| Date of extension activity | 10 <sup>th</sup> June 2017 |
| Venue                      | Worli Fort                 |
| No of Volunteers           | 17                         |

The activity took place at Chededev mandir which is a local landmark in Worli. The activity started at 8 am. The waste warrior volunteers' head addressed the volunteers about the steps to clean the fort area. Then a rally was conducted from the Chededev mandir to the Worli fort with the collaboration of that zone.

The rally ended at the fort and instructions were given to the volunteers about how to clean the surroundings. The volunteers were divided into groups and were allotted the area's to be cleaned. They provided us with the required equipment for cleaning purposes like gloves, masks, etc.

The waste was collected at one place and the B.M.C people had taken care to dump it properly. The people at the fort were very cooperative and supported the volunteers. The activity was successfully conducted with the enthusiastic attitude of volunteers and in unity by helping each other.

This activity started from 12<sup>th</sup> June to 23<sup>rd</sup> June 2017 and took place at Amar Nagar Society, Worli. Prof Santosh Gupta a faculty of Vidyalankar College is a member of the society which had given the NSS unit of Vidyalankar College the opportunity to spread awareness regarding about Swachh Bharat Mission in their society by wall painting activity. About 4-6 volunteers were present each day throughout the activity.

The society had provided the volunteers with all the required materials such as paints, brushes, ladder, etc. The activity was from morning 8:00 am to afternoon 12:00 pm, where on the initial day volunteers selected, what messages to give to the residents and drew the sketch of the painting with colorful chocks. After the outline on the 3<sup>rd</sup> / 4<sup>th</sup> day, they started with actual painting with the help of oil paint. Which they covered 12 walls in 12 days.

With the cooperation and support from the Amar Nagar Society, they could easily conduct their day-to-day task without any hurdles. The society offered volunteers refreshments during the activity.

| Date of activity | 25/6/2017 |
| Venue            | Rabale    |
| No of Volunteers | 16        |
| No of Saplings   | 65        |

The volunteers assembled at 5:45 am in Wadala station. The volunteers reached Rabale station at 7 am and activity started at 8 am. Volunteers first build a pool of sacks filled with sand and stone to cross the river and then cross the river with the equipment to plant the saplings.

Along with the Vidyalankar School of information technology NSS unit, there were Hariyali youth community members and other colleges' NSS unit volunteers. Volunteers were asked to dig holes to plant the saplings. The saplings were planted and they were tied to a stick for support. That area was restricted by the government and only some trees can be planted. There were many plans to make the area park as that area is an industrial area. The activity ended by 11 am.

## Polio Drive

|                            |                                       |
|----------------------------|---------------------------------------|
| Date of extension activity | 2/4/2017,2/7/2017,17/9/2017,28/1/2018 |
| Venue                      | Antop Hill                            |
| No of Volunteers           | As per List provided below            |
| No of Beneficiaries        | 3500                                  |

The volunteers demonstrated a commendable commitment to public health by actively participating in the polio immunization drives. Their organized approach of forming groups, allocating specific booths, and engaging in door-to-door initiatives reflects a well-coordinated effort to ensure maximum outreach.

Spreading awareness about the importance of administering Polio Drops to children is crucial for maintaining community health and preventing the spread of the disease. By informing residents about the ongoing Polio Campaign and guiding them to the nearest Polio Booth, the volunteers played a vital role in increasing vaccination rates and reducing the risk of polio transmission.

The fact that volunteers positively impacted 3,500 children through their dedicated efforts across the four-polio immunization drives at various locations. This accomplishment highlights their effectiveness in mobilizing communities and promoting a healthier future for the children in those areas.

## Nirmalya Collection Drive

|                            |                              |
|----------------------------|------------------------------|
| Date of extension activity | 31 <sup>st</sup> August 2017 |
| Venue                      | Chaityabhoomi, Dadar Beach.  |
| No of Volunteers           | 18                           |

All the volunteers gathered at Chaitya Bhoomi where they collaborated with UNITED WAY ORGANIZATION for the Nirmalya Collection drive. Volunteers alongside the organization and the BMC (Brihanmumbai Municipal Corporation) workers collectively took up the initiative of Nirmalya collection work in which volunteers collected unwanted (non-degradable and degradable) items placed alongside Ganapati idols before the immersion. Volunteers ensured that the immersion ceremony took place without polluting water bodies alongside the beach. Worshippers participated too, with same enthusiasm and collected their own respective Nirmalya and segregated them in the form of Dry and wet waste. Volunteers, despite heavy rain did not leave the beach, their willpower, unity and dedication towards work and completed the collection drive successfully.

The poster is blue with white and red text. At the top left is the VSIT logo. At the top right is the United Way logo. The text reads: "VIDYALANKAR SCHOOL OF INFORMATION TECHNOLOGY NSS UNIT IN ASSOCIATION WITH UNITED WAY ORGANIZATION AND BMC WORKERS". Below this is the title "Nirmalya Collection" in large, bold, black font. Underneath the title are two red Ganapati idols flanking the Marathi text "अणंत चतुर्दशी". At the bottom, there is a white box with a blue border containing the event details: "DATE : 31st August 2017", "Chaityabhoomi, Dadar Beach.", and "Start at 9.00 am to 5.30 pm".

All the NSS (National Service Scheme) volunteers met at the Sangam Nagar, Vidyalankar College Bus stop. The volunteers guided the commuters at the Bus stop and requested them to form proper queues. When the bus arrived, the commuters were asked to maintain a proper line and alight the bus. The volunteers even helped old people to get on the bus. They also guided some people with which bus numbers go to which place. The BEST appreciated the work of the volunteers.

All the volunteers gathered in our Vidyalankar college near Tree-area in VSIT and then commenced to Vidyalankar Polytechnic (VP). The volunteers were given instructions about the medical camp. The volunteers were informed in which room which checkup is going to be done.

There was dental check-up, Eye check-up, Diabetes check-up and regular check-up. The medical camp was arranged by Lions club and by Indian Dental Association. The volunteers were allotted the places under the guidance of doctors of Lions club and Indian Dental Association. Some of the volunteers went and stayed in the check-up rooms to collect the forms and send the patients one by one for the check-up. Some of the volunteers were registering the patient details and some were guiding the patients towards the rooms, and some were managing the crowd. The medical camp activity was completed successfully at 4.00pm.

Paper bag making by NSS volunteers is a community-based initiative aimed at producing eco-friendly paper bags as an alternative to plastic bags. This activity involves NSS volunteers coming together to create paper bags using recycled materials, such as old newspapers or discarded paper, with the goal of promoting environmental sustainability and raising awareness about the harmful effects of plastic pollution. NSS volunteers gathered old newspapers or recycled paper from various sources, ensuring that the paper is clean and suitable for recycling. A designated area was set up with workstations equipped with the necessary materials and tools, including newspapers, glue, scissors, rulers, pencils, and materials like paints and markers.

Volunteers received guidance on the process of making paper bags. They are instructed on the importance of using recycled materials and minimizing waste during the activity. NSS volunteers worked in teams or individually to create paper bags by following a set of step-by-step instructions. The process typically involves folding, cutting, and gluing the paper to form the bags. The NSS volunteers distributed the paper bags to local shops. During this process, they engage with the community, explain the benefits of using paper bags, and emphasize the importance of reducing plastic waste.

Students of department of lifelong learning and Extension (DLLE) of VSIT visited Ramkrishna Niketan Vridhashram, Panvel. On Sunday 8<sup>th</sup> of October 2017 with three extension teachers Prof. Sandeep Kandekar, Prof. Laxmikant Manchekar and Prof. Nisha Dang.

Ramkrishna Niketan Vridhashram provides residential care with full boarding & lodging facility to the old with medical care and nursing care to the old belonging mostly to the poor & middle-class individuals (above 60 years of age) of all denominations. All the students participated in the discussions regarding Grandparents, they enthusiastically shared their views-concerns-opinions about their grandparents. Students performed a skit in front of the members of the old age home to entertain them. Overall the students had a great memorable experience at Ramkrishna Niketan Vridhashram.

This visit helped us in many ways and through this trip we could educate our students on some important values and life skills regarding taking care, respecting and valuing elders.

| No of Beneficiaries | 498   |

The purpose of the event was to encourage people to make a positive impact on society by participating in blood donation for a noble cause, while also assisting blood banks in their endeavors. A day prior to the event, all volunteers were given advance notice. Enthusiastic participants actively took part in blood donation campaigns held at different locations, resulting in 498 beneficiaries documented across 3 distinct drives. The NSS volunteers played a crucial role in supporting the medical team. They helped assess the physical and medical conditions of blood donors, which involved tasks like noting blood types, using blood pressure monitors to measure donors' blood pressure, and recording hemoglobin levels. Furthermore, volunteers provided assistance to the medical staff in collecting blood donations. This opportunity gave volunteers a platform to actively engage with the community, raise awareness, and collaborate with medical experts in the important process of collecting blood donations for blood banks.

## Bandhara Making At Adopted Village Palsunde

|                  |  |
|------------------|--|
| Date of activity | 6/5/18 to 12/5/18  |
| Venue            | A.P. Palsunde , Tehsil Mokhada ,District Palghar , Maharashtra |
| No of Volunteers | 60   |
| Estimated Value  | 40000  |

Bandhara making was done by the volunteers of the NSS unit of VSIT from 6/5/18 to 12/5/18. Bandhara is a traditional system found in Maharashtra; their presence raises the water level of the rivers so that it begins to flow into channels. They are also used to impound water and form a large reservoir.

The Bandhara was built across a small stream so that the water supply would usually last for a few months after the rains. Volunteers cleaned the place and collected stones as the preparation part of Bandhara making. Later, stones were placed in such a way that the direct flow of water gets slowed down and reaches the fields in an appropriate manner. This work would help the village inmates to get water supplied to the fields.

## Sapling making (Hariyali)

|                      |  |
|----------------------|--|
| Date of activity     | 30 <sup>th</sup> December 2017                                   |
| Venue                | Borivali National Park ,Murar Nursery, Murar Road, Mulund (West) |
| Number of Saplings   | 250  |
| Number of Volunteers | 39   |

All the NSS (National Service Scheme) volunteers met at Dadar station and from there they reached the Murar nursery. After reaching the nursery they were given the proper instructions to make the saplings. They were given the work of filling the plastic bags with soil but before that they had to loosen the soil and then this soil was to be filled in the bags. The filling process was also explained so that the sapling could remain stable. These bags were filled and aligned together. The volunteers were later provided with the cuttings of the saplings which were to be planted. These cuttings were then planted in those small bags filled with soil by the volunteers. These bags consisted of saplings of seeds like Ratan Kunj and Jamun. A total of 250 saplings were planted.
