार बंदी.

विद्यार्थ्यांना विनामूल्य वायफाय देणारी कॉलेजे.. इराणूर कॉलेज, स्रीया कॉलेज, तेरणा सॅननेअरिय कॉलेज, वैजळूर कॉलेज, मुम्बैनका कॉलेज, आनंदाधन कॉलेज, सौम्या कॉलेज, विद्यालंकार कॉलेज, कौली कॉलेज, लाला लजपतराय कॉलेज, भारती विद्यापीठ कॉलेज ऑफ इंजनीअरिंग, सर जे जे स्कूल ऑफ आर्ट, मिल्सई एन्वॉयोरी कॉलेज कॅम्पस, कॉलेज ऑफ लीग खान्या निपला निव्हिन, लखूर कॉलेज ऑफ आर्टिस्टिक अँड प्लॅनिंग, मीदीबाई कॉलेज, हिंदुज कॉलेज.

The Beginning Of Vidyalankar

> "Work is worship."

Vidyalankar is a union of two Sanskrit words Vidya + Alankar the essence of which is 'True ornament of mind is knowledge'. Vidyalankar started off with the passion of the Founder, Prof. C.S. Deshpande, who needed just a black board and young impressionable minds to impart knowledge. Prof. Deshpande had a brilliant career throughout. His passion for education lead him to give up his brilliant career in the India Railways as Class I gazetted officer to start the Vidyalankar Classes in 1960.

The Trust runs multiple colleges namely, Vidyalankar Institute of Technology, an Engineering Degree & Management College approved by All India Council of Technical Education (A.I.C.T.E), Directorate of Technical Education (D.T.E.) Maharashtra State and affiliated to the University of Mumbai with Electronics Engineering, Electronics & Telecommunication Engineering and Biomedical Engineering programmes accredited by National Board of Accreditation.

Dr. Sanjeewani Deshpande was the Chairman of Vidyalankar Dnyanpeeth Trust. She was such a great inspiration to everyone in the Vidyalankar family. She was so keen on education that she completed her Ph.D. in English in her 80's. With an M.A. in English and an M.A. in Public Administration to her credit, she had more than 35 years of teaching experience at the undergraduate and postgraduate levels in both the domains of English and Public Administration. A passion for education and a student-oriented approach have been her hallmarks of excellence in teaching. She shared a global perspective on education and encouraged research and development activities among faculty and students.

From Chairperson's Desk

Ms. Rashmi Deshpande likewise is devoted to the progress of Vidyalankar. With her philanthropic attitude and her keen interest in the personal development of every single person associated with Vidyalankar. She is naturally as much loved as she is respected. After her M.Sc. in Bio-Chemistry from the University of Mumbai, she went to the U.S.A. for higher education and completed her M.B.A. She is naturally and particularly inclined towards enriching the business of Vidyalankar School and she owes this to her professional background in management studies.

Ms. Rashmi Deshpande
Chairperson

Vidyalankar School of Information Technology

VSIT enjoys the reputation of being one of the finest colleges of higher learning. Its outstanding performance in the field of curricular and co-curricular activities has considerably enhanced its prestige. VSIT provides quality education and high academic ambience for overall development of the students.

It conducts Science (IT) , Management, Commerce, Graduate and Post-Graduate courses.

It has foreign collaborations with universities of the stature of Penn State University, California State University, Aston University, Sheffield Hallam University, University of Toledo and Hult International Business School with a high number of students landing campus placements in companies such as Bristlecone (Tech Mahindra), NSE, TCS, L & T Infotech, iGATE, HDFC Securities, Jaro Education, Birla Sunlife, NCR, etc.

The phenomenal success rate of students who emerge as toppers bears testimony to the high esteem that VSIT enjoys in the field of academics.

From Principal's Desk

Vidyalankar School of Information Technology is upcoming as a leading educational institution in the field of Information Technology, Commerce and Management. Our students are making progress not only in academics but also in all walks of life including career prospects. We want to ensure that our students will be capable of thinking critically, solving problems, communicating well and utilizing technology in all possible ways.

Dr. Rohini Kelkar
Principal

We aim at making information available to all our stakeholders through their interaction with VSIT about our current and past students. A highly effective forum www.vsitlive.com gives an opportunity to all students and teachers to remain informed about the events at VSIT and upgrade their information on par with the needs of the modern world.

Our teaching methods also have a professional touch. We prepare students to be competitive in the 21st century by providing Dale Carnegie soft skills development program, pre-placement training, practice sessions for C.V. writing and enhancement of their technical skills through organizing technical seminars. We take pride in generating tech-savvy, innovative and academically excellent professionals.

Mr. Asif K Rampurawala
Vice Principal

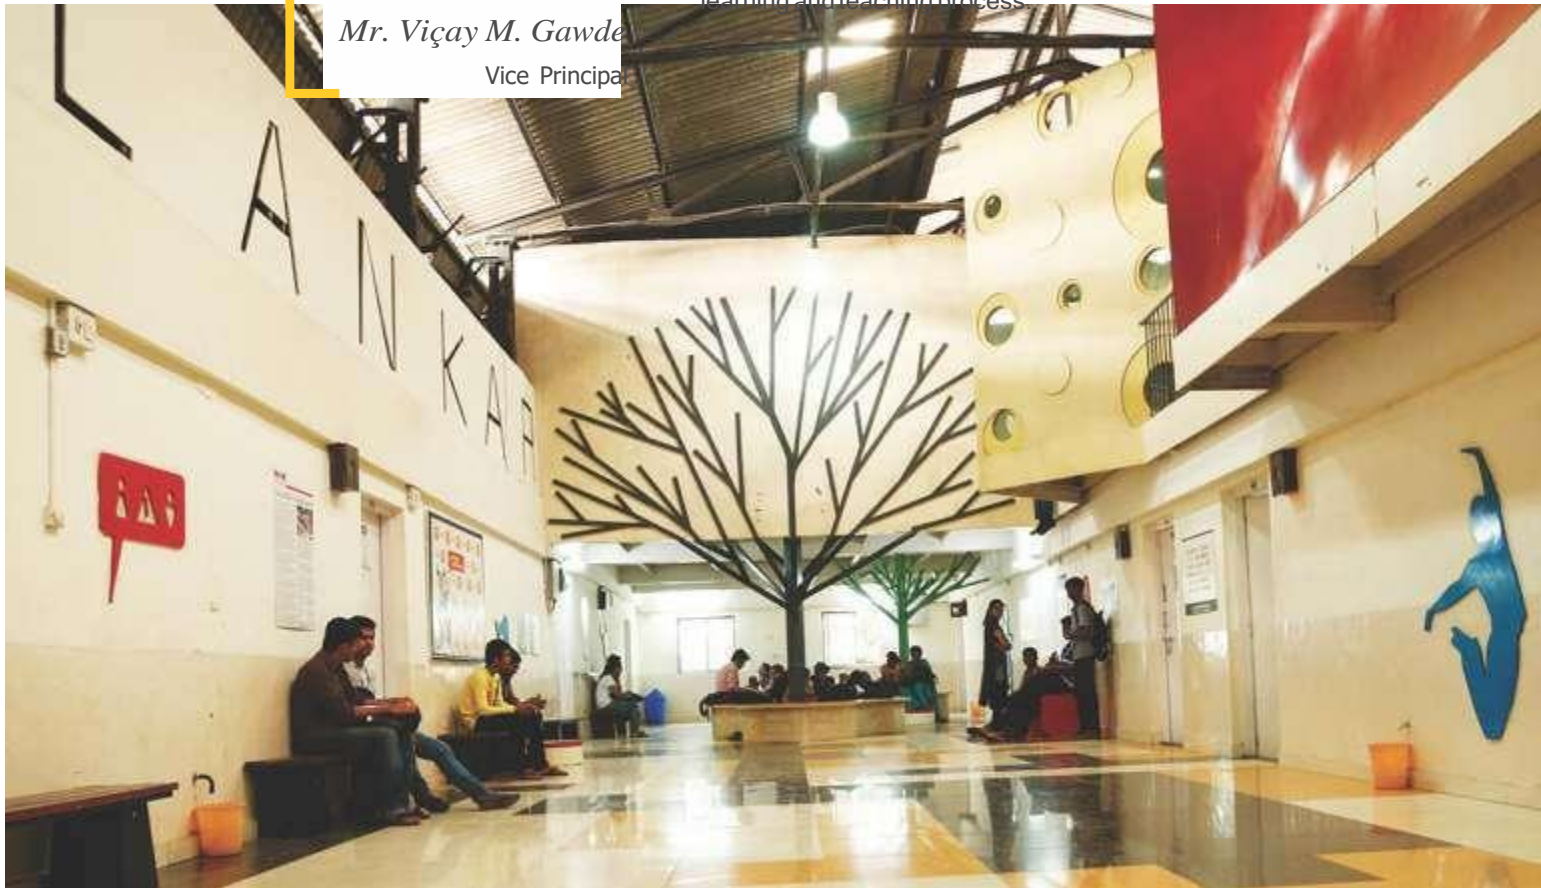

The pursuit of knowledge is truly a noble cause which only we human beings are fortunate to possess. At Vidyalankar, we believe that knowledge (Vidya) is the true ornament (Alankar). In our endeavour towards creating global citizens who are aware of their societal needs, we have undertaken various programmes through student bodies like NSS, CSI, Lifelong Learning and Extension and others. There is lot of information available today to students via the internet but making sense of this information or in other words converting information to knowledge requires guidance. VSIT is place where students from all walks of life and sections of society come to get quality education and holistic development. We continually strive to exceed the expectations of all our stakeholders including students, parents, industry and community.

From the Vice Principal's Desk

The greatest gift education gives us is the capability to mitigate most of the challenges faced in life. The pace of globalization, liberalization and privatization has tremendously influenced the various dimensions of Commerce and Management education which includes finance, marketing, accounting, human resource management, entrepreneurship development, commercial and business law among many others. We at VSIT strive to provide the best of education to our students in this very competitive and fast moving world of commerce and management. We have well qualified and competent faculty members with world class pedagogy being implemented in our learning and teaching process.

Mr. Vijay M. Gawde
Vice Principal

COURSES THAT CAN CHANGE THE COURSE OF YOUR LIFE!

Our Courses

- > B.Sc. (IT) Bachelor of Science (Information Technology)
- > B.M.S. Bachelor of Management Studies
- > B.A.F. Bachelor of Commerce (Accounting and Finance)
- > B.B.I. Bachelor of Commerce (Banking and Insurance)
- > B.F.M. Bachelor of Commerce (Financial Markets)
- > B.M.M. Bachelor of Mass Media
- > M.Sc. (IT) Master of Science (Information Technology)
- > M.Com. (B&F) Master of Commerce (Banking & Finance)
- > M.Com. (Accounting) Master of Commerce (Advanced Accountancy)
- > Ph.D (Commerce) Ph.D (Business Economics)

Academic Intake summary and syllabus

	COURSE	INTAKE	DURATION	CRITERIA
UNDER GRADUATE COURSE	B.Sc. (IT) - Bachelor of Science (Information Technology)	300	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* and above in one sitting. Maths being one of the subjects.
	BMS - Bachelor of Management Studies	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* and above. Diploma in any Engineering branch (2/3/4 years after X with a minimum of 45% (open) 40% (reserved category)* in one sitting.
	B.Com. - Bachelor of Commerce (Accounting & Finance)	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* in one sitting.
	B.Com. - Bachelor of Commerce (Banking & Insurance)	60	3 Years	
	B.Com. - Bachelor of Commerce (Financial Markets)	60	3 Years	
	BMM	60	3 Years	
	Direct Second Year Admission from Diploma to B.Sc. (IT)	30	2 Years	Diploma (Recognised by BTE & other Govt.Body) in Information Technology-I Computer Technology-I, Computer Science-I Electrical / Video Engg / Mech / Civil & allied Branches or passed Sem I & II of B.Sc.(IT) from other institutes affiliated University of Mumbai. (Subject to vacancy)
POST GRADUATE DEGREE	M.Sc. (IT) - Master of Science (Information Technology)	40	2 Years	Bachelor in the respective branch or any equivalent degree with minimum 45% marks, Maths being a compulsory subject at 10+2 or its equivalent examination.
	M.Com. - Master of Commerce (Banking & Finance)	60	2 Years	B.Com / BMS / BBI / BAF / BFM Degree
	M.Com. (Accounts) - Master of Commerce (Advanced Accounting)	60	2 Years	
Ph.D.				
	Economics	16	-	-

B.Sc.(IT) - Bachelor of Science (Information Technology)

The three year (six semesters) B.Sc.(IT) course aims to synergies Information Technology in all its ramifications. The program provides skills and training to a wide range of students from different educational backgrounds. The focus of the program is Information Technology and Management of Information Technology.

SEMESTER I

- ◆ Imperative Programming
- ◆ Digital Electronics
- ◆ Operating System
- ◆ Discrete Mathematics
- ◆ Communication Skills

SEMESTER III

- ◆ Python Programming
- ◆ Data Structures
- ◆ Computer Networks
- ◆ Database Management Systems
- ◆ Applied Mathematics

SEMESTER V

- ◆ Network Security
- ◆ ASP.NET with C#
- ◆ Software Testing
- ◆ Advanced Java
- ◆ Linux Administration

SEMESTER II

- ◆ Object Oriented Programming
- ◆ Microprocessor Architecture
- ◆ Web programming
- ◆ Numerical and Statistical Methods
- ◆ Green Computing

SEMESTER IV

- ◆ Core Java
- ◆ Introduction to Embedded Systems
- ◆ Computer Oriented Statistical Techniques
- ◆ Software Engineering
- ◆ Computer Graphics and Animation

SEMESTER VI

- ◆ Internet Technologies
- ◆ Project Management
- ◆ Data warehousing
- ◆ Elective subject
 - IPR & Cyber law
 - GIS
- ◆ Project

BMS - Bachelor of Management Studies

The three year (Six Semester) B.M.S. Course is designed for those students from different educational backgrounds wishing to acquire the skills needed to pursue a high level career in the world of business. The objective of the program is to prepare students to exploit opportunities being newly created in the management profession.

Specialization / Electives will be offered from 3rd Semester onwards.

SEMESTER I

- ◆ Business Communication
- ◆ Introduction to Financial account
- ◆ Business Law
- ◆ Business Statistics
- ◆ Foundation of Human Skills
- ◆ Business Economics
 - Foundation course - I

SEMESTER II

- ◆ Principles of Marketing
- ◆ Industrial law
- ◆ Business Mathematics
- ◆ Business Communication - II
- ◆ Business environment
- ◆ Principles of Management
 - Foundation course - II

SEMESTER III

- ◆ Information Technology in Business Management - I
- ◆ Environmental Management
- ◆ Business Planning & Entrepreneurial Management
- ◆ Accounting for Managerial Decisions
- ◆ Strategic Management
- ◆ Any one Elective group Finance Group
 - Basics of Financial Services
 - Corporate Finance
- ◆ Marketing Group
 - Consumer Behaviour
 - Product Innovatios Management
- ◆ Human Resource Group
 - Recruitment and Selection
 - Motivation and Leadership

SEMESTER IV

- ◆ Information Technology in Business Management - II
- ◆ Business Economics - II
- ◆ Business Research Methods
- ◆ Ethics and Governance
- ◆ Production and Total Quality Management
- ◆ Any one Elective group Finance Group
 - Financial Institutions and Markets
 - Behavioural Finance
- ◆ Marketing Group
 - Rural Marketing
 - Event Marketing
- ◆ Human Resource Group
 - Training and Development in HRM
 - Change Management

SEMESTER V

- ◆ Logistics and Supply chain Management
 - ◆ Ethics and Governance
 - ◆ Project work
 - ◆ Any one Elective group Finance Group
 - Investment Analysis and Portfolio Management
 - Commodity and Directives Market
 - Wealth Management
 - Strategic Financial Management
 - ◆ Marketing Group
 - Service Marketing
 - E-Commerce and Digital Marketing
 - Sales and Distribution Management
 - Customer Relationship Management
- ◆ Human Resource Group
 - Finance for HR Professionals and Compensation Management
 - Strategic Human Resource Management and HR Policies
 - Performance Management and Career Planning
 - Industrial Relations
- ## SEMESTER VI
- ◆ Operation Research
 - ◆ Indian Ethos in Management
 - ◆ Corporate Communication & public Relations
 - ◆ Any one Elective group Finance Group
 - Risk Management
 - International Finance
 - Innovative Financial Services
 - Project Management
 - ◆ Marketing Group
 - Brand Management
 - Retail Management
 - International Marketing
 - Media Planning and Management
 - ◆ Human Resource Group
 - HRM in Global Perspective
 - Organizational Development
 - HRM in Service Sector Management
 - Human Resource Planning and
 - ◆ Information System

B.A.F. - Bachelor of Commerce (Accounting and Finance)

Bachelor of Commerce in Accounting and Finance provides an avenue from general education to professional education. The three year (six semesters) BAF degree aims at:

- Preparing students to exploit opportunities, being newly created in Accounting and Finance as a profession.
- To provide a strong understanding of fundamentals about Accountancy and other financial services to the students and to give an adequate exposure to operational environment in the field of Accounting and Finance.
- To inculcate training, and practical approach, by organizing industrial visits, summer placements and using modern technology in teaching the students in the field of Accounting & Finance.

SEMESTER I

- ◆ Financial Accounting - I
- ◆ Cost Accounting - I
- ◆ Financial Management - I
- ◆ Business Communication - I
- ◆ Commerce Business Environment - I
- ◆ Business Economics - I
- ◆ Foundation course - I

SEMESTER II

- ◆ Financial Accounting - II
- ◆ Auditing - I
- ◆ Taxation - I
- ◆ Business Communication - II
- ◆ Business Law - I
- ◆ Business Mathematics
- ◆ Foundation Course - II

SEMESTER III

- ◆ Information Technology in Accountancy - I
- ◆ Commerce - II
- ◆ Business Law - II
- ◆ Business Economics - II
- ◆ Financial Accounting - III
- ◆ Cost Accounting - II
- ◆ Taxation - II

SEMESTER IV

- ◆ Information Technology in Accountancy - II
- ◆ Management - I
- ◆ Business Law - III
- ◆ Research Methodology in Accounting & Finance
- ◆ Financial Accounting - IV
- ◆ Management Accounting - I
- ◆ Taxation - III

SEMESTER V

- ◆ Financial Accounting - V
- ◆ Financial Accounting - VI
- ◆ Cost Accounting - III
- ◆ Financial Management - II
- ◆ Taxation - IV
- ◆ International Finance
- ◆ Financial Analysis and Business Valuation

SEMESTER VI

- ◆ Financial Accounting - VII
- ◆ Cost Accounting - IV
- ◆ Financial Management - III
- ◆ Taxation - V
- ◆ Security Analysis and Portfolio Management
- ◆ Management Control Systems

B.B.I. - Bachelor of Commerce (Banking and Insurance)

It provides adequate basic understanding about Banking, Insurance and other financial services to the students and gives an adequate exposure to operational environment in the field of Banking, Insurance and other related financial services.

SEMESTER I

- ◆ Environment and Management of Financial Services
- ◆ Principles of Management
- ◆ Financial Accounting - I
- ◆ Business Communication - I
- ◆ Business Economics - I
- ◆ Quantitative Methods - I
- ◆ Foundation course - I

SEMESTER II

- ◆ Principles and Practices of Banking and Insurance
- ◆ Business Law
- ◆ Financial Accounting - II
- ◆ Business communication - II
- ◆ Organizational Behaviour
- ◆ Quantitative Methods - II
- ◆ Foundation course - II

SEMESTER III

- ◆ Information Technology in Banking and Insurance - I
- ◆ Laws Governing Banking & Insurance
- ◆ Financial Market
- ◆ Taxation of Financial services
- ◆ Financial Management - I
- ◆ Management Accounting (Tools & Techniques, Focus on Banking and Insurance)
- ◆ Organizational Behaviour
- ◆

SEMESTER IV

- ◆ Information Technology in Banking and Insurance - II
- ◆ Corporate Laws and Laws Governing Capital Market
- ◆ Universal Banking
- ◆ Business Economics - II
- ◆ Financial Management - II
- ◆ Financial Market (Equity, Debt, Forex and Derivatives)
- ◆ Wealth Management

SEMESTER V

- ◆ Marketing in Banking and Insurance
- ◆ Financial Service Management
- ◆ International Banking and Finance
- ◆ Financial Reporting and Analysis
- ◆ Security Analysis and Portfolio Management
- ◆ Auditing
- ◆ Project on Banking

SEMESTER VI

- ◆ Strategic Management (Banking and Insurance)
- ◆ Central Banking
- ◆ International Business (Banking and Insurance)
- ◆ Human Resource Management in Banking and Insurance
- ◆ Business Ethics and Corporate Governance
- ◆ Turnaround Management
- ◆ Project on Insurance

B.F.M. - Bachelor of Commerce (Financial Markets)

BFM is the course that tenders extensive knowledge on the Financial and Capital Markets. With subjects like Derivatives, Global Capital Markets, Debt Markets, Equity Markets, Security Markets, Risk Management, Forex and Commodities Market (to name a few) this course promises highly skilled and vibrant young professionals.

SEMESTER I

- ◆ Financial Accounting - I
- ◆ Introduction to Financial System
- ◆ Business mathematics
- ◆ Business communication - I
- ◆ Business Environment
- ◆ Business Economics - I
 - Foundation course - I

SEMESTER III

- ◆ Debt Markets -1
- ◆ Equity Market -1
- ◆ Investment banking
- ◆ Taxation
- ◆ Management Accounting
- ◆ Business Law -1
- ◆ Money Market

SEMESTER V

- ◆ Global Capital Markets
- ◆ Regulations Of securities Markets
- ◆ Insurance (Fund) Management
- ◆ Derivatives Markets
- ◆ Foreign Exchange Markets
- ◆ Portfolio Management
- ◆ Project - I

SEMESTER II

- ◆ Financial Accounting - II
- ◆ Principles of Management
- ◆ Business Statistics
- ◆ Business Communication - II
- ◆ Environment Science
- ◆ Computer Skills - I
 - Foundation course - II

SEMESTER IV

- ◆ Debt Markets - 2
- ◆ Equity Market - 2
- ◆ Merchant Banking
- ◆ Computers in Investment
- ◆ Corporate Finance
- ◆ Business Law -2
- ◆ Foreign Exchange Markets

SEMESTER VI

- ◆ Risk Management
- ◆ Corporate Governance
- ◆ Computer Applications in Financial Services
- ◆ Marketing of Financial services
- ◆ Mutual Fund Management
- ◆ Customer Relationship Management in Financial services
- ◆ Project - II

BMM - Bachelor of Mass Media

The three year (six semester) BMM course aims to provide a strong background in principles of advertising, marketing, journalism and communication. The programme aims to develop soft skills and creativity through presentations, seminars and workshops. The focus of the programme lies in the areas of media, advertising and journalism.

SEMESTER I

- ◆ Effective communication skill - I
- ◆ Fundamentals of Mass Communication
- ◆ Introduction to computers
- ◆ History of the world, India and Maharashtra
- ◆ Introduction to Sociology
- ◆ Introduction to Economics

SEMESTER II

- ◆ Effective Communication skill - II
- ◆ Political Concepts and the Indian Political Systems
- ◆ Principles of Management
- ◆ Principles of Marketing
- ◆ Introduction to Psychology
- ◆ An Introduction to Literature

SEMESTER III

- ◆ Introduction to Public Relations
- ◆ Introduction to Media Studies
- ◆ Introduction to Cultural Studies
- ◆ Introduction to Creative Writing
- ◆ Introduction to Advanced Computers
- ◆ Introduction to Understanding Cinema

SEMESTER IV

- ◆ Mass Media Research
- ◆ Organisational Behaviour
- ◆ Introduction to Advertising
- ◆ Radio and Television
- ◆ Introduction to Journalism
- ◆ Print production and Photography

SEMESTER V

ADVERTISING

- ◆ Advertising in Contemporary Society
- ◆ Copywriting
- ◆ Advertising Design (Project Paper)
- ◆ Consumer Behaviour
- ◆ Media Planning and Buying
- ◆ Brand Building

JOURNALISM

- ◆ Reporting
- ◆ Editing
- ◆ Feature and Opinion
- ◆ Journalism and Public Opinion
- ◆ Indian Regional Journalism
- ◆ News paper and Magazine Making (Paper Project)

SEMESTER VI

ADVERTISING

- ◆ Advertising and Marketing Research
- ◆ Legal Environment and Advertising Ethics
- ◆ Financial Management for Marketing and Advertising
- ◆ Agency Management
- ◆ The Principles and Practice of Direct Marketing
- ◆ Contemporary Issues

JOURNALISM

- ◆ Contemporary Issues
- ◆ Press Laws and Ethics
- ◆ Broadcast Journalism
- ◆ Business and Magazine Journalism
- ◆ News Media Management
- ◆ Internet and Issues in the Global media

M.Sc (IT) - Master of Science (Information Technology)

A 4 semester(2year) postgraduate program, affiliated to the University of Mumbai, M.Sc.(IT) course is designed to develop the skills required to be able to deliver electronic information services and beautifully functioning member of any information related team within an organization. This course gives a comprehensive and state-of-art treatment of all the important aspects of Information Technology and Computing.

SEMESTER I

- ◆ Data mining
- ◆ Distributed Systems
- ◆ Data Analysis
- ◆ Software Testing

SEMESTER II

- ◆ Mobile Computing
- ◆ Advanced Computer Networks
- ◆ Cloud Computing and Ubiquitous System
- ◆ Advanced Database System

SEMESTER III

- ◆ Embedded System
- ◆ Information Security Management
- ◆ **Elective I (Any one)**
 - Virtualization
 - Artificial Neural Networks
- ◆ **Elective II (Any one)**
 - Digital Image Processing
 - Ethical Hacking

SEMESTER IV

- ◆ Artificial Intelligence
- ◆ IT Infrastructure Management
- ◆ **Elective I (Any one)**
 - Intelligent system
 - Real time embedded System
 - Computer Forensics
- ◆ **Elective II (Any one)**
 - Design of Embedded Control System
 - Advanced Image Processing
 - Cloud Management

M.Com. (B.F.) - Master of Commerce (Banking and Finance)

M.Com. Banking and Finance is a postgraduate Banking course, which includes the study of the concepts of Banking, Banking Law, Finance and Financial Management. It is a degree program in which, apart from a general course study in Commerce, the primary focus is on the systematic study of the concepts in the specialised subjects and topics related to Banking & Finance circles. The duration of the course is two years and it is an important one that provides many career scopes to the applicants after its successful completion.

> SEMESTER I

- ◆ Strategic Management
- ◆ Economics For Business Decision
- ◆ Cost and Management Accounting
- ◆ Business Ethics & Corporate Social Responsibility

> SEMESTER II

- ◆ Research Methodology For Business
- ◆ Macro Economics concepts and Applications
- ◆ Corporate Finance
- ◆ E-Commerce

> SEMESTER III

- ◆ Any 1 group of course from the following **Advanced Accounting, Corporate Accounting and Financial Management**
 - Advanced Financial Accounting
 - Financial Management
 - Direct Tax
- ◆ **Banking and Finance**
 - Legal Framework of banking
 - Commercial Bank Management
 - Investment Management Analysis
- ◆ Project work- I

> SEMESTER IV

- ◆ Any 1 group of course from the following **Advanced Accounting, Corporate Accounting and Financial Management**
 - Advanced Auditing
 - Indirect Tax
 - Personal Financial Planning
- ◆ **Banking and Finance**
 - Financial Institutions and Markets
 - Accounting and Auditing of Banking
 - Financial Services
- ◆ Project work- II

M.Com. (Accounting) - Master of Commerce in Advanced Accounting

Master of Commerce (M.Com) Programme is a two Year Integrated Programme consisting of four semesters. The programme provides information and develops skills pertaining to Business, Corporate and Global Reforms. In addition to providing an insight into application of economic principles in business decisions, it also intends to widen analytical ability of the students.

> SEMESTER I

- ◆ Strategic Management
- ◆ Economics for Business Decisions

- ◆ Corporate Financial Accounting
- ◆ Financial Management
- ◆ Direct Tax
- ◆ Financial Services

> SEMESTER IV

- ◆ Advanced Auditing
- ◆ Indirect Tax
- ◆ International Financial Reporting Standards
- ◆ Personal Financial Planning
- ◆ Financial Journalism

Courses that take you Across the World

Objectives of the Collaboration

Continuing the legacy of providing quality education, Vidyalkar has collaborated with prestigious Universities in the US and UK.

The objective of these collaborations is to provide to students the Bachelor Degree that would be accepted internationally.

This alliance will facilitate the most meaningful educational experience in Engineering and Management to Indian students interested in experiencing the Global Education and Culture. The program provides a unique opportunity to Indian students to benefit from both the systems of education at the undergraduate level itself and thus acquire the skills necessary to meet the challenges of tomorrow's globally competitive world.

Joint Programs offer the following benefits:

- Internationally recognized degree at an affordable cost.
- Enhanced career opportunities with study in both India and USA/UK.
- Potential to work part time while studying.
- Opportunity to apply for progression to Master Course at the same university or potential to work after graduating.

Vidyalankar Institute for International Education

Penn State University, Pennsylvania, USA

BS (IST) : Bachelor in Information Science & Technology

2 years with Vidyalankar and 2 Years with Penn State University, USA.

This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Penn State University for the completion of their Bachelors of Science Degree in IST(Information Science and technology) which they will receive from Penn State.

Rutgers University, Camden, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with Rutgers University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Rutgers University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from Rutgers University.

California State University, Monterey Bay, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar and 2 Years with California State University, USA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to California State University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from California state University.

Vidyalankar Institute for International Education

University of Fraser Valley, British Columbia, Canada

BCIS (Bachelor of Computer Information Systems)

2 years with Vidyalankar India and 2 Years with Fraser Valley University, CA. This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to University of Fraser Valley for the completion of their Bachelors of Degree in Computer Information Systems which they will receive from University of Fraser Valley.

The University of Toledo, Ohio, USA

BBA (Bachelor in Business Administration)

2 years with Vidyalankar and 2 years with the University of Toledo, US. This gives opportunity for students studying BMS at Vidyalankar to transfer as third year students to the University of Toledo to complete their Bachelor Degree in Business Administration.

University of South Carolina, Aiken, USA

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India and 2 Years with University of South Carolina, USA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to University of South Carolina for the completion of their Bachelors of Degree in Business Administration which they will receive from University South Carolina.

Vidyalankar Institute for International Education

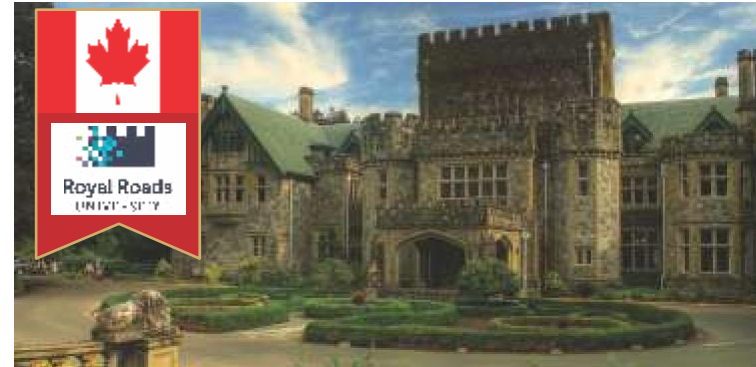

University of Royal Roads, British Columbia, Canada

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India and 2 Years with University of Royal Roads University, CA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to Royal Roads University, Canada for the completion of their Bachelor's Degree in Business Administration which they will receive from Royal Roads University, Canada .

Glimpses of Our Students Abroad

Infrastructure

Laboratories :

All the Laboratories are equipped with modern equipments that allow students to practice the theory that they learn in the classroom. Separate labs are available for under-graduate and post-graduate students.

A total of 250 computers are installed in Computer Laboratories for computer practical work and adequate kits in Electronic Laboratories for conduct of electronic practical work.

Students' Activity Centre :

Students' Activity Centre exists to provide a wide range of services, activities and an opportunity to build campus community involving students and staff with equal opportunities. The internal website gives information about forthcoming events and also explains how to get involved in other social activities in the Institute.

Infrastructure

A powerful architectural design can affect human psyche and duly contribute in building a great Institution. The campus offers students a vibrant and an attractive setting for their studies.

The institute is housed in a high performance building which is thermally, visually and acoustically comfortable, safe, secure and easy to maintain and operate. The idea is to incorporate nature's "free" services (wind, sun, thermal properties, greenhouse principles and light) to create a high quality indoor environment.

Central Library :

The Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers.

Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library. The library provides areas for group work as well as silent study. Users can access e-journals such as EBSCO, IEEE Explore and J-Gate Plus.

Auditorium / Seminar Halls :

The institute has an Auditorium and six seminar halls on the campus with a state of the art amenities. The auditorium has a capacity of approximately 300 persons and each of the seminar halls can house a 100 people at an average.

Infrastructure

Cafeteria :

The Institute has good cafeterias with adequate space that offer food items to cater to different tastes. Utmost care is taken to maintain cleanliness and hygiene.

Sports Centre :

The Institute appreciates the boisterous, physical and mental energy of the students that needs a proper channel to express itself. Thus, it aims to promote and improve the sporting prowess of the students and provide opportunities to develop various skills appropriate to both sport and life.

The Institute has a provision for Indoor and Outdoor Games. The campus has two playgrounds to play games like football and cricket. The students can also relax by playing indoor games like chess, carrom, table-tennis, badminton, etc.

Special summer camps are organized for training budding talents in sports. There is a full-time sports-in-charge available on campus to manage sports activities.

Infrastructure

VPrint :

The Institute has a world class automated in house print facility. This system enables students to issue print commands from virtually anywhere in the world at the most affordable prices.

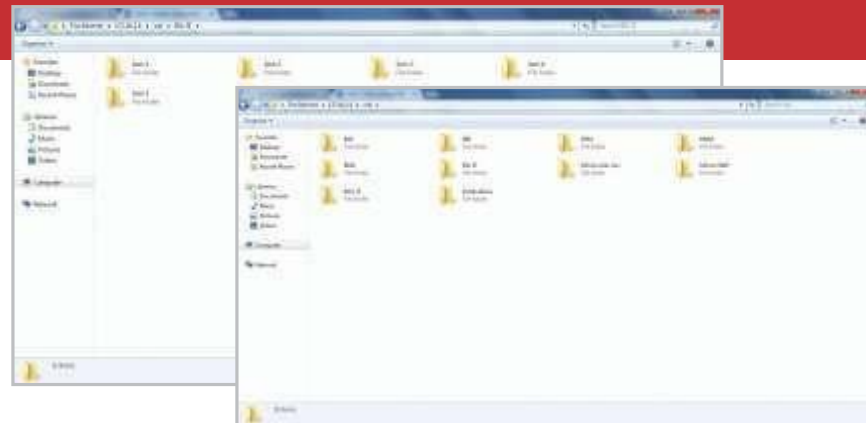

Vidyalankar Live :

The Institute is one of the very few colleges to have its own academic social networking portal. This award winning portal attracts more than 1.5 Lakhs hits per day. Recently an Android Application for this portal was released on the Google Play Store (Android Markets). The whole project is fully managed and developed by students.

VRefer :

V Refer is a digital library which enable users to access video lectures, presentations, documents etc. It allows users have their own personal briefcase. They have an option to share it with other users or share it across the globe.

Infrastructure

Vidyalankar Wi-fi :

The Institute is powered with wireless access points which is centrally controlled. This enables students and faculty members to seamlessly browse high speed internet from any wireless device.

Advice Centre :

The Activity Centre runs an Advice Centre staffed by trained advisors, which is open to all students. It advises students on many issues including finance, academic problems, welfare. A trained counselor is available on select days of the week on campus.

Reading Hall:

A separate Reading hall is created for general reading and an Open Access Reference section is provided a Multi-Media section and high speed Internet browsing for instant access to the internet.

Publications

V-Think:

It is a monthly Departmental Magazine of the Department of Commerce and Management. Compiled articles from students and faculty members are published here.

Student Media :

Vector: Recognizing the need to provide students with broader perspectives on campus issues, world and national issues related to technology and career planning, Vidyalandkar has tied up with the prestigious daily DNA and initiated the newsletter 'VECTOR'. It aims to acquaint students with national and world events and encourages them to write articles and develop a reading habit. Around 15000 copies of Vector are printed every month (8 issues per year) and distributed free of cost to all at the institute.

Vihaan: It is an annual college magazine.

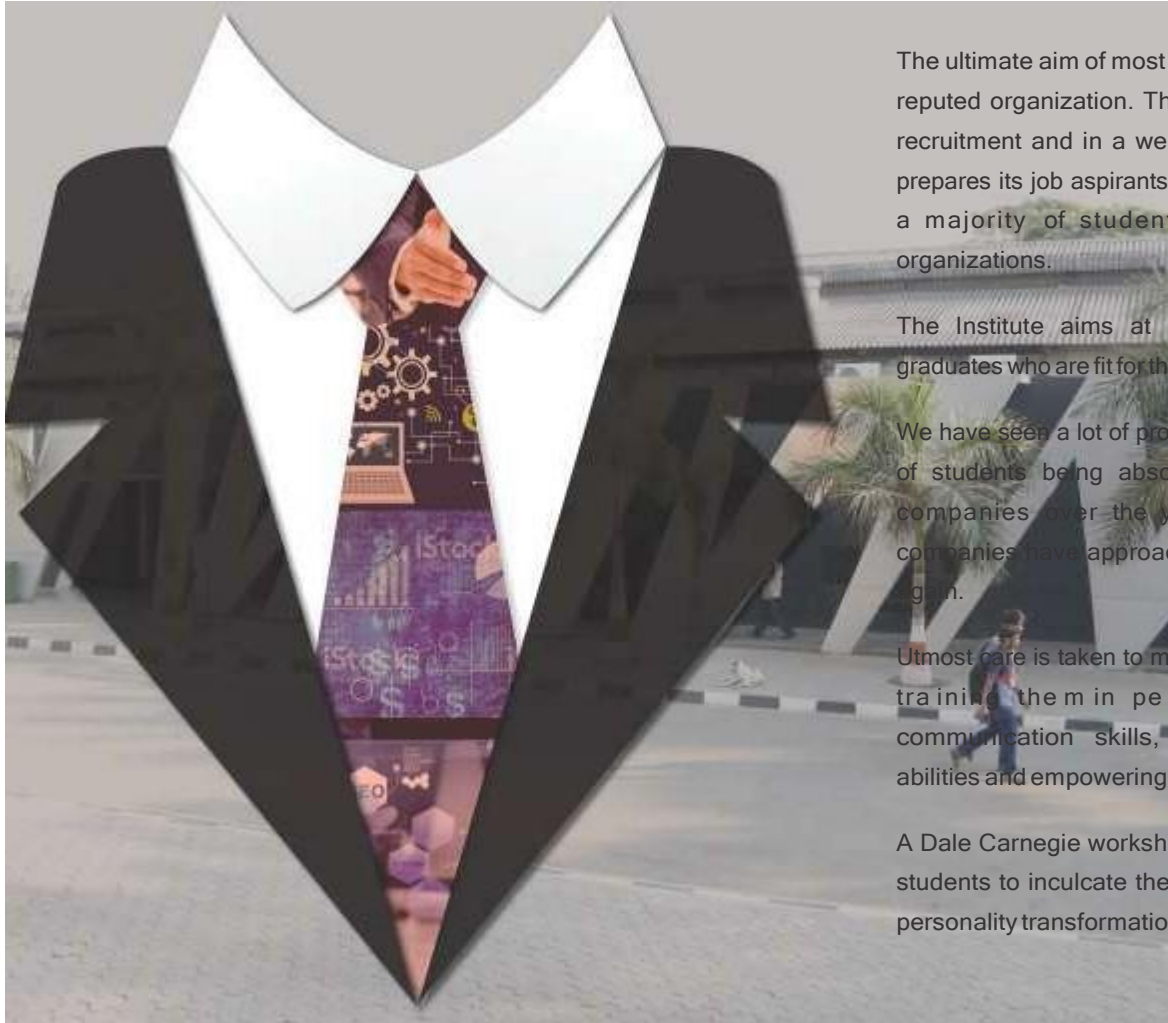

V- Tech:

It is a monthly Departmental Magazine of the Dept of Information Technology. It consists of compiled articles of students and faculty members and contains reports of activities conducted during the month.

We Place You at The Right Position

The ultimate aim of most students is to be recruited in a reputed organization. The Institute prioritizes campus recruitment and in a well-defined process, trains and prepares its job aspirants meticulously and ensures that a majority of students are placed at reputed organizations.

The Institute aims at providing organizations with graduates who are fit for the organization's needs.

We have seen a lot of progress in terms of more number of students being absorbed by various prestigious companies over the years and many esteemed companies have approached us for students time and again.

Utmost care is taken to make students industry ready by training them in personality development, communication skills, improving their analytical abilities and empowering them to interpret data faster.

A Dale Carnegie workshop with training sessions help students to inculcate the required soft skills for a total personality transformation.

Alumni Connect

Staying in Touch

Staying in Touch

An active alumni association is one of the strengths of an academic institution. Alumni can be great role model for the current students. Their expertise and industry experience can be extremely useful in guiding the students to choose right path to career. Moreover, they are the valued partners and ambassadors of overall development of the academic institution.

VSIT alumni association is just a decade old but still its strength has been increasing day by day. Every year, college organises “Alumni Meet” in the month of December which is well attended by past students. VSIT Alumni directory is an effort to create database through which we would remain well connected with our students even they are off the campus. I am sure the task of creating and updating Alumni Directory will help in involving the alumni in educational and research activities of VSIT.

Alumni Association of VSIT organizes a cricket match named Alumni Premier League (APL) to increase the alumni involvement and attachment towards the institution.

Alumni Connect

**Mr. Aniket Singh - B.Sc.(IT) 2011 -
Management Trainee at Marsh India**

I am glad to have chosen Vidyalankar for my Under-Grad course. The faculty and course material provided to us just got better with each passing year. The infrastructure at VSIT stands out and to me is one of the finest in the city. The placement assistance and the mentoring by the professors has been the biggest take away for me. The best part

about the institute is the way it continues to support and guide their students both present and alumnus. The student life at VSIT is a perfect blend of circular and curricular activities and empowers the students to bring the best out of them.

**Mr. Sachin Annam- B.SC IT 2011-
Developer and Designer at L&T
Infotech**

In college days, I used to be bit reluctant in fact afraid while speaking to Professors or giving presentations. But my professors always encouraged me to overcome fear with their friendly nature - which boosted my confidence. We used to have technical presentations at regular intervals which improved our presentation skills. College is equipped with computer labs - open for everyone to improve their programming skills.

Today, I am doing good at professional front - credit goes to my professors who always taught us to focus more on practical knowledge rather than depending on theoretical stuff.

Mr. Dominic Gouveia - BMS 2013 - Research Analyst at Crisil Limited

My 3 wonderful years at VSIT had been nothing short of surprises and can be characterized by - the people I met, the friends I made, the professors that influenced me, the opportunities provided to me; all of which are integral in making me better today and preparing me for the real world. VSIT prepared me to not just be any student waving around a graduate degree, they helped me visualize my goals and reach out towards them, be confident but moreover I learnt how to be a better person. Somewhere, deep down inside of me, I do believe those long hours on presentations, meeting deadline goals, organising Shanivaar Manch(hobby club) events and college festival and extracurricular activities paid off well. But I owe most of my gratitude to the college for encouraging extracurricular activities to help students to be exposed to new and different situations, especially the NSS -The NSS was a stepping stone towards helping me grow individually as a person. It gave me a platform to throw my shyness out of the window and inability to come out of my shell and develop self-confidence, leadership traits and the likes of it.

Student Speak

Pancharatna Ahinave
T.Y.BFM

Vidyalankar gives you the great platform to develop yourself in various activities, competition. The faculty members as well as non-teaching staff is always ready to help & motivate you to take initiative. Sky is the limit in Vidyalankar!!

It also believes in "Beyond Studies" through various activities, guest lectures, Competition, sports etc.

Satyam Jaiswal
T.Y.B.Sc.(IT)

Choosing VSIT was one of the best decisions of my life. These 3 years were golden years of my life full of memories, delightful experiences. Being a VSITian I have gained so much experience and strength to face challenges. The college provided us with every possible facility and a great atmosphere. The teachers are very kind and friendly,

always stood as a pillar to support us to nurture our career. Apart from Academic I got a chance to be part of several committees like CSI, E-Cell and was also encouraged by teachers to take an active part in extra-curricular activities as well. As VSIT's tagline "Be Sure With Vidyalankar", after last 3 years I got the confidence about my capabilities.

Narendra Venkatesan
T.Y.B.Sc.(IT)

Vidyalankar School of Information Technology is one of the best campuses I have ever seen. Its sprawling 11-acre campus makes it even more beautiful. The environment is so vibrant which makes students more comfortable for studying, learning and nurturing the all-round environment of the student in every aspect. Starting from Principal ma'am, Vice-Principal sir, all the faculty members are always there for us and helping students in every aspect.

Vidyalankar School of Information Technology also focuses on all-round growth of students.

VSIT also has various communities like IEEE Student Branch, Computer Society of India, Student Council, NSS which helps students in developing the skills required for them in the corporate culture. Shanivar Manch is one activity which also focuses on cultural activities that is conducted every Saturday in the campus. Last but not the least I would like to say is VSIT always rocks in all the activities it does.

Student Speak

Megha Rajan
T.Y.B.Sc.(IT)

Life at V.S.I.T has been a wonderful journey for me. The infrastructure at V.S.I.T and the environment of college makes us feel like our home. The best part of the college is our wonderful teachers, who are friendly, helpful and constantly thinks about well-being of their students. Vidyalankar helps students to mould themselves in academics as well as in extra-curricular activities. Various sessions conducted by the college have given us in-depth knowledge about the subjects. All the fun-filled Days, College Fest, Sports Day made my college life more interesting.

I am very fortunate to be a part of V.S.I.T family.

Rajat Jaiswal
T.Y.B.A.F

It is great experience for me in VSIT which given me a chance to sharpen my skills in accounting & finance . VSIT is one of the best college in Mumbai university that provides favourable environment for nurturing student skills , talent , knowledge along with academics and giving important to curricular activities . VSIT is very paradox for me one of the challenging experience & one of the best experience that I have during my

undergraduate years . We were blessed with best professors who guided us throughout. VSIT infrastructure spreads a positive energy because of which every VSIT student search for new thing. I am proud to have been part of VSIT which form my way for all round development .

Arjun Bhanushali
T.Y.B.Sc.(IT)

My journey right from the first day has been joyful, from being an introvert in my first semester to becoming the Class Representative of my class. Befriending everyone in college and doing all sort of mischievous things we all grew up. I was selected as the Diamond House Captain and that feeling cannot be described in words. Being the Captain and winning the best

house trophy has given me memories to cherish for life. I would like to thank VSIT for bringing out best in me and to all the coordinators and beloved teachers who have taught me from first year to third year. Thank You for corrective criticism, conceptive suggestions and constant support.

Student Speak

Vidyalankar school of Information Technology had provided us a great platform to open up and participate in all the activities, the faculty members are also very cooperative and supportive, they even conduct guest lectures to provide practical knowledge to us and helped to resolve our doubts by inviting expert people for the events. Innovative learning method such as group discussion, case studies, panel discussions, quiz competitions and projects helped us a lot to understand corporate world better. Faculty members helped me to overcome stage fear by participating in inter and intra collegiate competitions, and that also help me to develop my skills.

Apurva Karaday
T.Y.B.B.I

Sachin Chotele
T.Y.B.B.I

VSIT provided me the necessary platform to develop skills to take my career to the next level. The excellent academic atmosphere and faculty members. I am grateful to have been taught by such supportive teachers who always motivate me by stepping forward and to be a active participant in my life.If one is confident, positive and hard working then nothing can't stop you from achieving your goals and be successful in life, this is what I learnt from Vidyalankar.

Onkar Patil
T.Y. B.Sc.(IT)

This college has great infrastructure with great facilities and also motivates us towards our life goals.

It also helped us to build our ability towards success and also the faculties motivate students to achieve their life goals.

Ninad Dangre
S.Y.B.M.M

My batch was the first batch of the college.Hence,I was very excited to take BMM course in VSIT. BMM course has helped me in building confidence and learning new things everyday. Highly motivated teachers,friendly atmosphere, very good administration and organisation. We also had Guest lectures,seminars,cultural fests and lot more.Vidyalankar always aims for overall development of students. Brilliant infrastructure and labs. Overall a complete package of great experience.

Committees

The main aim behind establishing several committees at VSIT was to facilitate proper and effective functioning of the institute. Proper care is taken to ensure effective management of the committees to benefit both students and faculty members.

ALUMNI COMMITTEE

The motive behind creating this committee was to establish contact with the alumni who are committed to promoting the welfare of the institute supporting its traditions and goals and enhancing the institutes fame locally & globally.

The committee aims at identifying & nurturing the skills required for an entrepreneur in the students and giving them solutions that create sustainable economy to create a successful business and a significant realizable value for self-community and nation.

ENTREPRENEURSHIP DEVELOPMENT COMMITTEE

FINAL YEAR PROJECTS QUALITY ASSURANCE COMMITTEE

This committee ensures that the students prepare very meaningful useful projects. It makes the students think the main motive of the committee is to inculcate project handling skills in students.

This committee is constituted to ensure that there is access to wholesome food on the campus & that the cafeteria & kitchen premises conform to high standards of cleanliness. It regularly monitors matters related to pricing, variety, meal plans, address issues & concerns from the college community regarding the food services.

FOOD & BEVERAGES COMMITTEE

ANTI-RAGGING COMMITTEE

Ragging is an offence by law. It is punishable offence. Ragging is viewed as very serious act and the Hon'ble Supreme Court has issued very strict orders to curb ragging in educational Institute.

This committee works towards designing an effective curriculum which prepares students for jobs in multinational companies by exposing them to the newest technologies and practical methodologies by way of strategic collaboration with industries.

INDUSTRY- INSTITUTE INTERACTION COMMITTEE

LABORATORY DEVELOPMENT COMMITTEE

This committee takes every step to provide best facilities in the institute laboratories leading the research environment and creating "Centers of Excellence" in the technological field.

The purpose of the Library Committee is to assist in developing operational procedures suggest various measures for improvement and development of the library resources and formulate both personal & fiscal polices which would enable the students to make optimum use of library and inculcate reading habits in them.

LIBRARY COMMITTEE

PARENT INTERACTION COMMITTEE

This committee was designed keeping in mind parent's crucial role in the occupational aspirations of their children. The committee provides a common forum for interaction of parents and teachers so as to exchange feedback and jointly motivate the student to put in his / her best efforts.

Committees

PERSONALITY ENRICHMENT COMMITTEE

The committee organizes & co-ordinates an interesting blend of courses ranging from soft skills to grooming sessions to equip individuals to qualitatively upgrade their life and career. The training programs are specially designed to enhance skills such as team-building, assertiveness & confidence building, aimed at raising employee morale.

The committee facilitates prospective employers by organizing institute-industry interactions regularly, providing complete support for arranging placement activities on the campus & recommending students to them for internship & placement. It organizes pre-placement training by way of group discussions, personal interviews & workshops on personality enrichment & Communication Skills in an attempt to equip students with the necessary skills required to meet the challenges of recruitment.

PLACEMENT COMMITTEE

RESEARCH & DEVELOPMENT COMMITTEE

The committee focus on providing an atmosphere conducive to research & development for faculty & students by entering into strategic collaborations with industries & other institutes at the national & international levels. The key goal is to initiate & give the proper impetus to research activities which would contribute to further developments in an increasingly tech-savvy world.

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is be to create a professional bonding which helps enhance domain knowledge and pedagogy skills.

STAFF DEVELOPMENT / WELFARE COMMITTEE

CAREER COUNSELLING COMMITTEE

The committee caters to the counsel the students into not only professionally and academically but also ethically and personally, so as to ensure a comprehensive development of the students. Committee shall focus on improving institutional effectiveness by integrating strategic training courses with the existing curriculum.

To provide all round development to the students in terms of co-curricular and extra-curricular activities, the student council committee organizes the events in a planned manner. It provides a stress relieving non-academic interaction for students at the end of an intensive academic week. It engages the students in qualitative activities in post academic hours to develop a sense of attachment to the college.

STUDENT'S COUNCIL COMMITTEE

VIDYALANKAR VOLUNTEERING COMMITTEE

The committee motivate students to willingly participate in 'on-the field' social service activities, build partnerships with NGO's to address common goals and raise awareness of volunteering as it is also an important part of the role of educators.

It has always been the endeavor of VSIT to promote and preserve Marathi Literature, Language & culture. VSIT has always been a torch bearer of Marathi tradition. VSIT has a special committee - "Marathi Vangmay Mandal" which always strives for the arrangement of various programs in Marathi. The objective of this Committee is to promote the importance of preserving Marathilinguistic, literature & culture for the younger generation.

MARATHI VANGMAY MANDAL

WOMEN DEVELOPMENT CELL COMMITTEE

The committee seeks to promote respect for women at the workplace, address feminist issues, identify problems of working women and try to resolve them in a well-negotiated manner. This is achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

CORPORATE COMMUNICATION COMMITTEE

The purpose of this committee is to develop, update, and enhance accessibility of the Internal and External websites to benefit all existing members of the institution. It coordinates efforts to design a creative and flexible website while maintaining current and relevant content and increasing usability.

This committee has been formulated in order to make all students and employees aware of the complaint handling process. This system would ensure that redressal sought is just and fair and is within the given framework of rules and regulations. The committee shall discuss & analyze the causes for the complaints, the complaint resolution process & to discuss the progress and action plan on the same.

GRIEVANCE REDRESSAL COMMITTEE

Faculty

The Institute is empowered with its highly experienced and committed team of faculty, easily one of the best amongst un-aided institutes in the region.

They are endowed with rich academic, industrial, research and project experience to execute and implement Design, Development, Research and Consultancy Projects in diverse technological and management domains. This can be attributed to their solid theoretical foundation coupled with practical know-how and expertise.

Information Technology

Management, Commerce & Arts

VSIT
Staff

Lab

Administration

Initiatives

Life Long Learning and Extension

It teaches goal setting, planning & time management. It promotes a meaningful and sustained rapport between the universities and community. The projects offered are vocational career oriented / community oriented projects. Each student is required to put in 120 hours of work.

V-Search

VSIT created a research platform for students in the form of V-search. It consisted of Research Paper Presentation competition for students at intra- College and Inter-college level. V-Search is an attempt to encourage and motivate students to give an insight into research so that they can enhance their literary skills and pursue their passion for research at an early stage.

Initiatives

VERVE & VIGOUR 2017-18

> College festivals are the most effective way of bringing youth under the same platform, enhance social interactions and facilitate exchange of cultural ideas and thoughts.

Verve, the annual college festival organized by VSIT is a vibrant roof under which many upcoming talents have showcased their skills and abilities and even this year the festival had something for everyone. The event enjoyed massive publicity and popularity and was a true delight for every college student because of its refreshing experience.

Initiatives

Spoken Tutorial

The Institute conducts spoken tutorial an IIT Bombay project for students as well as for faculty members.

AAP Workshop

Academic Administration Plan (AAP) workshop is conducted by the Institute in beginning of every semester, where teaching faculties plan for the semesters, lecture, assignments, tutorials and beyond curricular.

Placement Team

VSIT Training and Placement Cell provides placement opportunity to all courses.

The Role and Activities of Placement Cell are -

- Career Awareness Sessions.
- Model aptitude tests, mock Group discussions and Interviews to excel in the recruitment process.
- Arranging Industrial Visits, Guest Lectures and Industry-Institute Interactive activities and summer placements.

Initiatives

Shanivar Manch

The objective of 'Shanivar Manch' is to inspire students to pursue a hobby and explore their potential in music, photography, paintings, star gazing, web designing, trekking etc. 'Shanivar Manch' encourages students to participate in recreational activities, thus providing an opportunity for networking, team building and personality development. This is organized by students for students.

The various activities conducted as part of Shanivar Manch are:

- Workshops : Chess, Rangoli, Nail Art, Sari Designing etc.
- Movie Screening : Inspirational and educative
- Sports Competitions : Inter and Intra college
- Dance : National and International dance forms
- Music Session : College bands performing for their fellow students
- Quizzes and debates

V-CMT 2018

It was one of those proud moments for VSIT - a bold step which has taken the institute closer to its dream of a research university! VSIT organized a two days National Research Conference V-CMT 2016 on the theme India 2025 : A Vision for Next Decade.

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service. Today, NSS has more than 3.2 million student volunteers on its roll spread over 298 Universities and 42(+2) Senior Secondary Councils and Directorate of Vocational Education all over the country. From its inception, more than 3.75 crore students from Universities, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

Life Long Learning & Extension Unit

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the University and the community.

It's Mission and Goals include promoting the aims and values of human development in community colleges and universities. It also provides a forum for the exchange of ideas, innovation, research and students. It aims to increase their presentative voice of those traditionally ignored in society. In short it increases student interaction with the world outside.

Glamour Quotient at Vidyalankar

The Wadala campus of Vidyalankar is a blend of academics and entertainment. Through the year, the campus has been peppered with various interesting activities. While the glam quotient keeps the students charged, the main focus of the institute is providing best facilities in education and training.

It is important to provide students the best of education in a modern environment synergic with today's corporates.

Equally important is to design a number of activities that make students sure-footed and groom them into global citizens.

विद्यालंकारमध्ये 'माय मराठी'

कौन्तेय कुडतरकर,
विद्यालंकार स्कूल ऑफ इन्फॉर्मेशन टेक्नॉलॉजीच्या
muntainbox@gmail.com

आयली मायमराठी जपण्यासाठी कॉलेजिअन्सही सूप वेगवेगळ्या प्रकारे प्रयत्नशील असतात. विद्यालंकार स्कूल ऑफ इन्फॉर्मेशन टेक्नॉलॉजीच्या 'व्हर्व' फेस्टमध्येही मराठी संस्कृतीचा गजर होणार आहे. २२ डिसेंबरला हा सोहळा कॅम्पसमध्ये रंगणार असून, त्यासाठी कॉलेजच्या विद्यार्थ्यांची जोरदार तयारी सुरु आहे. या वर्षी या फेस्टिव्हलाने चौदाव्या वर्षात

पदापण केलं आहे. 'महाराष्ट्र टाइम्स' या फेस्टिव्हलचा टोप पीडिया पार्टनर आहे. 'व्हर्व'मध्ये काही इव्हेंट्स १५ डिसेंबरपासून कॉलेजमध्ये रंगले होते. नेहमीप्रमाणे या वर्षी पाच हाऊसेसमध्ये विविध स्पर्धांच्या माध्यमातून चुरस रंगली होती. बेस्ट हाऊस ट्रोफी कुणाला मिळणार याची उत्सुकता सगळ्यांनाच आहे. हे हाऊसेस म्हणजे डायमंड, एग्राल्ड, रुबी, सफायर आणि

बँड बजा डाला

यश राणे, कॉलेज क्लब रिपोटर
muntainbox@gmail.com

तरुणाईला पुन्हा एकदा संतांच्या अभंगांची गोडी लावण्यात महत्वाची भूमिका बजावतोय तो 'अभंग रिपोस्ट' हा बँड. पारचात्य धूनवर त्यांनी बसवलेले आपले अभंग ऐकण्यासाठी तरुणाई आतुर होते. त्यांच्याकडून प्रेरणा घेऊन विद्यालंकार स्कूल ऑफ इन्फॉर्मेशन टेक्नॉलॉजी या कॉलेजच्या काही विद्यार्थ्यांनी त्यांचा एक बँड तयार केला आहे. त्यांचं नाव आहे 'म्युझिकल रिबूट'.

यात गिटार वाजवतो. 'रीबूट'च्या संगीतकारांनी यात षोलकीएवजी तबला वापरला आहे. रोजीत गायकवाड या बँडमध्ये तबला वादन करतो आणि हार्मोनियमसाठी आहे शुभम चव्हाण. कौरसमध्ये अखदाम शेख, देवांग लवकर आणि केतन बांद्रे ह्या मुलांची जोड आहे.

विशेष म्हणजे या विद्यार्थ्यांपैकी कुणाच्याही घरात संगीताचा वारसा नाही. हे सर्वजण कॉलेजंतर सरावासाठी धांबायचे. कधी कॉलेजमध्ये तर कधी कुणाच्या घरी जाऊन ते सराव करू लागले. प्रत्येकाने थोडे-थोडे पैसे साठवत वाद्यांसाठी रक्कम उभी केली. कॉलेजन्ही त्यांना फेस्टिव्हलमध्ये परफॉर्म करायची संधी दिली. संगीत 'माय मराठी'च्या ओपनिंग अँक्टमध्ये त्यांनी परफॉर्म केलं आणि त्यांना प्रेक्षकांचा प्रचंड प्रतिसाद मिळवला. हळूहळू त्यांना कॉलेजतर्फे इतर कार्यक्रमांसाठी हार्मोनिस्टची सुरुवात करण्याची सुरुवात करण्याची सुरुवात करण्याची सुरुवात न राहता जुन्या गाण्यांना नवीन चाल देऊन ते सादर करण्याचाही त्यांचा प्रयत्न आहे.

यश राणे, विद्यालंकार कॉलेज
muntainbox@gmail.com

'व्हर्व' मध्ये सिनेसृष्टीचं प्रतिबिंब

मराठीमध्ये संस्कृतीच्या विविध छटांचं दर्शन घ्यायला मिळेल. विद्यालंकार स्कूल ऑफ इन्फॉर्मेशन टेक्नॉलॉजीच्या आंतरराष्ट्रीय विद्यालंकार 'व्हर्व' फेस्ट अंतर्गत 'माय मराठी' चं १४ वें पर्व संपन्न झालं. मराठी सिनेसृष्टीचं प्रतिबिंब 'माय मराठी'मध्ये पहायला मिळेल. या फेस्टचं मुख्य आकर्षण ठरलं ते विद्यालंकार कॉलेजच्या स्वतःच्या झेल पयकाच्या वादनामुळे. म्हणजे विद्यार्थ्यांमार्फत आलेल्या विद्यार्थ्यांच्या पालकांनीही वादनांच्या टेक्नावर ताल धरता. 'महाराष्ट्र टाइम्स' या फेस्टचा पीडिया पार्टनर होता. 'व्हर्व' फेस्टच्या मिस्टर VSIT २०१७चा किंबच श्रेय दत्तानिया या विद्यार्थ्यांनी आपल्या वादन आणि आणि बिटबॉक्सद्वारे कोराल्याने मिळवला तर स्काउट्सच्या नृत्य कौशल्यांनी सगंधा गोंडडला मिस VSIT २०१७ चं मान मिळवला. 'ऑफर डे', 'मिना-मंच डे', 'सॅट्रेट सॅट गिफ्ट्स' अशा नवीन कार्यक्रमांना उत्तम प्रतिभा मिळवला.

मिस्टर VSIT २०१७ श्रेय दत्तानिया आणि मिस VSIT २०१७ सगंधा गोंडड

'कॉलोगस्ट', 'लुडो', 'स्टोरी वू फोटोबॉक्स', 'जंक म्युझिक', 'बॉडी पेंटिंग'च्या स्पर्धांमध्ये अटी-कटीचे सांगणे रंगले. पेट प्रकृत विद्यार्थ्यांमुळे न राहता त्यात शिक्षक ही समील झाले. अंतर्गत, लुडो, रॉबोट्स अशा स्पर्धांमध्ये काही वेळेस विद्यार्थ्यांमार्फत शिक्षक असोही सामने पहायला मिळाले.

तरुणाईची फोटोग्राफीची आवड लक्षात घेऊन अनेक कॉलेजांमध्ये फोटोग्राफी क्लब जोरात सुरू आहेत. आजच्या 'क्लब' फोटोग्राफी हे निमित्त त्यांच्यावर एक फोकस टाकू या...

कॅम्पसचे 'क्लिक' स्टार्स

मुंबई-राज्यातल्या बहुतांश कॉलेजांमध्ये फोटोग्राफी क्लब सुरू आहेत. या क्लबमध्ये फोटोग्राफी करण्यास उत्तम असणाऱ्या विद्यार्थ्यांना प्रशिक्षण दिले जाते. तसेच फोटोग्राफीसाठी त्यांचे खास दौरेही आयोजित केले जातात. या फोटोग्राफी क्लबचे सदस्य कॉलेजच्या कार्यक्रमांमध्ये फोटोग्राफी करतात. शिवाय, यातले विद्यार्थी अनेक फोटोग्राफी आणि स्तूपपट स्पर्धांमध्ये भाग घेऊन बक्षीस जिंकतांनाही दिसतात....

■ द फोटोग्राफी क्लब अँड पोस्टार कॉलेज पोस्टार कॉलेजचा फोटोग्राफी क्लब सूप अॅक्टिव्ह आहे. फोटोग्राफीच्या कार्यशाळांवरूनच कॉलेजमध्ये

रहास मिळतात. तसेच सोनिअस त्यांना काही मोलाचे सल्लेही देतात.

■ बीएसआयटी बीएमएम फोटोग्राफी क्लब विद्यालंकार कॉलेजमध्ये गेल्या वर्षी बीएमएम कोर्स सुरू करण्यात आला. या वर्षच्या विद्यार्थ्यांनी गुढाकार घेऊन फोटोग्राफी क्लबचे सुरुवात केली. या विद्यार्थ्यांनी कॉलेज फेस्टिव्हलमध्ये फोटोग्राफी आणि डॉटफिल्म स्पर्धेत जातलोकिं

The Beginning Of Vidyalankar

> "Work is worship."

Vidyalankar is a fusion of two Sanskrit words Vidya + Alankar, the essence of which is 'True attainment of mind'. Vidyalankar started off with the passion of the Founder, Prof. Govind Deshpande, who needed just a black board and young impressionable minds to impart knowledge. Prof. Deshpande had a brilliant career throughout. His passion for education led him to give up his brilliant career with the India Railways as Class I gazetted officer to start the Vidyalankar Classes in 1950.

The Trust runs multiple colleges namely, Vidyalankar Institute of Technology, an Engineering & Management College approved by the India Council of Technical Education (A.I.C.T.E), Directorate of Technical Education (D.T.E), Maharashtra State and affiliated to the University of Mumbai with Electronics Engineering, Electronics & Telecommunication Engineering and Biomedical Engineering programmes accredited by National Board of Accreditation.

Vidyalankar School of Information Technology

VSIT enjoys the reputation of being one of the finest colleges of higher learning. Its outstanding performance in the field of curricular and co-curricular activities has considerably enhanced its prestige. VSIT provides quality education and high academic ambience for overall development of the students.

It conducts Science (IT) , Management, Commerce, Graduate and Post-Graduate courses.

It has foreign collaborations with universities of the stature of Penn State University, California State University, Aston University, Sheffield Hallam University, University of Toledo and Hult International Business School with a high number of students landing campus placements in companies such as Bristlecone (Tech Mahindra), NSE, TCS, L & T Infotech, iGATE, HDFC Securities, Jaro Education, Birla Sunlife, NCR, etc.

The phenomenal success rate of students who emerge as toppers bears testimony to the high esteem that VSIT enjoys in the field of academics.

From Principal's Desk

Vidyalankar School of Information Technology is upcoming as a leading educational institution in the field of information technology, commerce and management. Our students are making progress not only in academics but in all walks of life including career prospects. We want to ensure that our students will be capable of thinking critically, solving problems, communicating well and utilizing technology in all possible ways.

Dr. Rohini Kelkar
Principal

We aim at making information available to all our stakeholders through their interaction with VSIT about our current and past students. A highly effective forum www.vsitlive.com gives an opportunity to all students and teachers to remain informed about the events at VSIT and upgrade their information on par with the needs of modern world.

Our teaching methods also have professional touch. We prepare students to be competitive in the 21st century by providing Dale Carnegie soft skills development program, pre-placement training, practice sessions for C.V. writing and enhancement of their technical skills through organizing technical seminars. We take pride in generating tech-savvy, innovative and academically excellent professionals.

Mr. Asif K Rampurawala
Vice Principal

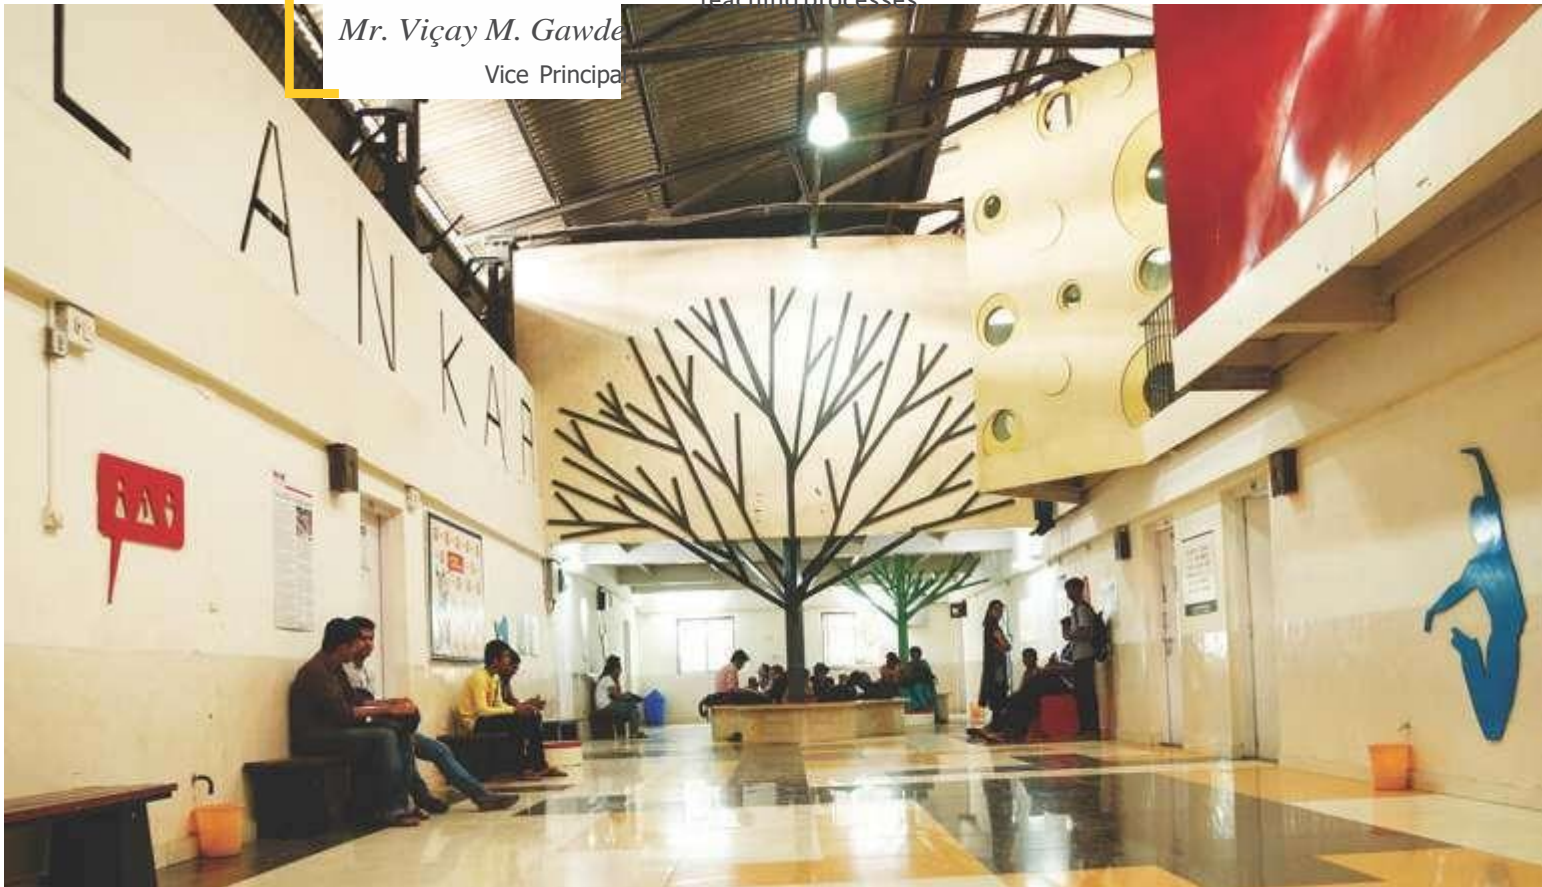

The pursuit of knowledge is truly a noble cause which only we human beings are fortunate to possess. At Vidyalankar, we believe that knowledge (Vidya) is the true ornament (Alankar). In our endeavour towards creating global citizens who are aware of their societal needs, we have undertaken various programmes through student bodies like NSS, CSI, Lifelong Learning and Extension and others. There is lot of information available today to students via the internet but making sense of this information or in other words converting information to knowledge requires guidance. VSIT is place where students from all walks of life and sections of society come to get quality education and holistic development. We continually strive to exceed the expectations of all our stakeholders including students, parents, industry and community.

From the Vice Principal's Desk

The greatest gift education gives us capability to mitigate most of the challenges faced in life. The pace of globalization, liberalization and privatization has tremendously influenced the various dimensions of Commerce and Management education which includes finance, marketing, accounting, human resource management, entrepreneurship development, commercial and business law etc. We at VSIT strive to provide the best of education to our students in this very competitive and fast moving world of commerce and management. We have well qualified and competent faculty members with world class pedagogy being implemented in our learning and teaching processes.

Mr. Viçay M. Gawde
Vice Principal

COURSES THAT CAN CHANGE THE COURSE OF YOUR LIFE!

- > B.Sc. (IT) Bachelor of Science (Information Technology)
- > B.M.S. Bachelor of Management Studies
- > B.A.F. Bachelor of Commerce (Accounting and Finance)
- > B.B.I. Bachelor of Commerce (Banking and Insurance)
- > B.F.M. Bachelor of Commerce (Financial Markets)
- > B.M.M. Bachelor of Mass Media
- > M.Sc. (IT) Master of Science (Information Technology)
- > M.Com. (B&F) Master of Commerce (Banking & Finance)
- > M.Com. (Accounts) Master of Commerce (Advance Accounting)

Academic Intake summary and syllabus

	COURSE	INTAKE	DURATION	CRITERIA
UNDER GRADUATE COURSE	B.Sc. (IT) - Bachelor of Science (Information Technology)	300	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* and above in one sitting. Maths being one of the subjects.
	BMS - Bachelor of Management Studies	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* and above. Diploma in any Engineering branch (2/3/4 years after X with a minimum of 45% (open) 40% (reserved category)* in one sitting.
	B.Com. - Bachelor of Commerce (Accounting & Finance)	180	3 Years	H.S.C. (or equivalent to 10+2) with a minimum of 45% (open), 40% (reserved category)* in one sitting.
	B.Com. - Bachelor of Commerce (Banking & Insurance)	60	3 Years	
	B.Com. - Bachelor of Commerce (Financial Markets)	60	3 Years	
	BMM	60	3 Years	
	Direct Second Year Admission from Diploma to B.Sc. (IT)	30	2 Years	Diploma (Recognised by BTE & other Govt.Body) in Information Technology-I Computer Technology-I, Computer Science-I Electrical / Video Engg / Mech / Civil & allied Branches or passed Sem I & II of B.Sc.(IT) from other institutes affiliated University of Mumbai. (Subject to vacancy)
	COURSE	INTAKE	DURATION	CRITERIA
POST GRADUATE DEGREE	M.Sc. (IT) - Master of Science (Information Technology)	40	2 Years	Bachelor in the respective branch or any equivalent degree with minimum 45% marks, Maths being a compulsory subject at 10+2 or its equivalent examination.
	M.Com. - Master of Commerce (Banking & Finance)	60	2 Years	B.Com / BMS / BBI / BAF / BFM Degree
	M.Com. (Accounts) - Master of Commerce (Advanced Accounting)	60	2 Years	

B.Sc.(IT) - Bachelor of Science (Information Technology)

The three year (six semesters) B.Sc.(IT) course aims to synergies Information Technology in all its ramifications. The program provides skills and training to a wide range of students from different educational backgrounds. The focus of the program is Information Technology and Management of Information Technology.

SEMESTER I

- ◆ Imperative Programming
- ◆ Digital Electronics
- ◆ Operating System
- ◆ Discrete Mathematics
- ◆ Communication Skills

SEMESTER III

- ◆ Python Programming
- ◆ Data Structures
- ◆ Computer Networks
- ◆ Database Management Systems
- ◆ Applied Mathematics

SEMESTER V

- ◆ Network Security
- ◆ ASP.NET with C#
- ◆ Software Testing
- ◆ Advanced Java
- ◆ Linux Administration

SEMESTER II

- ◆ Object Oriented Programming
- ◆ Microprocessor Architecture
- ◆ Web programming
- ◆ Numerical and Statistical Methods
- ◆ Green Computing

SEMESTER IV

- ◆ Core Java
- ◆ Introduction to Embedded Systems
- ◆ Computer Oriented Statistical Techniques
- ◆ Software Engineering
- ◆ Computer Graphics and Animation

SEMESTER VI

- ◆ Internet Technologies
- ◆ Project Management
- ◆ Data warehousing
- ◆ Elective subject
 - IPR & Cyber law
 - Digital Signals & System
 - GIS
- ◆ Project

BMS - Bachelor of Management Studies

The three year (Six Semester) B.M.S. Course is designed for those students from different educational backgrounds wishing to acquire the skills needed to pursue a high level career in the world of business. The objective of the program is to prepare students to exploit opportunities being newly created in the management profession.

Specialization / Electives will be offered from 3rd Semester onwards.

SEMESTER I

- ◆ Business Communication
- ◆ Introduction to Financial account
- ◆ Business Law
- ◆ Business Statistics
- ◆ Foundation of Human Skills
- ◆ Business Economics
 - Foundation course – I

SEMESTER II

- ◆ Principles of Marketing
- ◆ Industrial law
- ◆ Business Mathematics
- ◆ Business Communication – II
- ◆ Business environment
- ◆ Principles of Management
 - Foundation course – II

SEMESTER III

- ◆ Information Technology in Business Management – I
- ◆ Environmental Management
- ◆ Business Planning & Entrepreneurial Management
- ◆ Accounting for Managerial Decisions
- ◆ Strategic Management
- ◆ Any one Elective group Finance Group
 - Basics of Financial Services
 - Corporate Finance
- ◆ Marketing Group
 - Consumer Behaviour
 - Product Innovatios Management
- ◆ Human Resource Group
 - Recruitment & Selection
 - Motivation and Leadership

SEMESTER IV

- ◆ Information Technology in Business Management – II
- ◆ Business Economics – II
- ◆ Business Research Methods
- ◆ Ethics & Governance
- ◆ Production & Total Quality Management
- ◆ Any one Elective group Finance Group
 - Financial Institutions & Markets
 - Behavioural Finance
- ◆ Marketing Group
 - Rural Marketing
 - Event Marketing
- ◆ Human Resource Group
 - Training & Development in HRM
 - Change Management

SEMESTER V

- ◆ Logistics & Supply chain Management
 - ◆ Ethics & Governance
 - ◆ Project work
 - ◆ Any one Elective group Finance Group
 - Investment Analysis and Portfolio Management
 - Commodity and Directives Market
 - Wealth Management
 - Strategic Financial Management
 - ◆ Marketing Group
 - Service Marketing
 - E-Commerce and Digital Marketing
 - Sales and Distribution Management
 - Customer Relationship Management
 - ◆ Human Resource Group
 - Finance for HR Professionals and Compensation Management
 - Strategic Human Resource Management and HR Policies
 - Performance Management and Career Planning
 - Industrial Relations
- ## SEMESTER VI
- ◆ Operation Research
 - ◆ Indian Ethos in Management
 - ◆ Corporate Communication & public Relations
 - ◆ Any one Elective group Finance Group
 - Risk Management
 - International Finance
 - Innovative Financial Services
 - Project Management
 - ◆ Marketing Group
 - Brand Management
 - Retail Management
 - International Marketing
 - Media Planning and Management
 - ◆ Human Resource Group
 - HRM in Global Perspective
 - Organizational Development
 - HRM in Service Sector Management
 - Human Resource Planning and Information System

B.A.F. - Bachelor of Commerce (Accounting & Finance)

It provides adequate basic understanding about Banking, Insurance & other financial services and gives an adequate exposure to operational environment in the field of Banking, Insurance & other related financial services of Accounting and Finance.

SEMESTER I

- ◆ Financial Accounting–elements of financial accounting Paper – I
- ◆ Cost Accounting –Introduction & elements of cost
- ◆ Financial Management–Introduction to financial management paper-I
- ◆ Business Communication
Commerce Business Environment – 1
- ◆ Business Economics – I
- ◆ Foundation course – I

SEMESTER II

- ◆ Financial accounting – special accounting areas paper – II
- ◆ Auditing –Introduction & planning paper I
- ◆ Taxation – Indirect taxes–paper I
- ◆ Business communication – II
- ◆ Business law–Business regulatory framework
- ◆ Business Mathematics
- ◆ Foundation course – II

SEMESTER III

- ◆ Information Technology in Accountancy – I
- ◆ Commerce (Financial Market Operations)– II
- ◆ Business Law (Business Regulatory Framework) – II
- ◆ Business Economics – II
- ◆ Any 3 Subjects from the following
- ◆ Financial Accounting (Special Accounting Areas)–III
- ◆ Cost Accounting– (Methods of Costing) – II
- ◆ Auditing (Techniques of Auditing & Audit Procedures)–II
- ◆ Taxation – II (Indirect Taxes paper – II)

SEMESTER IV

- ◆ Information Technology in Accountancy – II
- ◆ Management (Introduction to Management)–I
- ◆ Business Law (Company Law)–III
- ◆ Research Methodology in Accounting & Finance
- ◆ Any 3 Subjects from the following
- ◆ Financial Accounting(Special Accounting Areas) – IV
- ◆ Wealth Management
- ◆ Auditing – III
- ◆ Taxation – III (Indirect Taxes – III)

SEMESTER V

- ◆ Financial Accounting – V
- ◆ Cost Accounting – III
- ◆ Financial Management – II
- ◆ Taxation – III (Direct Tax – I)
- ◆ Auditing – III
- ◆ Management Accounting – II

SEMESTER VI

- ◆ Financial Accounting – VI
- ◆ Cost Accounting – IV
- ◆ Financial Management – III
- ◆ Taxation – IV (Direct Tax – II)
- ◆ Financial Accounting – VII
- ◆ Economics – III (Indian Economy)

B.B.I. - Bachelor of Commerce (Banking & Insurance)

It provides adequate basic understanding about Banking, Insurance & other financial services to the students and gives an adequate exposure to operational environment in the field of Banking, Insurance and other related financial services.

SEMESTER I

- ◆ Environment & management of financial services
- ◆ Principles of Management
- ◆ Financial Accounting – I
- ◆ Business Communication – I
- ◆ Business Economics
- ◆ Quantitative Methods – I
 - Foundation course – I

SEMESTER II

- ◆ Principles & Practices of Banking & Insurance
- ◆ Business law
- ◆ Financial Accounting – 2
- ◆ Business communication – 2
- ◆ Organizational Behaviour
- ◆ Quantitative Methods – 2
 - Foundation course – II

SEMESTER III

- ◆ Information Technology in Banking & Insurance – I
- ◆ Laws Governing Banking & Insurance
- ◆ Financial Market (Equity, Debt, Forex and Derivatives)
- ◆ Taxation of Financial services
- ◆ Financial Management – I
- ◆ Management Accounting (Tools & Techniques, Focus on Banking & Insurance)
- ◆ Organizational Behaviour

SEMESTER IV

- ◆ Information Technology in Banking & Insurance – II
- ◆ Corporate Laws & Laws Governing Capital Market
- ◆ Universal Banking
- ◆ Business Economics – II
- ◆ Financial Management – II
- ◆ Financial Market (Equity, Debt, Forex and Derivatives)
- ◆ Wealth Management

SEMESTER V

- ◆ Marketing in Banking & Insurance
- ◆ Financial Service Management
- ◆ International Banking & Finance
- ◆ Financial Reporting & Analysis
- ◆ Security Analysis & Portfolio Management
- ◆ Auditing
- ◆ Project on Banking

SEMESTER VI

- ◆ Strategic Management (Banking & Insurance)
- ◆ Central Banking
- ◆ International Business (Banking & Insurance)
- ◆ Human Resource Management in Banking & Insurance
- ◆ Business Ethics & Corporate Governance
- ◆ Turnaround Management
- ◆ Project on Insurance

B.F.M. - Bachelor of Commerce (Financial Markets)

BFM is the course that tenders extensive knowledge on the Financial and Capital Markets. With subjects like Derivatives, Global Capital Markets, Debt Markets, Equity Markets, Security Markets, Risk Management, Forex and Commodities Market (to name a few) this course promises highly skilled and vibrant young professionals.

SEMESTER I

- ◆ Financial Accounting – I
- ◆ Introduction to Financial System
- ◆ Business mathematics
- ◆ Business communication – I
- ◆ Business Environment
- ◆ Business Economics – I
- Foundation course – I

SEMESTER III

- ◆ Debt Markets –1
- ◆ Equity Market –1
- ◆ Investment banking
- ◆ Taxation
- ◆ Management Accounting
- ◆ Business Law –1
- ◆ Money Market

SEMESTER V

- ◆ Global Capital Markets
- ◆ Regulations Of securities Markets
- ◆ Insurance (Fund) Management
- ◆ Derivatives Markets
- ◆ Foreign Exchange Markets
- ◆ Portfolio Management
- ◆ Project – I

SEMESTER II

- ◆ Financial Accounting – II
- ◆ Principles of Management
- ◆ Business Statistics
- ◆ Business Communication – II
- ◆ Environment Science
- ◆ Computer Skills – I
- Foundation course – II

SEMESTER IV

- ◆ Debt Markets – 2
- ◆ Equity Market – 2
- ◆ Merchant Banking
- ◆ Computers in Investment
- ◆ Corporate Finance
- ◆ Business Law –2
- ◆ Foreign Exchange Markets

SEMESTER VI

- ◆ Risk Management
- ◆ Corporate Governance
- ◆ Computer Applications in Financial Services
- ◆ Marketing of Financial services
- ◆ Mutual Fund Management
- ◆ Customer Relationship Management in Financial services
- ◆ Project – II

BMM - Bachelor in Mass Media

The three year (six semester) BMM course aims to provide a strong background in principles of advertising, marketing, journalism and communication. The programme aims to develop soft skills and creativity through presentations, seminars and workshops. The focus of the programme lies in the areas of media, advertising and journalism.

SEMESTER I

- ◆ Effective communication skill - I
- ◆ Fundamentals of Mass Communication
- ◆ Introduction to computers
- ◆ History of the world, India & Maharashtra
- ◆ Introduction to Sociology
- ◆ Introduction to Economics

SEMESTER II

- ◆ Effective Communication skill - II
- ◆ Political Concepts and the Indian Political Systems
- ◆ Principles of Management
- ◆ Principles of Marketing
- ◆ Introduction to Psychology
- ◆ An Introduction to Literature

SEMESTER III

- ◆ Introduction to Public Relations
- ◆ Introduction to Media Studies
- ◆ Introduction to Cultural Studies
- ◆ Introduction to Creative Writing
- ◆ Introduction to Advanced Computers
- ◆ Introduction to Understanding Cinema

SEMESTER IV

- ◆ Mass Media Research
- ◆ Organisational Behaviour
- ◆ Introduction to Advertising
- ◆ Radio and Television
- ◆ Introduction to Journalism
- ◆ Print production & Photography

SEMESTER V

ADVERTISING

- ◆ Advertising in Contemporary Society
- ◆ Copywriting
- ◆ Advertising Design (Project Paper)
- ◆ Consumer Behaviour
- ◆ Media Planning & Buying
- ◆ Brand Building

JOURNALISM

- ◆ Reporting
- ◆ Editing
- ◆ Feature & Opinion
- ◆ Journalism & Public Opinion
- ◆ Indian Regional Journalism
- ◆ News paper & Magazine Making (Paper Project)

SEMESTER VI

ADVERTISING

- ◆ Advertising & Marketing Research
- ◆ Legal Environment & Advertising Ethics
- ◆ Financial Management for Marketing & Advertising
- ◆ Agency Management
- ◆ The Principles & Practice of Direct Marketing
- ◆ Contemporary Issues

JOURNALISM

- ◆ Contemporary Issues
- ◆ Press Laws & Ethics
- ◆ Broadcast Journalism
- ◆ Business & Magazine Journalism
- ◆ News Media Management
- ◆ Internet & Issues in the Global media

M.Sc (IT) - Master of Science (Information Technology)

A 4 semester (2 year) post graduate program, affiliated to the University of Mumbai. M.Sc.(IT) course is designed to develop the skills required to be able to deliver electronic information services and be a fully functioning member of any information related team within an organization. This course gives a comprehensive and state of art treatment of all the important aspects of Information Technology and Computing.

SEMESTER I

- ◆ Data mining
- ◆ Distributed Systems
- ◆ Data Analysis
- ◆ Software Testing

SEMESTER II

- ◆ Mobile Computing
- ◆ Advanced Computer Networks
- ◆ Cloud Computing & Ubiquitous System
- ◆ Advanced Database System

SEMESTER III

- ◆ Embedded System
- ◆ Information Security Management
- ◆ **Elective I (Any one)**
 - Virtualization
 - Artificial Neural Networks
- ◆ **Elective II (Any one)**
 - Digital Image Processing
 - Ethical Hacking

SEMESTER IV

- ◆ Artificial Intelligence
- ◆ IT Infrastructure Management
- ◆ **Elective I (Any one)**
 - Intelligent system
 - Real time embedded System
 - Computer Forensics
- ◆ **Elective II (Any one)**
 - Design of Embedded Control System
 - Advanced Image Processing
 - Cloud Management

M.Com (B.F.) - Master of Commerce (Banking & Finance)

M.Com. Banking & Finance is a postgraduate Banking course, which includes the study of the concepts of Banking, Banking Law, Finance and Financial Management. It is a degree program in which, apart from a general course study in Commerce, the primary focus is on the systematic study of the concepts in the specialised subjects and topics related to Banking & Finance circles. The duration of the course is two years and it is an important one that provides many career scopes to the applicants after its successful completion.

> SEMESTER I

- ◆ Strategic Management
- ◆ Economics For Business Decision
- ◆ Cost & Management Accounting
- ◆ Business Ethics & Corporate Social Responsibility

> SEMESTER II

- ◆ Research Methodology For Business
- ◆ Macro Economics concepts & Applications
- ◆ Corporate Finance
- ◆ E-Commerce

> SEMESTER III

- ◆ **Any 1 group of course from the following Advanced Accounting, Corporate Accounting & Financial Management**
 - Advanced Financial Accounting
 - Financial Management
 - Direct Tax
- ◆ **Banking & Finance**
 - Legal Framework of banking
 - Commercial Bank Management
 - Investment Management Analysis
- ◆ Project work- I

> SEMESTER IV

- ◆ **Any 1 group of course from the following Advanced Accounting, Corporate Accounting & Financial Management**
 - Advanced Auditing
 - Indirect Tax
 - Personal Financial Planning
- ◆ **Banking & Finance**
 - Financial Institutions and markets
 - Accounting and Auditing of Banking
 - Financial Services
- ◆ Project work- II

M.Com. (Accounts) - Master of Commerce in Advanced Accounting

Master of Commerce (M.Com) Programme is a Two Year Integrated Programme consisting of four semesters. The programme provides information and develops skills pertaining to Business, Corporate and Global Reforms. In addition to providing an insight into application of economic principles in business decisions, it also intends to widen analytical ability of the students.

> SEMESTER I

- ◆ Strategic Management
- ◆ Economics for Business Decisions
- ◆ Cost and Management Accounting
- ◆ Business Ethics and Corporate Social Responsibility

> SEMESTER II

- ◆ Research Methodology for Business
- ◆ Macro Economics concepts and Applications
- ◆ Corporate Finance
- ◆ E - Commerce

> SEMESTER III

- ◆ Advanced Financial Accounting
- ◆ Corporate Financial Accounting
- ◆ Financial Management
- ◆ Direct Tax
- ◆ Financial Services

> SEMESTER IV

- ◆ Advanced Auditing
- ◆ Indirect Tax
- ◆ International Financial Reporting Standards
- ◆ Personal Financial Planning
- ◆ Financial Journalism

Courses that take you Across the World

Objectives of Collaboration

Continuing the legacy of providing quality education, Vidyalankar has collaborated with prestigious Universities in the US & UK.

The objective of these collaborations is to provide to students the Bachelor Degree that would be accepted internationally.

This alliance will facilitate the most meaningful educational experience in Engineering & Management to Indian students interested in experiencing the Global Education & Culture. The program provides a unique opportunity to Indian students to benefit from both the systems of education at the undergraduate level itself and thus acquire the skills necessary to meet the challenges of tomorrow's globally competitive world.

Joint Programs offer the following benefits:

- Internationally recognized degree at an affordable cost.
- Enhanced career opportunities with study in both India & USA/ UK.
- Potential to work part time while studying.
- Opportunity to apply for progression to Master Course at the same university or potential to work after graduating.

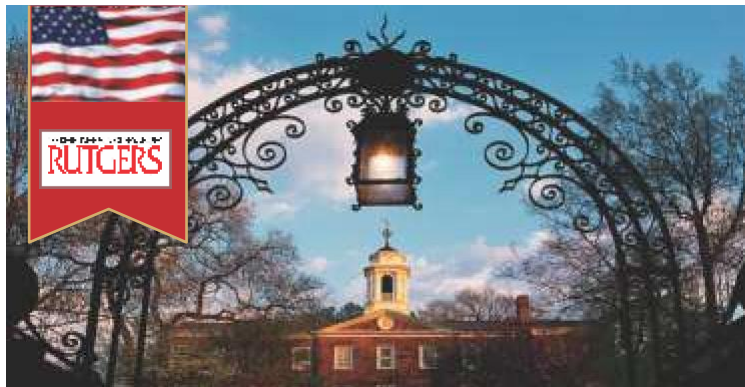

Vidyalankar Institute for International Education

Penn State University, Pennsylvania, USA

BS (IST) : Bachelor in Information Science & Technology

2 years with Vidyalankar & 2 Years with Penn State University, USA.
This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Penn State University for the completion of their Bachelors of Science Degree in IST(Information Science and technology) which they will receive from Penn State.

Rutgers University, Camden, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar & 2 Years with Rutgers University, USA.
This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to Rutgers University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from Rutgers University.

California State University, Monterey Bay, USA

BS(CS) : Bachelor in Computer Science

2 years with Vidyalankar & 2 Years with California State University, USA.
This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to California State University for the completion of their Bachelors of Science Degree in Computer Science which they will receive from California state University.

Vidyalankar Institute for International Education

University of Fraser Valley, British Columbia, Canada

BCIS (Bachelor of Computer Information Systems)

2 years with Vidyalankar India & 2 Years with Fraser Valley University, CA.

This gives an opportunity for students studying B.Sc.(IT) at Vidyalankar School of Information Technology to transfer as third year students to University of Fraser Valley for the completion of their Bachelors of Degree in Computer Information Systems which they will receive from University of Fraser Valley.

University of South Carolina, Aiken, USA

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India & 2 Years with University of South Carolina, USA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to University of South Carolina for the completion of their Bachelors of Degree in Business Administration which they will receive from University South Carolina.

Vidyalankar Institute for International Education

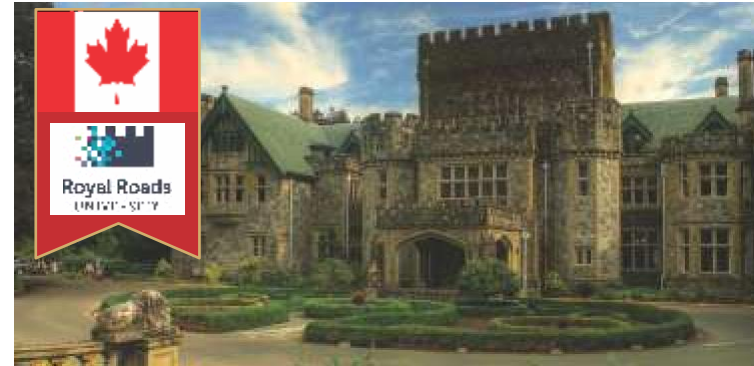

University of Royal Roads, British Columbia, Canada

BBA (Bachelor in Business Administration)

2 years with Vidyalankar India & 2 Years with University of Royal Roads University, CA.

This gives an opportunity for students studying BMS at Vidyalankar School of Information Technology to transfer as third year students to Royal Roads University, Canada for the completion of their Bachelor's Degree in Business Administration which they will receive from Royal Roads University, Canada.

Glimpses of Our Students Abroad

Infrastructure

Laboratories :

All the Laboratories are equipped with modern equipments that allow students to practice the theory that they learn in the classroom. Separate labs are available for under-graduate and post-graduate students.

A total of 250 computers are installed in Computer Laboratories for computer practical work and adequate kits in Electronic Laboratories for conduct of electronic practical work.

Students' Activity Centre :

Students' Activity Centre exists to provide a wide range of services, activities and an opportunity to build campus community involving students and staff with equal opportunities. The internal website gives information about forthcoming events and also explains how to get involved in other social activities in the Institute.

Infrastructure

A powerful architectural design can affect human psyche and duly contribute in building a great Institution. The campus offers students a vibrant and an attractive setting for their studies.

The institute is housed in a high performance building which is thermally, visually and acoustically comfortable, safe, secure and easy to maintain and operate. The idea is to incorporate nature's "free" services (wind, sun, thermal properties, greenhouse principles and light) to create a high quality indoor environment.

Central Library :

The Library provides the right resources to help students complete their studies successfully. The Library contains an extensive collection of technical books, national and international academic journals and newspapers.

Students can also access the large reservoir of information from the world wide web through the specially set up internet terminals in the Library. The library provides areas for group work as well as silent study. Users can access e-journals such as EBSCO, IEEE Explore and J-Gate Plus.

Auditorium / Seminar Halls :

The institute has an Auditorium and six seminar halls on the campus with a state of the art amenities. The auditorium has a capacity of approximately 300 persons and each of the seminar halls can house a 100 people at an average.

Infrastructure

Cafeteria:

Mumbai is a place of distances and a good cafeteria is a necessity. The Institute has good cafeterias with adequate space that offer food items to cater to different tastes. Utmost care is taken to maintain cleanliness and hygiene.

Sports Centre :

The Institute appreciates the boisterous, physical and mental energy of the students that needs a proper channel to express itself. Thus, it aims to

promote and improve the sporting prowess of the students and provide opportunities to develop various skills appropriate to both sport and life.

The Institute has a provision for Indoor and Outdoor Games. The campus has two playgrounds to play games like football and cricket. The students can also relax by playing indoor games like chess, carrom, table-tennis, badminton, etc.

Special summer camps are organized for training budding talents in sports. There is a full-time sports-in-charge available on campus to manage sports activities.

Infrastructure

V Print :

The Institute has a world class automated in house print facility. This system enables students to issue print commands from virtually anywhere in the world at the most affordable prices.

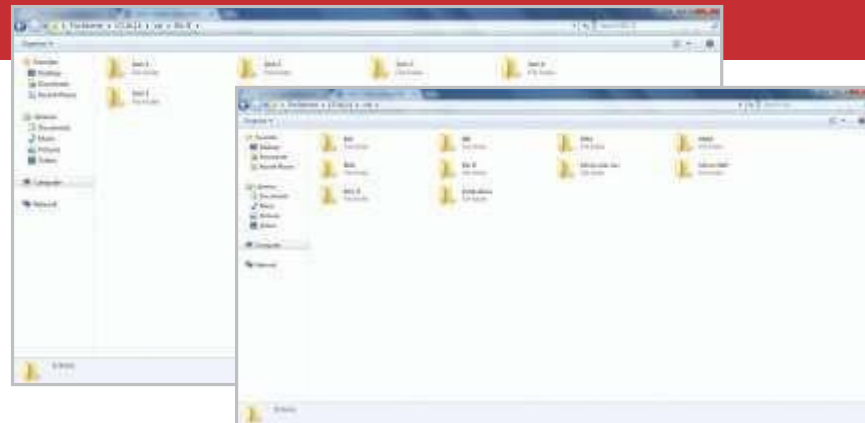

Vidyalankar Live :

The Institute is one of the very few colleges to have its own academic social networking portal. This award winning portal attracts more than 1.5 lac hits per day. Recently Android Application for this portal was also released in the Google Play (Android Markets). The whole project is fully managed and developed by students.

VRefer :

V Refer is a digital library which enable users to access video lectures, presentations, documents etc. It allows users have their own personal briefcase. They have an option to share it with other users or share it across the globe.

Infrastructure

Vidyalankar Wi-fi :

The Institute is powered with wireless access points which is centrally controlled. This enables students and faculty members to seamlessly browse high speed internet from any wireless device.

Advice Centre :

The Activity Centre runs an Advice Centre staffed by trained advisors, which is open to all students. It advises students on many issues including finance, academic problems, welfare. A trained counselor is available on select days of the week on campus.

Parking :

Ample parking space for two wheelers of students.

Publications

V-Think:

It is a monthly Departmental Magazine of the Department of Commerce and Management. Compiled articles from students and faculty members are published here.

Student Media:

Vector: Recognizing the need to provide students with broader perspectives on campus issues, world and national issues related to technology and career planning, Vidyalankar has tied up with the prestigious daily DNA and initiated the newsletter 'VECTOR'. It aims to acquaint students with national and world events and encourages them to write articles and develop a reading habit. Around 15000 copies of Vector are printed every month (8 issues per year) and distributed free of cost to all at the institute.

Vihaan: It is an annual college magazine.

V-Tech:

It is a monthly Departmental Magazine of the Dept of Information Technology. It consists of compiled articles of students and faculty members and contains reports of activities conducted during the month.

We Place You at The Right Position

The ultimate aim of most students is to be recruited in a reputed organization. The Institute prioritizes campus recruitment and in a well-defined process, trains and prepares its job aspirants meticulously and ensures that a majority of students are placed at reputed organizations.

The Institute aims at providing organizations with graduates who are fit for the organization's needs.

We have seen a lot of progress in terms of more number of students being absorbed by various prestigious companies over the years and many esteemed companies have approached us for students time and again.

Utmost care is taken to make students industry ready by training them in personality development, communication skills, improving their analytical abilities and empowering them to interpret data faster.

A Dale Carnegie workshop with training sessions help students to inculcate the required soft skills for a total personality transformation.

Alumni Connect

Staying in Touch

An active alumni association is one of the strengths of an academic institution. Alumni can be great role model for the current students. Their expertise and industry experience can be extremely useful in guiding the students to choose right path to career. Moreover, they are the valued partners and ambassadors of overall development of the academic institution.

VSIT alumni association is just a decade old but still its strength has been increasing day by day. Every year, college organises “Alumni Meet” in the month of December which is well attended by past students. VSIT Alumni directory is an effort to create database through which we would remain well connected with our students even they are off the campus. I am sure the task of creating and updating Alumni Directory will help in involving the alumni in educational and research activities of VSIT.

Alumni Connect

**Mr. Aniket Singh - B.sc IT 2011 -
Management Trainee at Marsh India**

I am glad to have chosen Vidyankar for my Under-Grad course. The faculty and course material provided to us just got better with each passing year. The infrastructure at VSIT stands out and to me is one of the finest in the city. The placement assistance and the mentoring by the professors has been the biggest take away for me. The best part

about the institute is the way it continues to support and guide their students both present and alumnus. The student life at VSIT is a perfect blend of circular and curricular activities and empowers the students to bring the best out of them.

**Mr. Sachin Annam- B.SC IT 2011-
Developer and Designer at L&T
Infotech**

In college days, I used to be bit reluctant in fact afraid while speaking to Professors or giving presentations. But my professors always encouraged me to overcome fear with their friendly nature - which boosted my confidence. We used to have technical presentations at regular intervals which improved our presentation skills. College is equipped with computer labs - open for everyone to improve their programming skills.

Today, I am doing good at professional front - credit goes to my professors who always taught us to focus more on practical knowledge rather than depending on theoretical stuff.

Mr. Dominic Gouveia - BMS 2013 - Research Analyst at Crisil Limited

My 3 wonderful years at VSIT had been nothing short of surprises and can be characterized by - the people I met, the friends I made, the professors that influenced me, the opportunities provided to me; all of which are integral in making me better today and preparing me for the real world. VSIT prepared me to not just be any student waving around a graduate degree, they helped me visualize my goals and reach out towards them, be confident but moreover I learnt how to be a better person. Somewhere, deep down inside of me, I do believe those long hours on presentations, meeting deadline goals, organising Shanivaar Manch(hobby club) events and college festival and extracurricular activities paid off well. But I owe most of my gratitude to the college for encouraging extracurricular activities to help students to be exposed to new and different situations, especially the NSS -The NSS was a stepping stone towards helping me grow individually as a person. It gave me a platform to throw my shyness out of the window and inability to come out of my shell and develop self-confidence, leadership traits and the likes of it.

Vidyalankar School of Information Technology, as big the name is, the college life in here is even more bigger.

We all know that college life years are probably some of the best years that happen to us in our life, and true to this saying my college life years in VSIT were some of the best.

Everything, right from the faculty members to the college infrastructure is one of the best that I have seen among various colleges in Mumbai. In short, VSIT is just an icing on the cake, that will help the students to craft the future.

Kaustubh Dalvi
T.Y.BMS

VSIT offers a blend of learning, amusement and integration of enduring principles. As a BMS student it provides a wide arena to learn new and challenging aspects with every subject. The entire study environment makes it easy for a student to learn and inculcate the

spirit to stand out amongst the talented and hard working students. The infrastructure of the college speaks everything for itself.

Vipul Pai
Bsc IT

The Vidyalankar Institute aims for a delightful experience of its students with its student-centric learning environment, well equipped labs, Gymkhanas, Play Grounds, Parking Facilities and much more. VSIT campus provides a varied range of co-curricular and extra-curricular activities that ensures the overall development of the students. The lively, helpful, trustworthy, student-teacher relationship at the campus is what makes the teaching-learning experience enriching. The college provides its students vast

opportunities and guides the students to make the best out of them. VSIT nurtures one's knowledge, hobbies, technical skills to make student reach their full potential in their chosen discipline and generate a civic sense and make responsible and ready to face the world. VSIT has given me life-long cherishable memories and made my three years experience in the campus truly a rewarding one.

Student Speak

Pratheeb Nesamani
T.Y.BMS

This college has been nothing less than what I hoped for : supporting faculty, beautiful campus, quality education & amazing friends. The growth I have seen in myself due to VSIT, is invaluable. Not only do they conduct technical quizzes & events, but also many non-technical events as well, to test the all round development of students. What amazes me is the plethora of extra curricular activities that the Institute offers compelling every student to explore & pursue extra talents. To conclude VSIT provides every student exactly what they need for life.

Proud to be a VSITian!!

Meenakshi Sahu
T.Y.BBI

Vidyalankar school of Information Technology gives you a brilliant experience and a great college life, in terms of studies, sports and quality of students.

A well planned schedule and qualitative staff is what you get here. Good study environment is provided including AC's , Infrastructure and Teacher ratings

from time to time. Communication with students is done on a regular basis. Very much happy and satisfied with the whole college life spent in VSIT.

Ibrahim Abdul Razzak Matwawala
B.sc IT

Vidyalankar School of Information Technology (VSIT) is more than the sum of its many celebrated parts. It is, most of all, a home – a place where you can belong. History tells us that everyone' s college experience is different. Maybe so. But at VSIT, there are certain experiences everyone will share. And a strong personal sense of community is one of them.

The Education history of VSIT has forced me to attend VSIT and has blessed me with so many gifts: the ability to construct and prepare for my future, the opportunity for travel and cultural immersion, and the chance to connect with deeply committed professors and inspiring friends. I could not be more grateful.

Student Speak

Sandhya Vurukonda
T.Y.BAF

VSIT has given me a chance to sharpen my skills in my field of choice. There have been many opportunities to learn more ways of improving my academic skills as well as personality skills as a result of my time in this college, which I am truly thankful for. For example faculty of this college are so expert at the same time frank enough to create a communicative environment. Library in this college who takes lot more efforts to improve personality of students of this college as it has made me improve my knowledge on my academic related study as well as improved my knowledge by inculcating a good habit of reading book by conducting book reviews seminars. In addition to learning practical skills, being in college has also taught me a lot about the social life.

My college offers excellent placement opportunities to students to get their careers begin in a right way to achieve success for which I am very thankful to as I got this opportunity to get a placement in a very recognized company before completion of my degree.

VSIT has enriched my life in many ways. It has provided me with the necessary tools to enhance my skills more, taught me valuable knowledge which eventually enable me to hopefully become more successful in life when I finally get my degree. I am very much grateful to my college as my experience in this college are truly irreplaceable.

Sonali Sangishetty
T.Y.BFM

I Strongly believe that VSIT is one of the best college. All the professors are very helpful and they guide us all the time. The best part in my college life was festival periods. "VIGOUR" was a great platform to show our skills and talents.

Ganesh Chaurasia
T.Y.BBI

'VSIT' a well built infrastructure is what you get here. The best part of the college are good qualified experienced staff, good placement opportunities, clean environment, huge parking area, better security system.

No doubt future's best college in Mumbai.

Committees

The main aim behind establishing several committees at VSIT was to facilitate proper and effective functioning of the institute. Proper care is taken to ensure effective management of the committees to benefit both students and faculty members.

ALUMNI COMMITTEE

The motive behind creating this committee was to establish contact with the alumni who are committed to promoting the welfare of the institute supporting its traditions and goals and enhancing the institutes fame locally & globally.

The committee aims at identifying & nurturing the skills required for an entrepreneur in the students and giving them solutions that create sustainable economy to create a successful business and a significant realizable value for self-community and nation.

ENTREPRENEURSHIP DEVELOPMENT COMMITTEE

FINAL YEAR PROJECTS QUALITY ASSURANCE COMMITTEE

This committee ensures that the students prepare very meaningful useful projects. It makes the students think the main motive of the committee is to inculcate project handling skills in students.

This committee is constituted to ensure that there is access to wholesome food on the campus & that the cafeteria & kitchen premises conform to high standards of cleanliness. It regularly monitors matters related to pricing, variety, meal plans, address issues & concerns from the college community regarding the food services.

FOOD & BEVERAGES COMMITTEE

ANTI-RAGGING COMMITTEE

Ragging is an offence by law. It is punishable offence. Ragging is viewed as very serious act and the Hon'ble Supreme Court has issued very strict orders to curb ragging in educational Institute.

This committee works towards designing an effective curriculum which prepares students for jobs in multinational companies by exposing them to the newest technologies and practical methodologies by way of strategic collaboration with industries.

INDUSTRY- INSTITUTE INTERACTION COMMITTEE

LABORATORY DEVELOPMENT COMMITTEE

This committee takes every step to provide best facilities in the institute laboratories leading the research environment and creating "Centers of Excellence" in the technological field.

The purpose of the Library Committee is to assist in developing operational procedures suggest various measures for improvement and development of the library resources and formulate both personal & fiscal polices which would enable the students to make optimum use of library and inculcate reading habits in them.

LIBRARY COMMITTEE

PARENT INTERACTION COMMITTEE

This committee was designed keeping in mind parent's crucial role in the occupational aspirations of their children. The committee provides a common forum for interaction of parents and teachers so as to exchange feedback and jointly motivate the student to put in his / her best efforts.

Committees

PERSONALITY ENRICHMENT COMMITTEE

The committee organizes & co-ordinates an interesting blend of courses ranging from soft skills to grooming sessions to equip individuals to qualitatively upgrade their life and career. The training programs are specially designed to enhance skills such as team-building, assertiveness & confidence building, aimed at raising employee morale.

The committee facilitates prospective employers by organizing institute-industry interactions regularly, providing complete support for arranging placement activities on the campus & recommending students to them for internship & placement. It organizes pre-placement training by way of group discussions, personal interviews & workshops on personality enrichment & Communication Skills in an attempt to equip students with the necessary skills required to meet the challenges of recruitment.

PLACEMENT COMMITTEE

RESEARCH & DEVELOPMENT COMMITTEE

The committee focus on providing an atmosphere conducive to research & development for faculty & students by entering into strategic collaborations with industries & other institutes at the national & international levels. The key goal is to initiate & give the proper impetus to research activities which would contribute to further developments in an increasingly tech-savvy world.

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is be to create a professional bonding which helps enhance domain knowledge and pedagogy skills.

STAFF DEVELOPMENT COMMITTEE

STAFF WELFARE COMMITTEE

The committee aims to initiate and act upon several measures for the benefit of the staff. The main priority is to create a bond of solidarity and a spirit of satisfaction amongst the staff members, which in turn enhances the quality of teaching imparted at the Institute.

To provide all round development to the students in terms of co-curricular and extra-curricular activities, the student council committee organizes the events in a planned manner. It provides a stress relieving non-academic interaction for students at the end of an intensive academic week. It engages the students in qualitative activities in post academic hours to develop a sense of attachment to the college.

STUDENT'S COUNCIL COMMITTEE

VIDYALANKAR VOLUNTEERING COMMITTEE

The committee motivate students to willingly participate in 'on-the field' social service activities, build partnerships with NGO's to address common goals and raise awareness of volunteering as it is also an important part of the role of educators.

It has always been the endeavor of VSIT to promote and preserve Marathi Literature, Language & culture. VSIT has always been a torch bearer of Marathi tradition. VSIT has a special committee – “Marathi Vangmay Mandal” which always strives for the arrangement of various programs in Marathi. The objective of this Committee is to promote the importance of preserving Marathilinguistic, literature & culture for the younger generation.

MARATHI VANGMAY MANDAL

WOMEN DEVELOPMENT CELL COMMITTEE

The committee seeks to promote respect for women at the workplace, address feminist issues, identify problems of working women and try to resolve them in a well-negotiated manner. This is achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

Faculty

The Institute is empowered with its highly experienced and committed team of faculty, easily one of the best amongst un-aided institutes in the region.

They are endowed with rich academic, industrial, research and project experience to execute and implement Design, Development, Research and Consultancy Projects in diverse technological and management domains. This can be attributed to their solid theoretical foundation coupled with practical know-how and expertise.

Information Technology

Management, Commerce & Arts

VSIT

Administration

Initiatives

Life Long Learning and Extension

It teaches goal setting, planning & time management. It promotes a meaningful and sustained rapport between the universities and community. The projects offered are vocational career oriented / community oriented projects. Each students is required to put in 120 hours of work.

V-Search

VSIT created a research platform for the students in the form of V-search. It consisted of Research paper Presentation competition for students at intra- College and Inter-college level. V-Search is an attempt to encourage and motivate students to give an insight into research so that they can enhance their literary skills and pursue their passion for research at an early stage.

Initiatives

VERVE & VIGOUR 2015-16

➤ College festivals are the most effective way of bringing youth under the same platform, enhance social interactions and facilitate exchange of cultural ideas and thoughts.

Verve, the annual college festival organized by VSIT is a vibrant roof under which many upcoming talents have showcased their skills and abilities and even this year the festival had something for everyone. The event enjoyed massive publicity and popularity and was a true delight for every college student because of its refreshing experience.

Initiatives

Online Test

The Institute conducts online Aptitude test and midterm test for students.

Placement Team

VSIT Training and Placement Cell provides placement opportunity to all courses.

The Role and Activities of Placement Cell are –

- Career Awareness Sessions.
- Model aptitude tests, mock Group discussion and Interviews to excel in the recruitment process.
- Arranging Industrial Visits, Guest Lectures and Industry-Institute Interactive activities, summer placements.

TLP Workshop

A Teaching Learning Plan (TLP) workshop is conducted by the Institute in beginning of every semester, where teaching faculties plan for the semesters, lecture, assignments, tutorials and beyond curricular.

Initiatives

Shanivar Manch

The objective of 'Shanivar Manch' is to inspire students to pursue a hobby and explore their potential in music, photography, paintings, star gazing, web designing, trekking etc. 'Shanivar Manch' encourages students to participate in recreational activities, thus providing an opportunity for networking, team building and personality development. This is organized by students for students.

The various activities conducted as part of Shanivar Manch are:

- Workshops : Chess, Rangoli, Nail Art, Sari Designing etc.
- Movie Screening : Inspirational and educative
- Sports Competitions : Inter and Intra college
- Dance : National and International dance forms
- Music Session : College bands performing for their fellow students
- Quizzes and debates

V-CMT 2016

It was one of those proud moments for VSIT – a bold step which has taken the institute closer to its dream of a research university! VSIT organized a two days National Research Conference V–CMT 2016 on the theme India 2025 : A Vision for Next Decade.

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service. Today, NSS has more than 3.2 million student volunteers on its roll spread over 298 Universities and 42 (+2) Senior Secondary Councils and Directorate of Vocational Education all over the country. From its inception, more than 3.75 crores students from Universities, Colleges and Institutions of higher learning have benefited from the NSS activities, as student volunteers.

Life Long Learning & Extension Unit

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the University and the community.

Its Mission and Goals include promoting the aims and values of human development in community colleges and universities. It also provides a forum for the exchange of ideas, innovation, research and students. It aims to increasing the representative voice of those traditionally ignored in society. In short it increases student interaction with the world outside.

Glamour Quotient at Vidyalankar

The Wadala campus of Vidyalankar is a blend of academics and entertainment. Through the year, the campus has been peppered with various interesting activities. While the glam quotient keeps the students charged, the main focus of the institute is providing best facilities in education and training.

It is important to provide students the best of education in a modern environment synergic with today's corporates.

Equally important is to design a number of activities that make students sure-footed and groom them into global citizens.

ZOOM INTO COURSES THAT REDEFINE DREAM CAREERS

Vidyalankar College offers focused courses after Class XII that give its students a head start in setting the foundation for specific careers with industry-relevant approach and ambience.

Post Class XII results, there is a mad rush to get through the admission process. A few months later, the doubts arise. Was this the right choice or the wrong one? Is this course going to kick-start my career or slow it down? This is why it is advisable to avoid acting in haste because repenting at leisure is not going to undo the mistake that has already been made.

Modern campus

VISIT strongly emphasises on aspects like trained faculty and state-of-the-art amenities. VISIT prepares them for the globalised scenario with its modernistic outlook and international ambience in a trendy designed, futuristic Wi-Fi enabled campus with air-conditioned classrooms.

Further studies

To make the courses relevant and of international stature, VISIT has international associations and exchanges. VISIT BAF students have also been recognised and appreciated for their above university average results. In fact, when Vidyalankar students gain admission to Ivy League Colleges for post-graduation courses, they say that the experience there is similar to being at VISIT.

Vishwas Deshpande, Managing Trustee, Vidyalankar Dnyanpeeth Trust, explains that at this stage, when one is actually setting the foundation for a future career, the ability to choose a specialization or career-specific graduation course is perhaps the most important factor driving success.

To facilitate this, Vidyalankar School of Information Technology (VISIT) offers an extensive range, ensuring that there is something that suits each applicant's aptitude and preferences.

There are several innovations for those in the commerce stream -

- [BAF] B. Com in Accounting & Finance
- [BBI] B.Com. in Banking and Insurance.
- [BFM] B. Com. in Financial Markets.

Every course is an excellent option after Class XII and ensures that students become competent professionals performing optimally from day one. Similarly, science students can opt for B.Sc.(IT) or M.Sc.(IT) as well. There are B.M.S. courses too.

Project driven

The emphasis is on experiential learning with laboratories with high-end hardware and software, where they work on projects that enhance understanding. The use of social media is encouraged to such an extent that a group of Vidyalankar students have developed and maintained an education portal, www.vidyalankarlive.com, as a means to resource sharing, maintaining a repository and for interaction, a rare occurrence in colleges across India.

Grooming aspirants

VISIT lays special emphasis on development of soft skills to enhance employability with a program conducted by experts of the Dale Carnegie Institute. VISIT also conducts counselling sessions in the pre-final year to help students choose a good institution while applying abroad for higher studies or for suitable jobs.

Placements

Vidyalankar students get campus placement even at graduate level, something that is not normally seen. While the number of companies coming for campus placement is on the rise, those who want the preestigious 'first day' placement, is increasing as well. A Vidyalankar student currently holds the placement record at the institution with a 35 lakh package!

MUMBAI MIRROR

Surge ahead with Specialisations

Vidyalankar College offers a whole range of specializations to choose from, not just the ones which are industry relevant, but cater to the talent of every student.

The era of specializations has to go and Vidyalankar School of Information Technology (VSIT) is eager to offer the different specializations that are career specific and relevant.

The specializations are offered to students in a way that they can choose from the ones that they are interested in. The specializations are offered to students in a way that they can choose from the ones that they are interested in.

The specializations are offered to students in a way that they can choose from the ones that they are interested in.

10 June 2014

GAIN AN EDGE WITH SPECIALIZATION

Vidyalankar College offers focused courses after class XII, which gives its students a head start in setting the foundation for specific careers with industry-relevant approach and ambience.

Think of the last time you walked into a Bistro and ordered a meal with a fancy name, but did not suit your taste. Your error is you looked at fancy names, which friends recommended, without realising whether it catered to the taste you desire.

Relate this incident with your choice of course that will catapult you into a successful career that suits

the taste of the Finance and Banking sector, a sector that is today becoming a hot job opportunity.

At VSIT, the emphasis is on excellence and the faculty members are hand-picked. The institute goes beyond basic curriculum to refine the skills of the students, to ready them to face the challenges that lies ahead.

At VSIT, the emphasis is on excellence and the faculty members are hand-picked. The institute goes beyond basic curriculum to refine the skills of the students, to ready them to face the challenges that lies ahead.

At VSIT, the emphasis is on excellence and the faculty members are hand-picked. The institute goes beyond basic curriculum to refine the skills of the students, to ready them to face the challenges that lies ahead.

Active Engagement initiative

In an era of specialisations, Vidyalankar helps you steer ahead

The hallmark of education at Vidyalankar School of Information Technology (VSIT), affiliated to University of Mumbai, has always been to go the extra mile and offer the best

The focused courses at Vidyalankar School of Information Technology (VSIT) offer a plethora of options to choose from. The options come with complete guidance from the counselors on campus to help choose a course that best fits the aspirations of the candidate.

The mad rush after the Class XII results coupled with competition leave students in a tizzy. Vidyas Dushpande, Managing Trustee, Vidyalankar Dnyanesh Trust, explains that this is one of the most crucial times for students. They have to explore and strategize to choose a course that is actually setting the foundation for a future career.

This depends on the ability to choose a specialization or career-specific graduation course. VSIT caters to a wide range of preferences for students to suit their choice and basic aptitude.

For example, there are several innovative courses in the commerce stream: B.Com. in Banking & Insurance (BBI) in Financial Markets (BFM) and in Accounting & Finance (BAF). Each course touches upon vital aspects of commerce, making students opting for any of these courses confident of the Finance and Banking sector, which is today booming with job opportunities.

At VSIT, the emphasis is on excellence and the faculty are hand-picked. The institute goes beyond basic curriculum to refine the skills of each student and get them ready to face the challenges of the big world that lies ahead.

The list of facilities offered to groom students is endless. It includes teaching methodology that includes innovative, futuristic techniques like case studies, management practices and experiential learning class, or attending Guest Lectures by Leaders of the Industry. The aim is to move the students from the ordinary mindset to an elevated state that spells success.

Experiential Learning in the form of Industry visits to get a hands-on feel of the work environment is conducted on a regular basis. To bring out the best in each student, they are encouraged to participate in a vast range of activities.

Dr Rohit Kulkar, Principal, VSIT, says, "Keeping in step with the changing area, thrust in education where research is being given a lot of importance, the students at VSIT are encouraged to develop a research attitude. They take up innovative projects as a part of their study and work on a research paper on the same which they submit at conferences and inter-collegiate competitions. Sugar Amle and Suman Malankar of the BMS Department, won the 4th place in the District Level at an event named Avishkar-Research Convention held by Mumbai University. The institute organizes a research conference by the name of

BAF
BFM
BMS
M.Com
BBI
B.Sc(IT)
M.Sc(IT)

'V-Search' where students and faculty submit papers that they have painstakingly worked on. Students also take up live projects which helps the synergistic of the institute.

VSIT prides in its students' extracurricular achievements. Parvathy Srivastava of B.Sc. IT, has represented the University in Fencing Championship and in the last three years has won 12 state medals and has been a National Ranker four times. He has represented the India in Thailand Fencing Championship, Karik

Alegaswamy of VSIT has also won silver in the All India Inter-University Championship. Brijesh Adanile, another sportsman from VSIT, has represented Mumbai University in the All India Inter-University Road Cycling championship.

The achievement of the students at VSIT in all spheres goes a long way to prove the holistic growth of students here.

Special emphasis is given on development of soft-skills & coaching sessions with Dale Carnegie workshops help students gain confidence to face the world and take on any form of challenges.

The foreign collaborations at VSIT make the courses internationally relevant and allows students to leap into the global arena. Placement for students is actually the icing on the cake at VSIT. It facilitates the process with campus recruiters that help names like L&T Infotech, Pami, Nowgate, HDFC, Tech Mahindra, Bristolzooz, Capgemini, India Bulls Securities Ltd, CMC, and Hedge Square,

> Prof. Ketan Vira – Poonam Mirwani

Industrial Visit

A group of 104 students from B.Sc IT and 94 students from B.M.S, B.A.F, B.B.I along with faculty members were deployed for an educational trip to Bangalore and Jaipur.

The group visited CDAC, Cranes Software, and Marketone in Bangalore, Dainik Bhaskar, Bisleri, Jaipur Metro, Jaipur Jugs and Jaipur Dairy in Jaipur.

The students also visited Lal Bagh Botanical garden, Amer fort, Hawa mahal, Birla Planetarium as a part of sight seeing in the trips.

The exposure to the industrial environment, their manufacturing unit, work culture were the take aways for the students.

One day industrial visit to Govardhan milk plant and Go cheese factory Pune for IT and Commerce management students.
