Date of Activity	17th March, 2018
Participants	55
Venue	Auditorium
Time	10:00 AM onwards

Entrepreneurship Cell, VSIT (Ecell) conducted its annual flagship Business event Bizcon 2018 on 17th March 2018. The committee which has primary focus to develop the spirit of entrepreneur among youths of Mumbai, was successful to carry out many lectures, seminars, competitions and games. The one-day event catered to students, budding entrepreneurs, faculty members and startup enthusiast.

Bizcon 2018 carried a motto "Imagine Tomorrow"; to show what India will look in future in its fastest growing digital economy. India is considered to have one of the leading GDP in world, thus putting the country onto the race to become a developed country. India is producing large number of business opportunities with the help of central government. Youths must be well aware about current business trends, untapped sectors and potential business resources.

Bizcon 2018 was addressed by keynote speaker Dr.Suresh Prabhakar Prabhu who is an Indian politician and the current Minister of Commerce & Industry and Civil Aviation of India. He enlightened on topic of entrepreneurship and its vital role to grow GDP if India. He also mentioned that youth can drive and shape the countries future. The keynote session was followed by Mr.Sanket Deshpande who is Founder of Catalyst Partners. Catalyst partners is Management consulting and Investment Banking firm. Mr

Sanket Deshpande is chartered accountant by profession and has worked as an Associate Vice President with Fortress Financial Services, prior to founding his own venture. The venture is supporting entrepreneurs, be it startup, or an SME or Large corporate. Mr. Deshpande explained the whole current startup ecosystem of India. Also what India is predicted to look like in coming years, he bridge the gap between students and lucrative business opportunity the mother nation is going to produce. Keynote was followed by inspirational talks by Mr. Delzaad Deolaliwala (Co-Founder & Director of Accounting, Boheco) Boheco: is a hemp farming company which Entrepreneurship Development Activity Committee makes products like cloth,oil, CBD Fabrics and yarn. The company is bringing innovation in Indian markets by introducing hemp in clothing industry and also legalizing hemp in India.

Later in the second half participants took part in various competition. To begin with ecell conducted a case study competition wherein the participants were given problem statement and were asked to generate a solution based on their creativity which they think fits best to the problem. The event also specifically focused to motivate the freshers of the college, to think out of box and create their own working model. The model has to be fit and innovative enough to start a business in market. Selected candidates was given an opportunity to pitch in front of Investor. The Investor pointed out the gaps and areas to focus more for better development. This initiative got a huge appreciation from students and faculty members. The initiative was presented under the name as "V-Startup".

To put the participants in some competitive mood, a series of quizzes were arranged. The quiz has two tracks Business and IT, i.e Bizquiz and Techquiz respectively. The purpose of this was to brush up the general knowledge and improve analytical skills. Questions were based on current and future business and IT trends. Major business takeovers and acquisition.

As "Bizcon" is considered as the most professional event of Vidyalankar Institution, a Startup Internship & Job Fair was also conducted. This was made possible because of collaboration with placement cell of VSIT. Startups were refined according to students and were invited to hire the participants on campus. Students were given pre placement talk well before the interviews began. Many participants showed large interest in this fair. And many of them were hired as interns by this startup. Giving ecell a proud feeling of helping them to get hired as summer interns. The fair was running parally to all competition. So that participants can take part in all and apply for interviews as well.

To end the busy day in very fun way, IPL Auction was presented. It is a virtual bidding with virtual money. Participants are filtered by some IP quiz and the are enabled to bid. Participants with highest point wins. It was joined by faculty members as well. All the winners of each competition were awarded cash prize and vouchers.

Bizcon 2018 proved to uplift the knowledge and entrepreneurial spirit among students.

Workshop on BizCon '19- Business Conclave- A Platform for Startup Entrepreneurs

Date of Activity	15 th and 16 th March, 2019
Participants	55
Venue	M-101
Time	11:00 AM

Vidyalankar School of Information Technology (VSIT), witnessed an eminent business gathering, BIZCON '19- Business Conclave- A Platform for startup Entrepreneurs on the 15th and 16th March of 2019, which was conducted and supervised by the EntrepreneurshipCell (E-Cell) of VSIT. It was an initiative to bridge the gap between the corporates, startups, budding entrepreneurs and aspiring students from all over the country. The Annual flagship event was this year upgraded and was inclusive of various events related to entrepreneurship, creative thinking, business, intellectual quotient, innovation, communication abilities and a touch of sports. Bizcon'19 carried the motto "Envisage Triumph", which states imagination and desire to gain victory. The aim was to make Bizcon'19 a platform not only for meeting up and growing connections, but also to look forward in contributing the efforts to the growth of Startup ecosystem of India. Invitees included technical industry experts, to enlighten the crowd over professional aspects. Bizcon'19 head started with the inauguration ceremony by the Vice Principals of the esteemed VSIT Institute, Prof. Vijay Gawade and Prof. Asif Rampurwala.

Immediately after the inauguration ceremony, V-startup, a Business Model presentation started exclusively for students of Vidyalankar Institute, was lead off by the host, welcoming the participants and the experienced panelists Mr. Ameya Deshpande and Mr. Murli. The crowd targeted was first year BMS students, who already cleared through the elimination round. The event proceeded with a lot of 10 enthusiast teams

explaining their business model and further getting a wisdom add-on. The panelists appreciated the initiatives, declaring product Eye Lenses as the winner and the runner up being the Solar Guard.

While V-startup had just gained momentum, another interesting event, AdWars commenced at the midday. As the name suggests, it was the battle of advertisements with an open genre, of which Mr. Kripal Sengupta and Mr. Lokesh Sharma were the proficient judges. An introductory event with a creative touch was organized to raise the interests of Mass Media students in Bizcon'19. The enthusiasm was on the peak during the advertisement showcasing and the interactive session with the panelists. Depicting a soft corner for the real heroes, Monginis cake bagged first prize and the runner up was Super Glue. The event successfully left a mark of zest.

Workshop on Bizcon'20: Annual Flagship Business Conclave

Date of activity	5th and 6th March 2020
Venue	Auditorium
No of Participants	132

Entrepreneurs are frequently thought of as national assets to be cultivated, motivated, and remunerated to the greatest possible extent.

Great entrepreneurs have the ability to change the way we live and work. If successful, their innovations may improve

standards of living, and in addition to creating wealth with entrepreneurial ventures, they also create jobs and contribute to a growing economy. Entrepreneurship is thus important for a number of reasons, from promoting social change to driving innovation. New products and services created by entrepreneurs can produce a cascading effect, where it stimulates related businesses or sectors that need to support the new venture, furthering economic development. For example, a few information technology companies made up the IT industry in India during the 1990s. The industry quickly expanded and many other sectors benefited from it. Businesses in associated industries—such as call center operations, network maintenance companies, and hardware providers—flourished. In order to foster such entrepreneurial spirit, UDYAM E-CELL of VSIT witnessed their annual flagship business conclave, namely BIZCON'20 with a motive of Come, Learn and Conquer.

The entire conclave was bifurcated into two days which was on 5th and 6th of March, 2020. The first day had the Inauguration, Keynote session, V-Startup finals and

War of Words; whereas the schedule for second included Vyapar, Case study competition, Biz quiz, Tech battle, AdWars and Ipl Auction.

KEYNOTE: Our keynote speaker was none other than Mr. Ravikant Sabnavis who is the Executive Vice President of Star TV along with our chairperson Mr. Ashwini Kakkar, the Executive Vice Chairman of Mercury Travels. The session was initiated by inaugurating the event by our Vice principal Mr. Vijay Gawde. With thunderous energy, both the speakers explained how effective the outlook & amp; technique are when applied in business, by recalling some personal experiences when they applied it. With this, they continued to talk about the entrepreneurial mind-set & amp; how misinformed new entrepreneurs are when they enter this profession. With such exceptional speakers motivating; guiding, the students were extremely hyped and excited for the upcoming events of Bizcon'20.

V-STARTUP: V-Startup is a business model competition organized for the students of FYBMS. Based on the elimination round, 11 teams were qualified for the finals of V-Startup which was scheduled in M-101 on 5th March, 2020. The judges for the event were Mr. Hrishikesh Pandit and Mr. Murli Anantha. The participants were judged on multiple criteria's like presentation skills, product feasibility, market acceptance, etc. The winner of this

competition was team FOOD SET GO, whereas the runner ups was team SCCBD coffee.

WAR OF WORDS: A debate competition was scheduled at B-105 on 5th March, 2020. It was divided into two phases, the first round comprised of debate amongst the students and the finalist got a chance to debate with the judges for the second round. Our esteemed judges for this competition were Mr. Hardik Jain, Mr. Chirag Shah and Prof. Anindita Banerji. All the teams participated with all their enthusiasm and best of their knowledge. At the end of the first round 6 groups were filtered for the twist round. In this way, at the end of this round there was a winning team and a runner up. Based on the knowledge, facts and the skills to confront each other; the winners were decided.

VYAPAR: A PAN level business model competition was scheduled at M-101 (VSIT campus) on 6th March,2020. The number of startups which participated were 7. All the participants were on the idea phase of their respective business models. VYAPAR was an event, where the investors judged the potential participants creation and reviewed it as well as

advised them where they lacked. As it was a pitching competition, we had a panel of investors on the dias, which included Mr. Aftab Sagar along with his team from Grotog and Mr. Vikrant Singh. Flow of the event went on like participants came on the podium and presented their ideas for which they were allotted 8 minutes and then further the investors gave their insights for 2-3 minutes. The event ended with the speech from the investors and the host expressed the words of gratitude for the motivation. The agenda of this event was successfully achieved.

CASE STUDY: The business conclave had to ensure that they have competitions that would help the students of Vidyalankar School of Information Technology to grow as a person and also to give them a practice for solving actual cases and therefore they came with this case study competition. There were total 10 teams and they were handed over the case the previous day in the evening so that they could come up with the best possible solution in the form of a presentation. The competition started by 12 noon on the 6th March 2020 at M- 413.

The panel of judges included, Mr. Swapnesh Sawant and Mr. Rohan Nigam. After every presentation there was a Question and Answer round between the presenting team and the both our judges. ups. The event came to an end with a vote of thanks, for both our esteemed judges and the participation being so active throughout the competition.

BIZQUIZ: Business quiz was a quiz competition conducted to test the business knowledge of the students of VSIT. It was indeed the privilege of E-CELL, VSIT to conduct one such activity. The amount of enthusiasm seen amongst the students was incredible. This activity was conducted in M-101 on 6th March, 2020. It was divided into 4 rounds; each round eliminated a few participants based on their scores for the same. Participants included students from first year, second year and third year from different streams. The winners and the runner ups were decided based on the scores of the quiz. This event was a great success.

TECH BATTLE: Tech battle was an event conducted on 6th March at M-101(VSIT Campus). This activity was conducted in order to witness the passion amongst the students towards technology and its future updates. It was divided into 4 rounds; each round eliminated a few participants based on their scores for the same. Students showed immense eagerness and intensity during the entire competition. Each team consisted of two participants per team. Participants included students from first year, second year and third year from different streams. The winners and

the runner ups were decided based on the scores of the quiz. This event was a great success.

ADWARS: AdWars was a competition conducted on 6th March at M-501. It was a competition wherein students came with the advertisements prepared by themselves. There were 10 teams which showed up with their creativity for this competition. This activity was judged by Mr. Yash Shah and Prof. Shweta Apte. Based on multiple aspects of mass media and innovation, the winner and the runner ups were decided. The event came to an end with vote of thanks to the guests by the host. It was a successful event.

IPL AUCTION: The most awaited event of Bizcon 20 was the IPL auction. Majority of the students participated in this event with a count of 28 teams- each team consisting of 2-3 students per team. This activity was to be conducted at X-101 but due to the overwhelming response of the students it was shifted to Y Block Seminar hall at 4pm on 6th March, 2020. It was a fun activity divided into two parts, the first one was a quiz round

based on the Indian cricket and the second round was the bidding round for the players. An imaginary amount was given to the top 8 teams to bid for their favorite

players. Winners and the runner ups were decided based on the number of players each team had. This event was a great success.

With the successful completion of all the events on both the days, we can clearly state that BIZCON 20 was indeed an extra ordinary and an outstanding event organized by E-CELL, VSIT- 2019-20.

Date of activity	19 th , 20 th , 21 st March 2021
Timing	02.00 pm to 5.30 pm
No of Participants	100
Platform	Zoom

E-Cell Committee of Vidyalankar School of Information Technology has organized its annual flagship business conclave– Bizcon 2021 via online platform zoom. Glimpse of various events and competitions of the Business conclave.

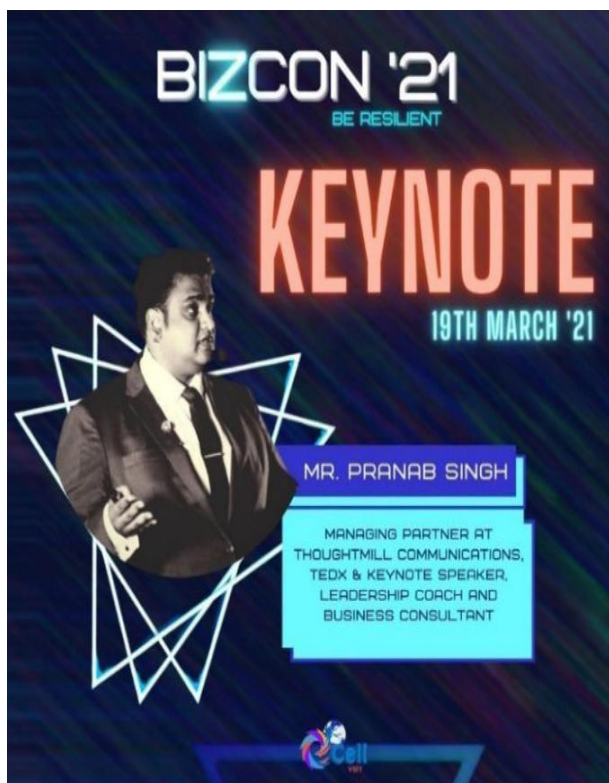

Day 1: 19th March 2021

Session 1: Keynote by Pranab Singh

Managing Partner, Thought Mill Communications and TEDX Speaker.

On the first day, the KEYNOTE address delivered by our guest speaker Mr. Pranab Singh from 2:30 pm to 3:30 pm on Resilience and Reinvention in the Virtual Era.

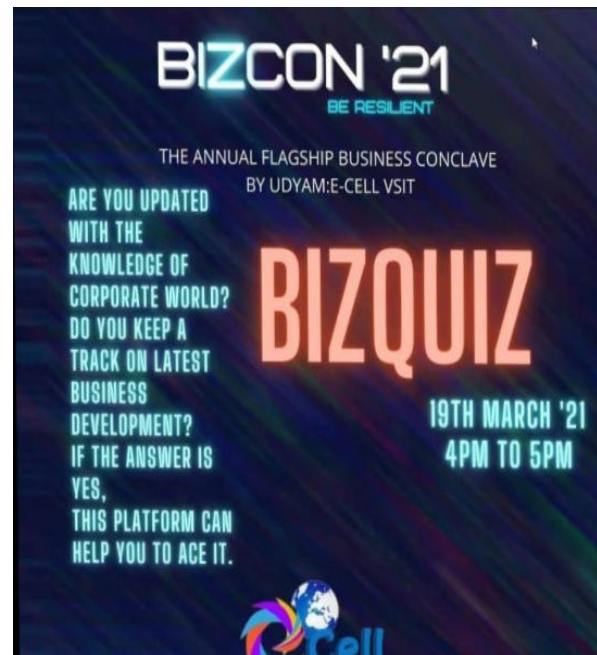

He is the Managing Partner at ThoughtMill communications, a TEDx Speaker along with a highly sought-after Keynote speaker and also being the BNI Director Consultant Leadership and Business consultant.

Mr. Pranab Singh with his great zeal and knowledge about resilience and toughness guided the students to the depth of these words.

He explained about the change and motivated the students to take the steps in right direction with a sense of tranquility. A number of questions were raised by students out of interest to know more and clear their doubts making it an eventful interactive session. The students received replies to all their questions and Mr. Pranab Singh then thanked the audience as well as the organizing team and VSIT for showing tremendous support and giving such great opportunity for addressing the students.

Session 2: Bizquiz Competition

On the same day The Bizquiz Competition was held from 4:30 pm to 5:30 pm. Bizquiz consisted of questions related to the business and economic knowledge. The competition was started and explained the rules and regulations to the participants.

The competition comprised of 2 stages the Round 1 and Round 2. The Round 1 consists of 20 questions held on kahoot.in. The Qualified participants in round 1 were permitted to give round 2 which consists of 15 questions. The final 3 winners were declared at the end of the competition along with 2 runner ups.

Day 2: 20th March 2021

Session 1: V-Startup Finals/Idea Validation

On the second day, the E-Cell of VSIT gave an opportunity to the students of the VSIT to showcase their strategic minds towards the business. Judge for the event was Mr. Vinit

Jain. The event started at 11:30. The students were given a platform to come with start-up ideas to start a business with their own ideas.

There were 4 teams: - Foodmood, Parents Algorithm, self-stirringmug, Life.

One by one these teams presented their ideas to our judge Mr. Vinit Jain and the judge showed his interest and asked the teams questions and also gave his feedback, he guided with his inspirational words and inspired the students to do better.

The session was so informative it gave students to think from a different perspective. He praised the event a lot. He was mesmerized with the level of ideas that the students had being freshers and new to this commercial market.

Session 2: Marketing Analysis

On the same day, the E-cell of VSIT organized marketing analysis competition through which participants showcase their talent in a fun and innovative way on 20th march, 2021 from 2:30 p.m. to 3:30 p.m. on zoom app. The event started with featuring some extremely talented participants mentioning their ideas about SkillGenic Academy.

The participants analysed marketing aspect of company with lot of passion and

confidence. Each participant showed their mastery over research of company. Each participant has given 10 minutes to mention their ideas and 2 minutes for question-and-answer round. The competition created joyful and enthusiastic environment till end. It was judge by Mr. Naman Bachwani, CEO of SkillGenic Academy. He also addressed the participants with plus points of marketing analysis for their future benefits. As we moved forward the guessing part became more difficult but winner 1 aced it and won the competition followed by winner 2.

Session 3: Tech Battle

On the same day, the Tech Battle Competition was held from 4 pm to 5 pm. Tech Battle consisted of questions related to the technological knowledge. The competition was started by the host by the introduction speech and further explaining the rules and regulations to the participants. The competition saw a great number of competitors from VSIT's students which were 20 in number.

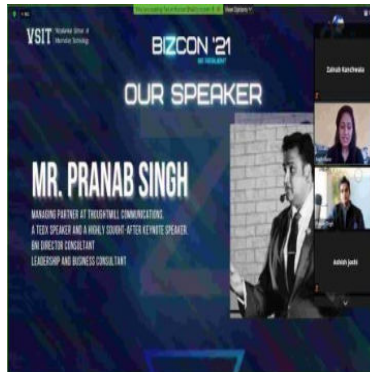

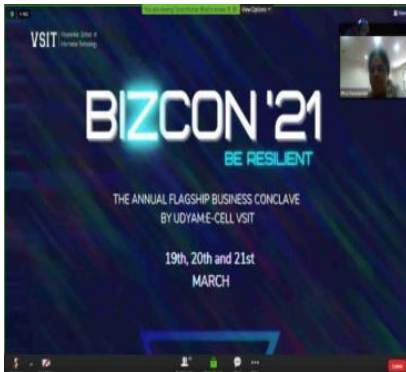

The competition comprised of 2 stages the Round 1 and Round 2. The Round 1 consists of 20 questions held on kahoot.in. The Qualified participants in round 1 were permitted to give round 2 which consists of 15 questions. The final 3 winners were declared at the end of the competition along with 2 runner ups.

Day 3: 21st March 2021 - Internship Fair

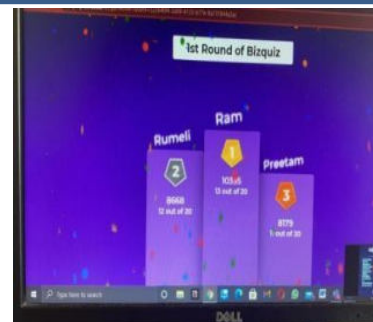

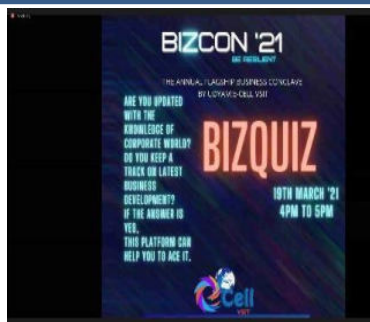

On the third day, the committee came up with an internship fair, where different companies showed interests viz. CyberFrat, Protrainy, NTL Ventures. The events were a great success for all the E-cell conveners and the organizing committee.

Platform	Zoom

During the pandemic the E-Cell VSIT hosted BIZCON '22- Annual Flagship Business Conclave Event.

The event was inaugurated with the Keynote Session. The seminar was conducted on 11th March, 2022 at 1 pm via online mode on Zoom Platform.

The seminar started with a warm welcome and brief introduction of the resource person by the student host Zainab Kanchwala (President of E- Cell VSIT). The resource person for this session was Mr. Cherag Mehta. He's a Digital Marketing Consultant and the Coach. He provides guidance to the entrepreneurs and businesses regarding the Digital Marketing.

The main aim of this seminar was to let the participants about the term 'Start-up' and help them in planning for the Start-up.

Further, Mr. Mehta explained various elements of the start-up through a PowerPoint Presentation. The Presentation included the following terms:

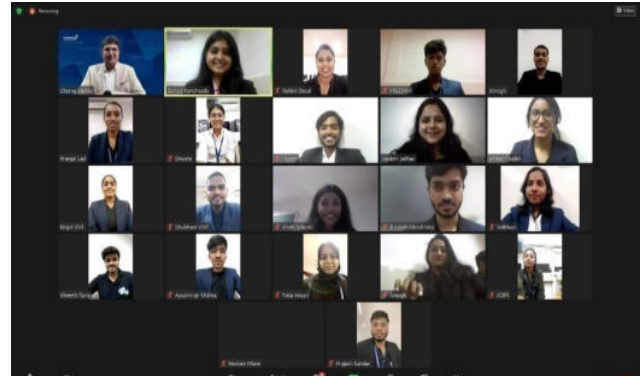

While speaking about the Start-up Ecosystem in India he spoke about some important points wherein he added about India being the 3rd largest ecosystem in the world. He further added about the total number of Unicorns in India, their total valuation and their contribution towards the country's GDP. Later he presented a brief report on the Economic Survey on Start-ups (2021) which showed a remarkable growth in the number of start-ups.

The most common question faced by many people around the world is "What's the need to start a Start-up?" was later addressed by sir. While explaining so he mentioned that the Start-up is all about providing facilities and services to the public. How can you solve the problems of the people decides whether your product can survive or not? He also added some examples like Instamart, Paytm, Gpay, Telemedicine, Crypto, etc

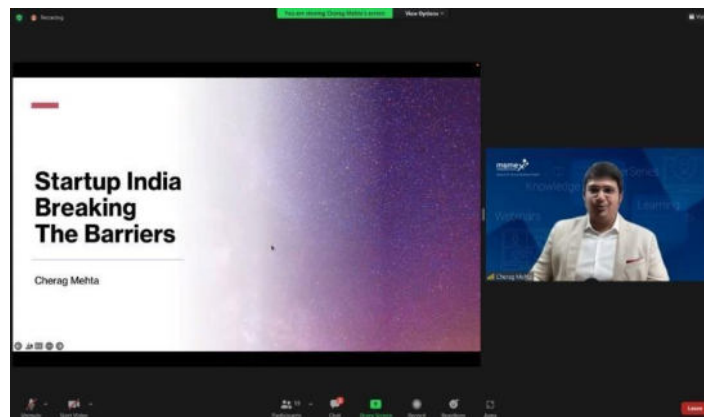

Displaying the picture of Sonam Wangchuk, he tried to explain that we need to be capable enough if we want to be successful. The most fascinating fact that Mr. Mehta shared was, on an average, four Start-up deals are announced every weekday. Later, he mentioned about the sectors wherein successfully some Start-ups are coming up. He shed some light on the growth on the increasing number of unicorns in our country. Through a pie-chart he tried to inform the participants about the Start-up Ideas which will soon come into picture. As his closing statement, he just mentioned about not giving up, and focusing only on the brighter side. As that is what keeps an entrepreneur going!

The seminar came to an end after a Q&A session and vote of thanks by the student anchor.

The seminar was a great success for the whole Team.

BIZCON Annual Flagship - War of words

E-Cell VSIT conducted its two-day annual flagship business Seminar - Bizcon'22 – Startup India breaking the barriers. In this two-day event, various competitions were organized.

On the 2nd day, "War-of-words" a debate competition was conducted. The judge for the competition was Mr. Rohit Radhakrishnan who is a community manager- APAC for UiPath, professional public speaker, student counsellor and start-up evangelist.

Neelam Mane, the host, welcomed and acknowledged the judge and participants. She started the event by introduction and also stated the rules of the competition. The rules of the competition were as follows: Each participant had 1½ minutes time to speak "for" or "against" the topic and then 1 minute was given to each participant for counter-argument. In the end participants were asked to conclude their arguments in 15-20 seconds. The judging criteria was based on presentation style, use of argument and use of cross-examination and rebuttal.

There were four different debate topics, such as: 1. "Remote Work Changing the Landscape for Talent", 2. "Social media runs the society", 3. "Should wealthy people pay more tax than poor" and lastly 4. "Jobs V/S Entrepreneurship? Which is better?".

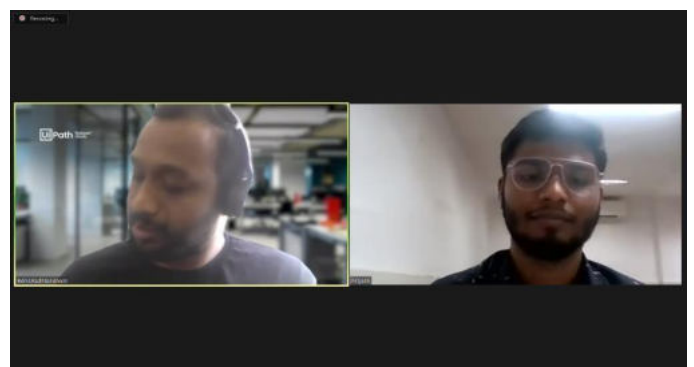

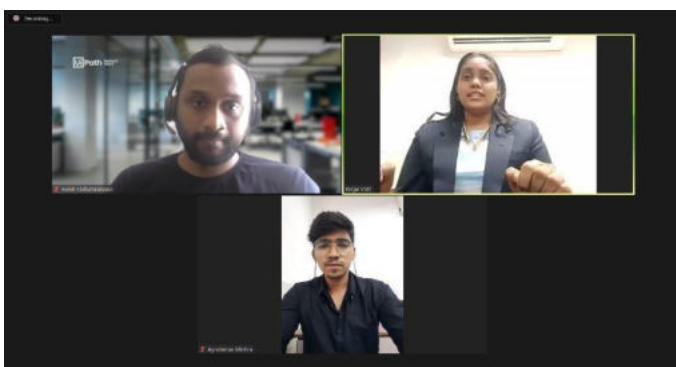

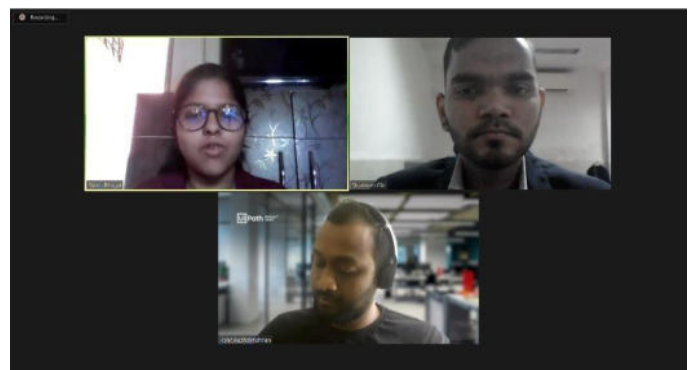

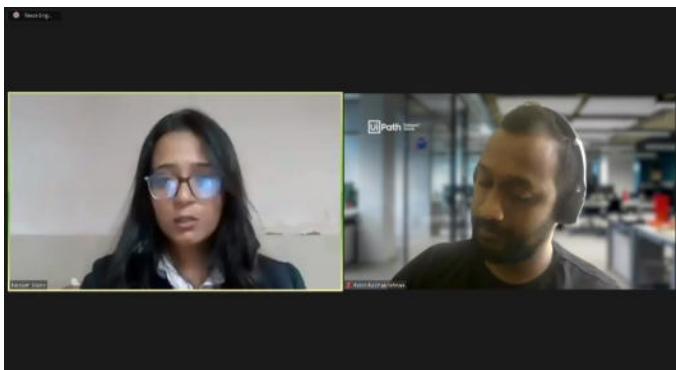

Each topic had 2 participants speaking in favour or in opposition to the topic.

The participants highlighted various aspects of their topic and came up with

commendable points. All the participants presented their views on the topic concisely and effectively. At the end of each debate round the judge pointed out what other aspects of the topic the participants could have covered in their arguments and gave insightful, valuable and constructive suggestions to the participants.

The judge announced the winners after all the debate rounds were over. The 1st Winner was Kinjal Koli, 2nd Winner was Mubashhira and 3rd Winner was Ayushman Mishra. The event was concluded by Neelam Mane with the Vote of thanks.

The War-of-words competition was organized satisfactorily by the E-cell committee. It was a great opportunity for the participants/students to showcase their debating skills and to gain practical experience and knowledge. It rejuvenated the participants and conceded them to think with a different perspective.

BIZCON'22 - VYAPAAR

On 12th March 2022, E-Cell held an Seminar for VStartup finalists to participate in the finals called Vyapaar. The event was held online via the Zoom platform. They gave VSIT students a chance to demonstrate their startup ideas in front of the judge.

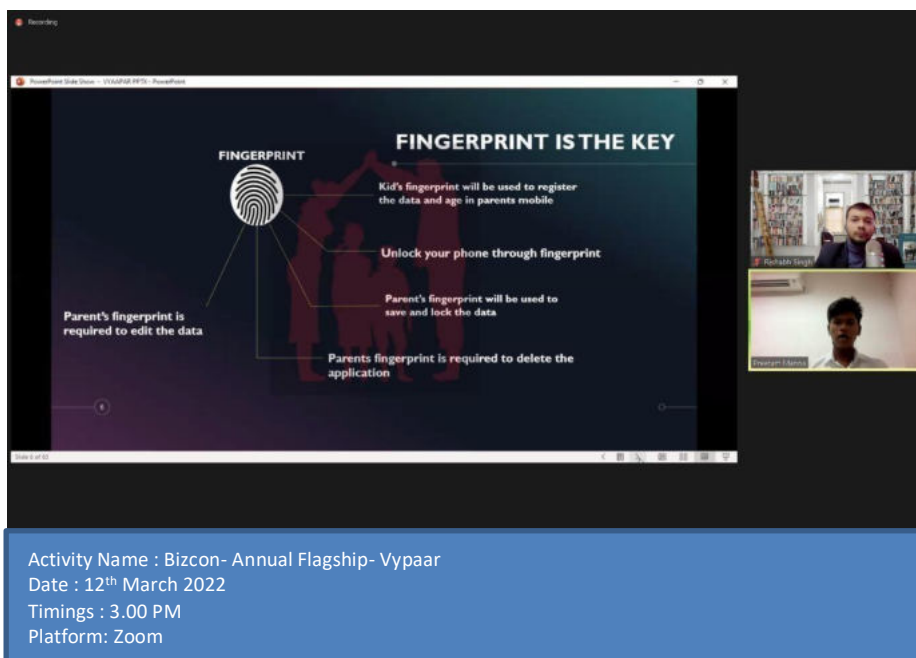

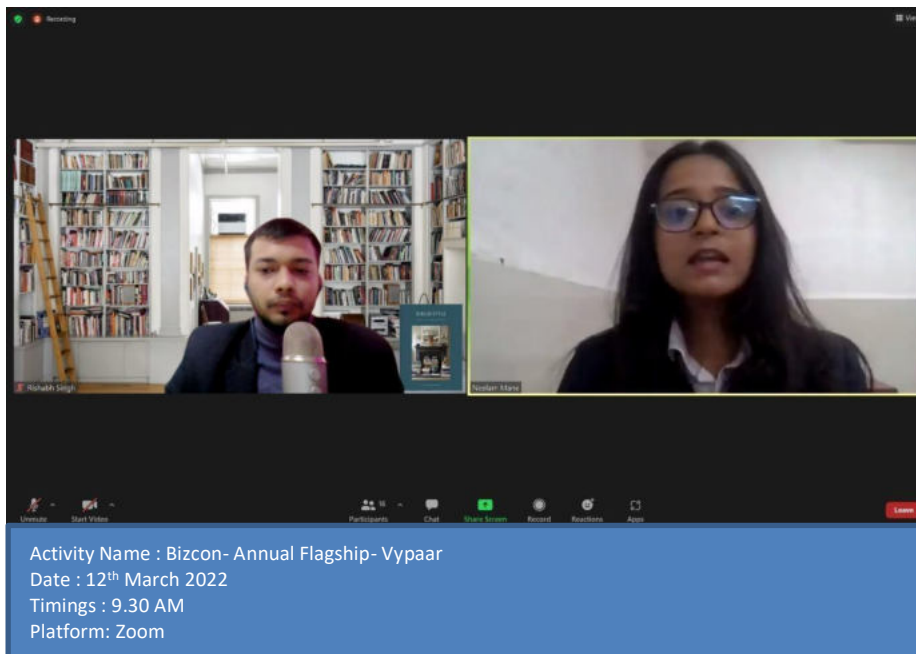

Ms. Neelam Mane, the host the event commenced the event by greeting and welcoming the judge (Mr. Rishabh Singh) as well the participants. Further, she continued the event and introduced the judge to all the participants and read out the rules for the competition. There were 3 teams- Parent's Algorithm, Self Stirring Mug, Evolution.

Each teams presented their startup ideas to our judge Mr. Rishabh Singh. The judge showed interest in their startup ideas and asked questions like what is their unique USP, how will they promote their product in this competitive market. He encouraged them to do better and also gave them feedback. The session was so informative that the students could think from a different perspective. He appreciated the event. He was fascinated by the fresh and new student's ingenuity in this commercial market.

At the end, results were announced by the president of E-Cell, Ms. Zainab Kanchwala. The first position was Evolution followed by the other two teams, Parent's Algorithm and Self Stirring Mug. Mr. Rishabh Singh thanked the participants, the organizing team, and VSIT for their tremendous support and for giving him the opportunity to judge an important event which brings the path of entrepreneurship and gives the right exposure to Indian students.

After the conclusion of the event the attendees were asked to fill the feedback form.

With this, the event was brought to its conclusion by Neelam Mane(Event Management Head) presenting a vote of thanks and the attendees for their constant support and encouragement and it made this event a sure Success.
