Blood Donation Camp Sewri-Mumbai

Date of extension activity	3 drives (2/6/2018, 25/11/18 and 13/1/19)
Venue	Sewri, AntopHill, and Dadar
No of Volunteers	58
No of Beneficiaries	174

The objective of the event was to inspire individuals to participate in blood donation for a noble cause, promoting societal betterment, and assisting blood banks in their endeavours. A day prior to the event, all volunteers were informed about it. Enthusiastic participants took part in blood donation drives held at different locations. Throughout these drives, a total of 174 beneficiaries were documented across 3 drives. The NSS volunteers played a crucial role by supporting the medical team in evaluating the physical and medical conditions of the blood donors. This involved tasks like recording blood types, using blood pressure monitors to measure donors' blood pressure, and noting hemoglobin levels. Additionally, volunteers assisted medical personnel in collecting blood donations. This opportunity allowed volunteers to actively contribute to the community, raise awareness, and collaborate with healthcare experts in the important process of gathering blood donations for blood banks.

Beach Cleaning at Dadar Chaitya Bhoomi

Date of extension activity	01/07/2018
Venue	Dadar
No of Volunteers	15

There was a Beach cleaning activity that happened at Dadar Beach organized by BEACH PLEASE (NGO) at 08:00 am to 10:00am. This NGO aims to create awareness among people regarding Beaches and their importance of it and join the cleanup drives organized by BEACH PLEASE. Initially, before the activity starts, the Members of this foundation introduced themselves, and then the volunteers explained the activity. The dos and don'ts were explained to them and then the equipment needed was distributed to the volunteers.

The volunteers were distributed into groups of 3 and then they were allotted places from which the garbage was to be cleared. The activity commenced and the volunteers actively did the work. The volunteers collected the garbage and stored it at one place from where the BMC (Brihanmumbai Municipal Corporation) vehicles could easily collect them. Then the volunteers moved that garbage into the BMC garbage van. In the end, the activity was completed successfully.

Then the Beach please officials took the introduction of the volunteers present and they also introduced themselves. The experience of the whole activity was shared, and the activity ended.

Polio Drive with BMC

Date of extension activity	05/08/2018 & 18/11/2018
Venue	Korba Mithaghar
No of volunteers	40
No of Beneficiaries	1232

All NSS volunteers assembled near Hanuman mandir by 7:00 a.m. Then volunteers were divided into two groups. One group went to the Antop Hill area and another one went to the Korba Mithaghar area. For each booth, the 10 vaccine bottles were provided and given training of polio vaccination. Then each booth volunteer went to their booth site and set up the booth by hanging a banner of the polio vaccination drive and sticking a sticker on that.

The booth started at 9: 00 clock in different areas. The volunteers gave the polio dose to the children below 5 years and marked their fingers. Volunteers also spread awareness of the polio vaccination drive. Each booth volunteer gave the polio dose to around 150 to 200 children. The polio drive ended by 5.00 p.m. After that windup of both the groups was done and all the volunteers gathered at the meeting point from where they divided into groups and shared their experiences.

Interactive Session on Traffic Laws

Date of extension activity	21/8/2018
Venue	University of Mumbai
No of Volunteers	6

The NSS student volunteers of VSIT have participated in an Interactive session on Traffic Laws at Mumbai University. The training was given to the students which they would later impart to others. The activity started at 09:00 am to 11:00 am. Mr. Dabhi had been invited as Chief Guest of this event. Mr. Dabhi, who is an excellent orator, did not give anyone a chance to get bored. He discussed about the mindset of Indian people as far as driving was concerned. He also shared some of his personal experiences about how joining the traffic police had given him a whole new aspect of efficient and safe driving. The humorous, animated videos shown by Mr. Dabhi kept the audience on the edge of their seats. The session ended with a question-and-answer round between Mr. Dabhi and the students.

Mr. Dabhi, with his wise and insightful answers, satisfied the curiosity of the students. It turned out to be a very fruitful interaction as the attendees got to learn many things from the session. Finally, when departing, Mr. Dabhi appealed to all present that "India is a young country and the youths of India are India's future, so, 'Drive Safely Today, Be Alive Tomorrow'". The session ended at 11:00 a.m.

Leprosy Survey

Date of activity	23/09/2018 To 10/10/2018
Venue	Sangam Nagar
No of Volunteers	7
No of Beneficiaries	25

This activity was organized by the Vidyalankar School of Information Technology (VSIT)\ on Leprosy Day. Volunteers visited areas near the college to create awareness about Leprosy. Activity started at 11:30 am. Volunteers visited every house of the Sangam Nagar Wadala. There are all the persons in every family who had skin issues or any other health–related problems. Volunteers took a survey of the whole area. Doctors later confirmed the survey.

The Leprosy Survey was held to make the public aware of the disease and accept those citizens who have passed through this disease in society. The number of Leprosy cases is increasing rapidly in India, so this activity helped people to detect the disease at an early stage and be cured completely by it. The total number of beneficiaries vaccinated to the people was calculated on per day 25. The activity ended at 05:30 pm.

HOSH Walkathon

Date of extension activity	23rd December 2018
Venue	Shivaji Park Dadar

Long Learning and Extension Unit of VSIT (Vidyalankar School of Information Technology) had participated in HOSH Walkathon organized by Amba Gopal Foundation on 23rd December 2018.

HOSH is a social initiative by Amba Gopal Foundation; Started by Harish Shetty, a philanthropist by heart and it is engaged in bringing about social transformation in society. Presently, Cancer is an Issue which is increasing day by day on a very large scale. Nowadays, all age groups are getting affected by cancer, even if they are not exposed to cigarettes & tobacco. Due to the increase in usage of chemical-based insecticides and pesticides on vegetables and fruits, there is significant increase in diseases like Cancer. The main idea behind HOSH is to create an awareness to ban the use of chemical-based insecticides and pesticides.

Amba Gopal foundation organized a Walkathon on 23rd December 2018 which happens to be Indian farmers day, appealing to the government from refraining the use of chemical-based insecticides and pesticides at Shivaji Park, Dadar starting from Shree Samarth Vyayam Mandir From 7 AM onwards.

Date of activity	04/01/2019 To 27/02/2019
Venue	Shelter Don Bosco, Wadala.
No of Volunteers	10
No of Beneficiaries	155

The activity started at 09:30 am. Our Volunteers were co-ordinating with Shelter Don Bosco for educating and teaching underprivileged students. Each Volunteer took one subject according to their area of interest. The volunteers were divided into 2 batches morning and afternoon. Each batch has 4 members in the group. Volunteers guided and helped the students for solving the problems that are faced by students in some subjects. All the volunteers gained loads of knowledge and got aware of the right to education.

The students were happy that they were gaining more knowledge in their studies and other things also. All the volunteers who helped to impart the basic knowledge to around 15-20 students which were in batches as mentioned above. Volunteers played some fun activities with the students related to studies, which helped the students to focus more on the activity as well as their studies. The activity ended at 04:30 pm. All the volunteers dispersed at the end.

Paper Bag Making and Distribution

Date of activity	15/05/2019 To 30/05/2019
Venue	Vidyalankar College
No of Volunteers	40
No of Bags	10218
No of Beneficiaries	2000

Paper bag making by NSS volunteers is a community-based initiative aimed at producing eco-friendly paper bags as an alternative to plastic bags. This activity involves NSS volunteers coming together to create paper bags using recycled materials, such as old newspapers or discarded paper, with the goal of promoting environmental sustainability and raising awareness about the harmful effects of plastic pollution. NSS volunteers gathered old newspapers or recycled paper from various sources, ensuring that the paper is clean and suitable for recycling. A designated area was set up with workstations equipped with the necessary materials and tools, including newspapers, glue, scissors, rulers, pencils, and materials like paints and markers. Volunteers received guidance on the process of making paper bags. They are instructed on the importance of using recycled materials and minimizing waste during the activity. NSS volunteers worked in teams or individually to create paper bags by following a set of step- by step instructions. The process typically involves folding, cutting, and gluing the paper to form the bags. The NSS volunteers distributed the paper bags to local shops. During this process, they engage with the community, explain the benefits of using paper bags, and emphasize the importance of reducing plastic waste.

Bandhara Making At Adopted Village Kalamb

Date of activity	24/12/2018 to 31/12/2018
Venue	A.P.Uttankarwadi, Kalamb Tehsil -Vasai District- Palghar, Maharashtra
No of Volunteers	60
Estimated Valuation	Rs 50000

Bandhara making was done by the volunteers of the NSS unit of VSIT from 24/12/2018 to 31/12/2018. Bandhara is a traditional system found in Maharashtra; their presence raises the water level of the rivers so that it begins to flow into channels. They are also used to impound water and form a large reservoir.

The Bandhara was built across a small stream so that the water supply would usually last for a few months after the rains. Volunteers cleaned the place and collected stones as the preparation part of Bandhara making. Later, stones were placed in such a way that the direct flow of water gets slowed down and reaches the fields in an appropriate manner. This work would help the village inmates to get water supplied to the fields.
