Wall Painting Activity

Date of extension activity	3 rd ,4 th ,7 th and 8 th June 2019
Venue	Dadar, Station
No of Volunteers	49
No of Beneficiaries	100

The primary objective of the wall painting activity was to transform ordinary walls into vibrant canvases of art that not only enhance the aesthetics of the surrounding area but also communicate important social and environmental messages. Additionally, it aimed to provide a creative outlet for NSS volunteers to express their talents while engaging with the local community. Before the event, the NSS volunteers were engaged in meticulous planning. This included selecting suitable wall locations, obtaining necessary permissions, procuring high-quality paints and brushes, and ensuring safety measures were in place for all participants. Artistic concepts and designs were collaboratively created, emphasizing themes related to social awareness, environmental conservation, and community unity. The wall painting initiative by NSS volunteers has not only beautified public spaces but has also fostered a sense of community pride and responsibility. It serves as a testament to the power of art as a means of communication and social change.

Tree Plantation Drives

Date of extension activity	(4 Drives) 5/6/2019 ,6/7/2019 , 28/7/2019 & 14/7/19
Venue	Sanjay Gandhi National Park, Thane, Rabale, Arey Colony, Goregoan
No of Volunteers	11
No of sapling	100
No of Beneficiaries	400

The primary objective of this tree plantation activity was to contribute to the environment by increasing green cover, enhancing air quality, and providing a platform for NSS students to actively engage in community service. Additionally, it aimed to educate participants and the local community about the vital role trees play in mitigating climate change and supporting biodiversity. A total of 100 saplings of native tree species were planted during each drive. Participants were divided into smaller groups to facilitate efficient planting. Each group was responsible for a specific area, ensuring that the saplings were planted at an appropriate depth and distance from each other. The tree plantation activity organized by NSS students, and the Young Indian Association was a resounding success. It not only contributed to environmental conservation but also served as a platform for community engagement and education. The event received positive feedback from both participants and the local community.

Polio Immunization Drives

Date of extension activity	(3 Drives) 16/6/19, 15/9/19 and 19/1/20
Venue	Antophill and Korba Mithaghar
No of Volunteers	84
No of Beneficiaries	6168

Volunteers Gathered at the designated location, volunteers formed groups of three, each team allocated to specific booths. Their efforts also included spreading awareness among community members about the crucial role of administering Polio Drops to children. The volunteers engaged in a door-to-door initiative, informing residents about the ongoing Polio Campaign, and directing them to the nearest Polio Booth. They addressed inquiries and offered explanations regarding the polio vaccination process.

Across three polio immunization drives at Antophill and Korba Mithaghar the volunteers made a significant impact, positively benefiting 6168 children through their dedicated efforts.

Beach Cleaning Drive (29 Drives)

Date of extension activity	(29 Drives) 13/07/2019 & (14/4/2019 to 18/2/2019)
Venue	Carter Road, Mahim and Dadar
No of Volunteers	25
No of Beneficiaries	213

The NSS team from VSIT organized beach cleaning initiatives at various locations, where volunteers actively collected debris from the shorelines. This effort was aligned with the Swachh Bharat Abhiyan (Clean India Campaign), reflecting the national importance of enhancing sanitation, cleanliness, and hygiene across India. The mission holds particular significance considering the poor state of sanitation in the country, which has historically led to numerous deaths from hygiene-related diseases.

In the past, there was a lack of awareness about the crucial link between cleanliness and overall health and well-being. Waste used to either accumulate or scatter on the beaches due to the absence of an efficient collection and disposal system. However, with guidance and support from the leaders of the Beach Please organization, the volunteers collaboratively undertook the task of cleaning the beaches. As a result of their dedicated efforts, the volunteers effectively completed the beach cleaning initiatives.

Paper Bag Making & Distribution

Date of extension activity	15 th July 2019
Venue	Sangam Nagar, Wadala
Total Bags distributed	11596
No of Volunteers	24
No of Beneficiaries	11596

The NSS volunteers initiated a community-based project focused on manufacturing eco-friendly paper bags as a sustainable substitute for plastic bags. In this endeavor, NSS volunteers collaborated to craft paper bags using recycled materials like old newspapers and discarded paper, with the overarching objectives of promoting environmental sustainability and increasing awareness about the detrimental effects of plastic pollution.

The volunteers gathered old newspapers and recycled paper from diverse sources, ensuring that the materials were clean and suitable for recycling. They established a designated workspace equipped with essential tools and materials such as newspapers, glue, scissors, rulers, and pencils, as well as items like paints and markers for potential decorative purposes. The volunteers were provided with guidance on the paper bag manufacturing process, emphasizing the significance of utilizing recycled materials and minimizing waste throughout the activity. NSS volunteers worked either in teams or individually to produce paper bags, following a detailed set of step-by-step instructions. The manufacturing procedure generally included actions such as folding, cutting, and adhering the paper to create functional bags. Subsequently, these paper bags were distributed to local shops by the NSS volunteers. During this distribution process, they actively engaged with the community, elucidating the advantages of opting for paper bags over plastic ones and underscoring the critical importance of reducing plastic waste.

Shantivan Ashram Visit

Date of activity	12th August 2019
Venue	Shantivan Ashram, Panvel
No of Volunteers	74
No of Beneficiaries	125

All the volunteers assembled at Wadala railway station at around 6:45 a.m., thereby traveling to Panvel Station together. Volunteers were divided into 6 different groups. Each group had its respective head leading other volunteers. Volunteers reached the 'Shantivan Ashram' i.e. Balwantraji Mehta centre together, where Mr.Koli from Ashram welcoming all of them. Mr.koli introduced the volunteers about Leprosy disease and its related concepts to the volunteers, after which volunteers headed towards leprosy hospital and old age home where volunteers interacted with old aged people under the guidance of Mr.koli and Mr.Vijay Gawde where we told them about the background and history of the vicinity.

Volunteers visited Adivasi school which was present nearby the Ashram where volunteers performed different cultural activities like Folk dance, singing and even played games which the Adivasi school's student and staff members appreciated a lot. Volunteers also brought chocolates and handmade notebook's and distributed them to the kids. Volunteers after returning back to Ashram, sang the NSS anthem and held prayers before having lunch. Volunteers showed great enthusiasm and team spirit by exchanging their respective tiffin and shared a moment of joy. The visit thereby ended with NSS clap by all the volunteers. Volunteers headed back to their respective homes taking loads of teaching and inspiring memories along with them.

Flood Relief at Kholapur

Date of extension activity	16th to 22nd August 2019
Venue	Sangli & Kholapur
No of Volunteers	5
No of Beneficiaries	330 families and 250 students

Sangli & Kholapur had been flooded. So Young India Association, Thane arranged a post-disaster management campaign from 16th to 22nd August 2019. So, they invited our NSS UNIT of VIDYALANKAR SCHOOL OF INFORMATION TECHNOLOGY COLLEGE to help with the food distribution drive at Sangli. They reached out to one of our volunteers by seeing his article in Maharashtra Times, which was printed on 20th August 2019, for helping at Dongri where four stored buildings were devastated on 16th July 2019.

As they reached us for Post Disaster management campaign organized by Young India Association, Thane. From our NSS unit, two of our volunteers (Kishore Gunduwar and Pratik Andhare) reached out for help by the 21st of August. On the banks of the Krishna River plastic and other waste had accumulated like a huge mountain of trash. Volunteers felt extremely bad for the people living in the flooded region. Even there was a scene where they saw the 2 stored building walls filled with water patches and the farms had been decimated too. There was a lack of food and shelter.

So, volunteers reached flooded regions like HALATKANGLE, BAHE, and NASINGHPUR Village & 3 Schools of Islampur Taluka, District-Sangali, and distributed the things like wheat Flour, Soap, Biscuits, Candles, Matchbox, and other things helpful to fulfill their basic needs and amenities. We reached out to almost 330 families in this region and 250 students to fulfill their requirements by distributing notebooks, pencils, erasers and other accessories.

Tilak Nagar Blood Donation Drive

Date of extension activity	14 Drives (List Attached)
Venue	Tilak Nagar Ground, Tilak Nagar.
No of Volunteers	82
No of Beneficiaries	1400

The main goal of the Blood donation Drive was to inspire people to participate in blood donation for the greater good of society and to assist blood banks in their endeavors. The day before the event, all volunteers were informed in advance. The activity had a twofold purpose: first, to inspire individuals to make a positive impact on society by participating in blood donation for a noble cause, and second, to support the efforts of blood banks. A day before the event, all volunteers were informed in advance. Eager participants enthusiastically joined blood donation campaigns held at various locations, resulting in 1400 documented beneficiaries spread across three different drives. NSS volunteers played a vital role in assisting the medical team during the event. Their responsibilities included evaluating the physical and medical conditions of blood donors, tasks such as identifying blood types, using blood pressure monitors to measure donors' blood pressure, and recording hemoglobin levels. Additionally, the volunteers aided the medical staff in collecting blood donations.

This opportunity provided volunteers with a platform to actively engage with the community, raise awareness about the significance of blood donation, and collaborate with healthcare professionals in the critical process of collecting blood donations for blood banks.

Mahiti Doot Session

Date of extension activity	16-12-2019
Venue	VSIT
No of volunteers	44
No of Beneficiaries	44

The NSS Unit of VSIT organized the Mahiti Doot session by collaborating with the Local government. Their objective was to spread awareness of various schemes made by the government for Indian citizens. Savitribai Phule Pune University (SPPU) has directed all its affiliated colleges to implement the 'Mahiti Doot' activity initiated by the information and broadcast department of the State government. It has instructed to the colleges to encourage students to apply for this activity. Every educational institute would have representatives of the group.

Under this initiative, the volunteers will had to reach the given target of reaching at least 50 beneficiaries in six months' time and inform them about facilities and schemes provided by the State government. "The Mahiti Doot app is available on the Google play store, from where heads of NSS can guide the students and encourage them to do so. Every college would receive a user ID and password via mail from the Information and Broadcast Ministry. If any college had not received any mail from the ministry, they could avail it from the university as per Mr.Prabhakar Desai, Director of NSS of SPPU.

In this session, the volunteers were trained in the Anulom Application which was available on the Play Store. Using this application, one can find information about the government scheme, and where all documents are available. Later these volunteers Spread awareness among other students of the college

Diabetes Screening Camp with Sai Seva Mandal

Date of extension activity	12/01/2020
Venue	VSIT
No of Volunteers	7
No of Beneficiaries	17

The NSS unit of VSIT in association with Sai Seva Mandal volunteered for health camp on 12/01/2020. Volunteers learned from one of their coordinator that World Diabetes Day (WDD) was created in 1991 by IDF and the World Health Organization in response to growing concerns about the escalating health threat posed by diabetes. The activity started at 10:00am.

World Diabetes Day became an official United Nations Day in 2006 with the passage of United Nation Resolution 61/225. It is marked every year on 14 November, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922. WDD is the world's largest diabetes awareness campaign reaching a global audience of over 1 billion people in more than 160 countries. The campaign draws attention to issues of paramount importance to the diabetes world and keeps diabetes firmly in the public and political spotlight.

Volunteers helped people in feeling forms. They help in registration. Volunteers also helped doctors in giving them things they needed and sending patients as they were called in que. Total 7 volunteers had participated in this camp. Total 17 patients were benefited in this health camp. Volunteers felt a sense of service to the society. The activity ended at 04:00pm.

Road Safety Drive

Date of extension activity	16-01-2020
Venue	Wadala
No of Volunteers	15
No of Beneficiaries	200

The NSS team of VSIT performed a street play on “Road Safety” at Wadala on 16/01/2020. 15 volunteers performed in this street play. A very good message was given by the performers through this street play. The message was “Carry Your Documents In The Car At All Times”, “Wear Safety Gear While Driving”, “Stick To Speed Limits”, “Keep A Safe Distance With The Car In Front Of You”. Do Not Drink and Practice Defensive Driving, Avoid Distractions were some other important messages. Road safety is very important for people of all age groups to be safe and secure as well as reduce the number of road accidents and injury cases.

So, everyone should strictly follow all the rules, regulations, and signs of road traffic lights. This street play helped in spreading awareness about road safety among the common people. This activity was conducted in collaboration with Mumbai Traffic Police and it ended successfully with lots of positive responses

Pond making at Adopted Village Palsunde

Date of activity	09/11/2019 To 16/11/2019
Venue	A.P. Palsunde , Tehsil Mokhada ,District Palghar , Maharashtra
No of Volunteers	60

A visit was organized by the NSS unit of VSIT at Palsunde village in the month of November 2019. On 10 November 2019, the volunteers conducted a pond-making activity as a part of fieldwork. Volunteers dug a rectangular-shaped pond for the animals. This pond would provide sanctuary by offering food, water, shelter, and a place for the breeding of indigenous wildlife like dragonflies, frogs, and birds. Including some plants that are native to the area, in and around the pond, as these often provide the best sources of food and cover for native wildlife. The pond making activity was completed on 16/11/2019.
