Policy documents for Scholarship from different Foundation Education Support Program

1)

Indiabulls Group is a diversified Indian conglomerate with businesses spread over in Financial Services, Real Estate and Securities. The Group vision of inclusive growth has been a driving force to set up Indiabulls Foundation in January, 2010.

Education Support

Indiabulls Foundation Education Support Program aims to encourage and promote quality higher education among meritorious students from economically challenged families to nurture their careers. Indiabulls Foundation understands that a large number of deserving students who have an urge to pursue their higher education are unable to do so owing to mainly financial constraints.

In view of this, Indiabulls Foundation offers Education Support to deserving students to pursue their education after 12th standard and launch a sustainable career in the field of Engineering, Medicine, Law, IT, ITI, Management or any other stream of the student's choice. Indiabulls Foundation has awarded more than 3,500 Education Support to deserving students Pan India.

The Jamsetjee Nusserwanjee Tata Endowment for The Higher Education of Indians (Established in 1892)

More than 5,600 Indian students have been awarded the JN Tata Endowment's loan scholarship since 1892, when it was established by Jamsetjee Nusserwanjee, the promoter of the Tata group. The Endowment supports only overseas studies – Masters, Ph.D. and Postdoctoral fellowships, in any educational stream. Based only on merit, it seeks to reward "the best and most gifted so as to make them of the greatest service to the country". The loan, a maximum of Rs10 lakh, is repayable within seven years and is collected in five equal instalments from the end of the third year. Many of the JN Tata scholars are not only carrying out path-breaking research and teaching at reputed institutions, but are also leading national and international banking, commercial and financial institutions, multinational corporations; providing quality health care and legal services; and entering sunrise industries such as IT,

POLICY DOUMENT OF SCHOLARSHIP FOR PROVIDING FREE BOOKLETS

The institutional policy for scholarship for providing free booklets to students is a proactive approach that supports students' academic success and reduces financial barriers to education.

Objective:

The primary objective of this policy is to enhance students' access to essential educational resources and alleviate financial burdens by providing free books to eligible students.

Eligibility Criteria:

To be eligible for the free book distribution program, students must meet the following criteria:

    i.   Full-time enrolment in an accredited academic program.
   ii.   Good academic standing, maintaining a minimum GPA as specified by the institution.

Book Selection:

The free book distribution program will focus on providing course content (E-Copy/ printed) authored by VSIT faculty members and other essential course materials required for enrolled courses.

Distribution Process:

Students meeting the eligibility criteria will be informed of the free book distribution program at the beginning of each academic term. The institution will establish a designated book distribution day and distributed to eligible students. Students can access digital content through institutional learning management system (V-refer/MS Team)

Funding:

The funding for the scholarship for providing free booklets shall come parent trust.

Monitoring and Evaluation:

The institution will conduct regular evaluations of the program's effectiveness, including assessing the impact on students' academic performance and financial well-being. Feedback from students and faculty will be taken into account for continuous improvement.

Sustainability:

To ensure the long-term sustainability of the free book distribution program, the institution will explore funding opportunities, seek partnerships, and allocate adequate resources for the program's continuity.

Revision and Updates:

The policy will be subject to periodic review and may be updated to align with changing institutional needs, student requirements, and available resources.
