Food Distribution at TATA Hospital with Annamrita Foundation

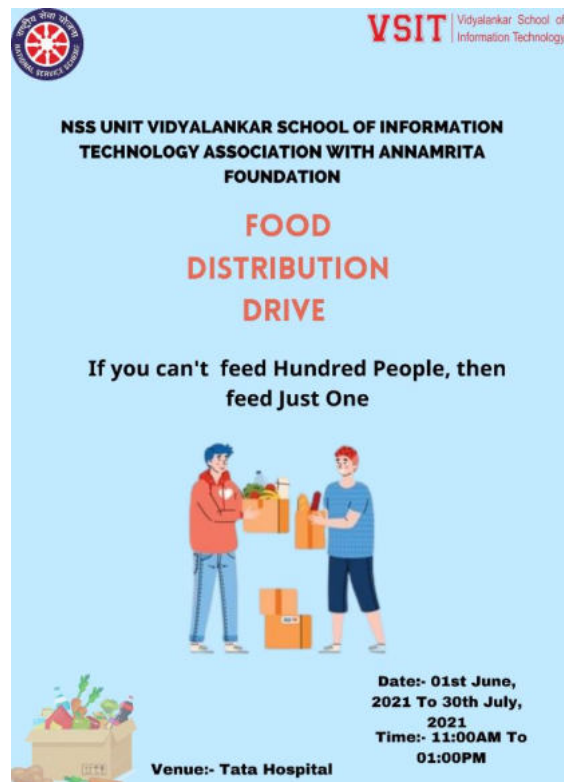

Date of activity	1 st June 2021 to 30 th July 2021
Venue	TATA Hospital, Parel
No of Volunteers	114
No of Beneficiaries	5184 packets (81 Packets daily)

All volunteers were informed a day prior about the activity. Volunteers gathered at the Golden Jubilee gate near TATA Hospital. Volunteers started preparing 15 minutes prior to the food distribution which started from 11 am onwards. There were 3 crates that needed to be distributed amongst the patients and their family members.

Volunteers requested patients and their respective family members to adhere to social distance norms and wear their masks properly to avoid the spread of the Covid-19 virus. Volunteers assured that they were comfortable in the queue and had enough space between them. The food packets were distributed one by one to the patients and their families, volunteers made sure there was a dustbin where the packets were disposed of responsibly. Once all the food packets

were distributed, the crates were handed to the members of the Annamrita Foundation and then the activity for the day was concluded.

This activity was held daily from 1st June 2021 to 30th July 2021 except on Sundays. The objective was to provide patients and their families with a daily need for nutritious food in tough times of the pandemic. Volunteers successfully distributed 5184 packets. The NSS Volunteers helped the Annamrita Foundation in the smooth distribution of food packets by following Covid-19 protocols given by the Central and state government. The event successfully ended at 1 pm.

Name of the Activity: Food Distribution.

Tree Plantation with Jayshree Foundation at Nerul

Date of activity	5th June 2021
Venue	Jewel of Navi Mumbai, Nerul
No of Volunteers	11
No of Trees Planted	20 (8-Ashoka, 6-Mango, and 6-Almonds)

The objective of the activity was to plant trees and save the endangered environment. Targeted Plants were Ashoka, Mango, and Almond. Volunteers were informed about the activity 2 days prior to the activity. All the volunteers gathered at Nerul station at 10:45 am and reported at Jewels of Navi Mumbai at 11:00 am.

Then the founder of Jayshree Foundation welcomed all the volunteers of NSS VSIT as well as volunteers of Jayshree foundation, he then explained about the importance of planting trees for betterment of future. Then he explained to the volunteers about the technique of plantation, followed by this, the volunteers were divided into groups, volunteers of both the organizations worked together for this good cause. Volunteers planted about 20 saplings the same way as instructed by the founder. Each volunteer experienced the process of plantation.

All volunteers along with the Jayshree Foundation made a pledge of protecting and taking care of the planted saplings until they are grown. Then by giving the vote of thanks and clicking group photograph, the activity came to an end. Volunteers learned about the process of plantation and took an oath to plant more and more trees to save our mother Earth. The activity successfully ended at 1:00pm.

Blood Donation Drives with Anvishka and Public Blood Banks

Date of activity	13 th June 2021 onwards
Venue	At various locations in Mumbai
No of Volunteers	11
No of Beneficiaries	2261

The objective of the event was to inspire people to participate in blood donation for a noble cause, contributing to the betterment of society while assisting blood banks. A day prior to the event, all volunteers were informed. Enthusiastic participants actively took part in blood donation drives at various locations, resulting in 2261 beneficiaries documented across 26 different drives. The NSS volunteers played a crucial role in supporting the medical team. They helped assess the physical and medical conditions of blood donors, which involved tasks like recording blood types, measuring blood pressure using monitors, and noting hemoglobin levels. Additionally, volunteers assisted medical professionals in collecting blood donations. This opportunity allowed volunteers to make an active impact on the community, increase awareness, and collaborate with medical experts in the essential process of collecting blood donations for blood banks.

BMC Polio Drive in Association with BMC

Date of activity	(2 Drives) 26/9/2021 & 26/2/2022
Venue	Antop Hill & Lalbaug
No of Volunteers	43
No of Beneficiaries	6807

The volunteers demonstrated a commendable commitment to public health by actively participating in the polio immunization drives. Their organized approach of forming groups, allocating specific booths, and engaging in door-to-door initiatives reflects a well-coordinated effort to ensure maximum outreach. Spreading awareness about the importance of administering Polio Drops to children is crucial for maintaining community health and preventing the spread of the disease. By informing residents about the ongoing Polio Campaign and guiding them to the nearest Polio Booth, the volunteers played a vital role in increasing vaccination rates and reducing the risk of polio transmission. The fact that the volunteers positively impacted 6807 children through their dedicated efforts across the three polio immunization drives at Antophill, and Lalbaug is indeed an impressive accomplishment. This accomplishment highlights their effectiveness in mobilizing communities and promoting a healthier future for the children in those areas. Overall, the volunteers' actions demonstrate the power of community engagement and proactive outreach in achieving public health goals. Their contributions are essential in ensuring the well-being of children and the broader population by preventing the spread of preventable diseases like polio.

Nirmalya Collection and Traffic Control by VSIT NSS During Ganapati Visarjan

Date of activity	11 th Sept 2021
Venue	Sion Talav, Mumbai
No of Volunteers	50
No of Beneficiaries	890

All Volunteers reported at 03:45 p.m. in the vicinity of Sion Talav. The activity started at 04:00 p.m. every day, it was divided into two parts, Nirmalya collection, and traffic control. Five volunteers were kept at the gate of the Talav from which four volunteers were to collect and dispose of the garlands which were worshiped to Ganapati Bappa's idol and then the fifth volunteer was kept to monitor, to allow only two members to enter the Talav of Visarjan. Two to three volunteers were kept inside the Talav to manage people and to make sure people left the place of Visarjan as soon as possible to prevent crowding to follow Covid-19 protocols. The rest of the volunteers were placed on the road outside of the Talav to control the traffic and pedestrians. Volunteers got to experience both activities periodically.

They were doing the work of speaking on the mike to make the announcements to motivate and appreciate volunteers for their great work. The activity was conducted every day from 09:30 p.m. onwards. On the last day of the activity, Senior officers of Mumbai Police thanked and appreciated all the volunteers for their great work. Volunteers learned about saving the environment by keeping it clean and got the experience of traffic handling and quality of public speaking.

Beach Cleanup Drive at Mahim by Beach Please India

Date of activity	4/12/2021
Venue	Mithi River, Mahim Causeway
No of Volunteers	27
Waste collected	3 trucks of waste were collected.

The VSIT NSS Unit, in collaboration with Beach Please India, organized a beach clean-up drive at the Mahim Mithi River. All the volunteers were informed a day prior about the activity. On December 4, 2021, the event was held concurrently along the shore near Mithi River, with Beach Please and enthusiastic volunteers pitching in to clean the river areas. Before the clean-up, all participants were given safety equipment, such as masks and gloves, and were briefed on the clean-up procedures.

Approximately 108 volunteers and beach please crew members took part, and approximately 3 trucks of plastic, non-biodegradable waste, and other domestic waste were collected from the beach. "We're trying to educate the surrounding community, as well as the younger generation, about the importance of keeping the environment clean," said a Beach please crew member. They also mentioned that "recycling more reduces the amount of waste we send to landfills." When waste rots in a landfill, it leaches toxins into the groundwater and soil and emits greenhouse gases like methane as it decomposes, contributing to global warming and harming our environment.

They also stated that sanitary napkins, diapers, and other disposable items take more than 500 years to decompose. The collected waste was given to the Brihanmumbai Municipal Corporation staff (BMC). The Beach Please India crew concluded the drive by thanking all volunteers for their efforts in cleaning up the

environment. Volunteers gained awareness about the importance of cleanliness and thus making our environment clean and this is going to make our future, pollution free.

Day 1:

On First day inauguration, Ms. Soniya Poojary has delivered a lecture on the topic of presentation of ppt she explained how to make a perfect presentation and how to make it attractive. Students learnt how to make a good ppt.

Day 2:

On Second day, Mr. Asif Rampurawala vice Principal had delivered the lecture on the topic of usage of 'Creative Common'.

Day 3:

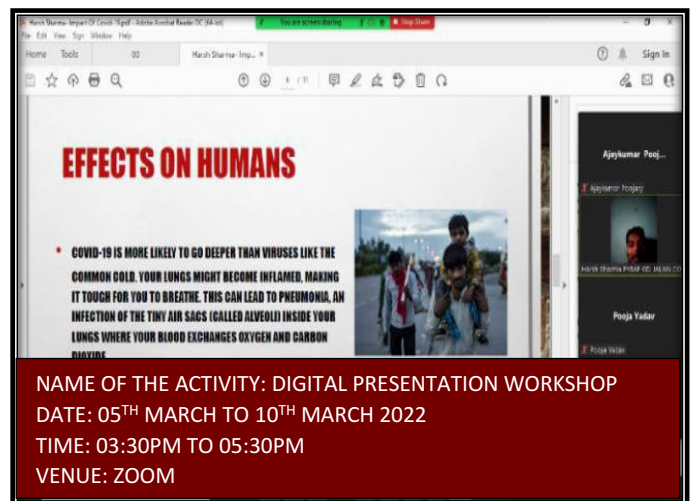

ON Third day, Mr. Laxmikanth Manchekar had delivered the lecture on animation and video creation students showed a great interest in this topic. In this lecture they were taught how to make an animation video step by step. Here they recommend using FilmoraPro if they want to make animated videos.

Day 4:

On Fourth day, Mr. Ajay Poojary had delivered the lecture on reel creation and video editing in this session student had great interaction with Ajay sir. In this lecture they taught how Reels can give a perfect opportunity to extend your reach, boost engagement, and build the community. However, creating Instagram Reels does take some time, skill, and effort. They were taught step by step to create a perfect reel.

Day 5:

On the last day of the webinar there was an interaction with students and they were given the assignment on the basis of the topics taught to them during the workshop, students performed well they had made great presentations and videos.

V-E-SHAALA (SECOND INNING WITH ADORE INDIA)

Date of activity	17/03/2022
Venue	ZOOM MEETING

Lifelong learning and extension unit of VSIT conducted a meeting for Second inning with adore India for the students of VSIT. There were 20 participants including Dinesh sir (the founder of adore India) and prof. Sandeep Khandekar sir (the field coordinator of DLLE).

There we announced that in second inning 20 students of VSIT will register for this internship. It is non-paid internship. In adore we teach students in zoom. Students are from different-different cities. Volunteer of adore are located in over 40 cities. Adore India is a volunteer platform to motivate youth to identify and undertake positive activities for a better society.

Adore India aim to inspire the young generation to dedicate their time and channelize their ideas into some positive and production action that improves our knowledge, polishes their skills, and enriches their thought processes. The meeting went smoothly and everyone got motivated.

Paper Bag Making

Date of activity	31 st March 2022 to 22 nd April 2022
Venue	VSIT Campus
No of Volunteers	20 per day
No of Beneficiaries	6473 (Made + Distributed)

The NSS Unit conducted a paper bag making and distribution activity from the 31st of March 2022 to 22nd of April 2022 under the guidance of the NSS Programme Officer Mr. Vijay Gawde. The objective was to reduce the use of plastic bags and motivate vendors to use eco-friendly paper bags by providing them with the Paper bags made by NSS volunteers of VSIT. The activity was performed every day in two batches from 12:30 pm to 4:30 pm. 6473 paper bags were made and distributed among the shopkeepers. Each day an average of 20 volunteers participated in the activity. The paper bags were distributed to the local stores & vendors. Before distributing the bags, a few volunteers did the survey awareness in the shops in the vicinity areas. Paper bags were distributed free of cost. Volunteers spread awareness among the vendors to reduce the use of plastic bags and motivate vendors to use eco-friendly paper bags. While distributing these bags all the NSS volunteers created the awareness of the need to use kind of Eco-friendly paper or cloth bags rather than polythene bags.

Mangroves Cleaning at Airoli

Date of activity	05/12/2021, 26/12/2021 & 03/04/2022
Venue	Mangroves Forest at Arioli
No of Volunteers	45
Amount of garbage collected	32 KG

The NSS unit in collaboration with Beach please India organized a mangrove clean-up drive on 05/12/2021, 26/12/2021 & 03/04/2022 at Arioli Mangroves Forest to clean the mangrove forest and conserve it. All volunteers were informed a day prior about the activity. It was organized to address the issue of garbage in the coastal area.

All participants were provided safety equipment- masks and gloves, sacks and briefed about the clean-up guidelines, prior to the clean-up. The founder of Beach please India Malhar Kalam addressed the volunteers with the fact about the mangrove ecosystem and its role in controlling climate change. They trap more carbon dioxide than any other tree on this planet. Destruction of the mangrove ecosystem accelerates climate change & releases more carbon dioxide. A total number of 32 Kg of waste was collected. It was then segregated into categories like packaging material, plastic bottles, fabric, glass, metal and so forth, as per the Beach Please guidelines.

The segregated waste was handed over to the staff of Navi Mumbai Municipal Corporation (NMMC). And the drive was concluded by Mr.Malhar Kalam by thanking all the volunteers for taking a huge step forward in cleaning the environment. Volunteers got awareness about the importance of mangroves, giving a conclusion that cleaning and making our environment clean is going to make our future pollution free.

Bunds making in Farms at Adopted Village Palsunde

Date of activity	25th March 2022 and 26th March 2022
Venue	A.P. Palsunde , Tehsil Mokhada ,District Palghar , Maharashtra
No of Volunteers	50

On 25th March 2022 and 26 th March 2022 Bunds making was done by the volunteers of the NSS unit of VSIT. Bunds is a traditional system found in Maharashtra; their presence raises the water level of the rivers so that it begins to flow into channels. They are also used to impound water and form a large reservoir.

The Bunds making on the elevated sloppy mountain was started on 25th March 2022. Before making Bands the place was properly cleaned by volunteers, and stones were collected. The volunteers went for the fieldwork of Bunds making at 08:00 am and worked till 5.00 pm. Volunteers created a block with stones so that the water flow could get lower during the rainy season and would enter the farms with low force and stop the flowing soil. The task was completed by volunteers in two days.

Repairing of Raw Road (Sadak)& Creating a pathway to Farm at Adopted Village Palsunde

Date of activity	20th March 2022 to 26 th March 2022
Venue	A.P. Palsunde , Tehsil Mokhada ,District Palghar , Maharashtra
No of Volunteers	50
Estimated Cost of Raw Road & Pathway	10000
No of Beneficiaries	500

A visit was organized by the NSS unit of VSIT at Palsunde village in the month of March 2022. The lack of proper village roads affects the local community by hindering access to essential services such as healthcare, education, and markets. It also affects the ability to transport goods and products, leading to a decline in economic development.

On 20th March 2022, the volunteers conducted a repairing of raw Road (Sadak) as well as created a pathway for farmers. The fieldwork was started at 10:30 am on 20th March 2022 and completed on 26th March 2022. The volunteers built a kaccha road with a total pathway of 176 elevated stones on an approximately 330-meter-long road was built. The village inmates benefitted from this as during the monsoons the farmers were able to commute to their farms as the road would become sluggish.
