Training session on IELTS exam preparation

Date of activity	20/9/2021
Venue	MS Teams
Resource Person	Ms. Shweta Apte

Career Guidance Committee organised the training session on IELTS/TOFEL exam preparation. Ms. Shweta Apte, from Perl Centre conducted the session. The resource person started the session with basic concepts of IELTS. She has guided the students on how to improve their grammar and vocabulary through videos and quizzes available on the IELTS portal. Students can test themselves in particular sections and train for those respective sections individually. These sections include the Reading, Writing and Listening section. Students can take a full Mock test on how an IELTS exam (barring the Speaking test) will be conducted and can then review their results. Total 78 students attended the session.

Session on Competitive Examinations – Quantitative Aptitude

Quantitative aptitude is an inseparable and an integral part of aptitude exams in India. It tests quantitative skills along with logical and analytical skills. One can test their own handling techniques and problem-solving skills by solving these questions

Date of Commencement – 17th September 2021

Date of Completion-25th October 2021

Total Registered Students -35

Total Completed/Certified Students -21

Detailed report:

A session was organized and conducted by Electronics and Mathematics Cluster of VSIT in association with Career Counselling Committee on the topic "Competitive Examinations – Quantitative Aptitude". It was conducted by the VSIT Faculty Ms. Geeta Sahu and Mr. Sabir Shaikh as a trainer. The course started from 17th Sept 2021 and completed on 25th Oct 2021. The training was conducted online via Ms. Teams. This course was open to all outside students as well and we have received overwhelming response from outside college students. Total 35 students registered and participated.

A competitive examination is an examination where candidates are ranked according to their grades. If the examination is open for *n* positions, then the first *n* candidates in ranks pass, the others are rejected. These are used as some entrance examinations for reputed university and college admissions such as M.BA and M.C.A etc. Another type is union public civil service (U.P.S.C) examinations, bank probationary officer (P.O) examinations, railway recruitment board (R.R.B) examinations etc. required for positions in the public sector, the U.S. Foreign Service Exam, and the United Nations Competitive Examination. Competitive examinations are considered a democratic way of choosing worthy applicants without risking influence peddling, bias, or other concerns.

Keeping these things in mind various topics were taught to the students like: Problems based on Ages, Number systems, shortcut tricks for multiplication of 2-3digit numbers, Calendar Problems, Problems on Average calculation, Data Interpretation problems –Tabulations, Bar Graphs, Pie- Chart, Probability Problems, Ration and Proportion, Area and Volume Calculation, Problems on Percentage Calculation, Time and Work Calculation, Simplifications and many more. Five assignments solving for all the modules was also done.

Q5. $1 \div [1+1 \div [1+1 \div 1(1+1 \div 2)]] +1$ [Bank P.O 2010]

Solution :

$1 \div [1+1 \div [1+1 \div 1(1+\frac{1}{2})]] +1$

$1 \div [1+1 \div [1+1 \div \frac{3}{2}]] +1$

$1 \div [1+1 \div [1+1 * \frac{2}{3}]] +1$

$1 \div [1+1 \div [1+\frac{2}{3}]] +1$

$1 \div [1+1 \div [\frac{5}{3}]] +1$

$1 \div [1+1 * [\frac{3}{5}]] +1$

$1 \div [1+\frac{3}{5}] +1$

$1 \div \frac{8}{5} +1$

$1 * \frac{5}{8} +1$

$\frac{5}{8} +1$

$\frac{13}{8}$

Question 3: A, B and C's age are such that A is youngest and C is eldest. Also the difference between A and B's age is same as the difference between B and C's age. The sum of A and C's age is 108. Find B's age

Solution:

A's age < B's age < C's age

Difference in A's and B's age = Difference in B's and C's age

This means that B's age is at the middle of A's and C's ages.

B's Age=(Sum of A's and C's ages)/2 = 108/2=54 years
Question 2: Referring to his two sons Ram and Shyam, their f[...] years ago, Ram was 3 times as old as Shyam. 12 years later, ra[...] Shyam and Ram will be 2:3. What is the present age of Ram?

Solution:

Let us consider Shyam's present age as K years

12 years ago, Shyam's age = K-12 years

So Ram's age is 3 times Shyam's = 3(K-12) = (3K-36) years → [...] was 12 years ago

Hence, Ram's present age = (3K- 36) + 12 years = (3K-24) yea[...]

12 years later from present day,

Shyam's age = K+12 years

Ram's age = (3K-24) + 12 = (3K-12) years

Seminar on "International Education Program in US and Canada for BMS, BMM and BSc IT students" is organized by Career Counselling Committee on 15th, 16th, 17th and 18th November, 2021. The session is to provide the details of foreign study program under Vidyalankar Institute of International Education (VIIE).

Speaker: Mr. Rahul Devdhar (Program Coordinator, VIIE)
Platform: MSTeams
Total Students Participated:
Details of the Seminar conduction is mentioned below: -

During the seminar Rahul Devdhar explained that Vidyalankar Institute for International Education (VIIE) is a branch of VSIT that provides opportunities for students to study abroad with proper guidance throughout the course. The partner universities are from countries like USA, Canada, Australia and New Zealand. The Bachelors program is of 2+2/1.5+2-year scheme whereas the Master's program is of 1+1year scheme. VIIE was established in 2002 with a till date success rate of 100% in student visa as well as the placements and 500+ students who passed out with flying colours. During the BMS student's session, he highlighted the programmes available to students through VSIT/VIIE for pursuing offline studies in abroad in various fields such as Finance, Marketing etc. He also gave light on the overall fee structure and scholarships. During the BA MMC session, students were informed about VIIE program offered by VSIT to aspirants who are interested to broaden their horizon in regard to studying abroad and acquiring a degree from top renowned colleges abroad. The session was specifically designed for the FYBAMMC students keeping all the latest trends and requirements in the field of Mass Media and Communication.

Current Trends and Job Opportunities in IT

Date of activity	5th February 2022
Platform	MS Teams

The Alumni Committee of Vidyalankar School of Information Technology had organized a "Technical Seminar" on Current Trends and Job opportunities in IT for VSIT students There was overwhelming response for the seminar. Faculty members and students from VSIT joined the session.

Date: 5th February, 2022
Time: 11:00 AM – 12:00 Noon
Platform: Microsoft Teams

Asst. Prof. Janhavi Vadke gave introduction of resource persons Mr. Prasad Deshmukh (Senior SAP Consultant at Bristlecone India) and Mrs. Supriya Mohite (Spatial Data Specialist II at Here Solutions IND PVT limited)

Mrs. Supriya Mohite started the session with introduction of different trends. She has explained about long term goals i.e long term labor market trends ,rather than currently 'hot jobs'. She has also focused on Demanding fields and New Opportunities. She has also demonstrated her project on Atlas.

Mr. Prasad Deshmukh started the session with basic concepts of SAP. He has explained about Technical profiles like ABAP, BASIS, Database Administrator and Nontechnical profiles like FICO, MIM, CRM. He has also explained about Certification, training program and Internship of SAP.

At the end there was Question Answer round where all the queries of students were answered by the speakers. Session was ended by vote of thanks given by Asst. Prof. Leena Jadhav. It was really an interactive session and over-all 128 students were benefitted.
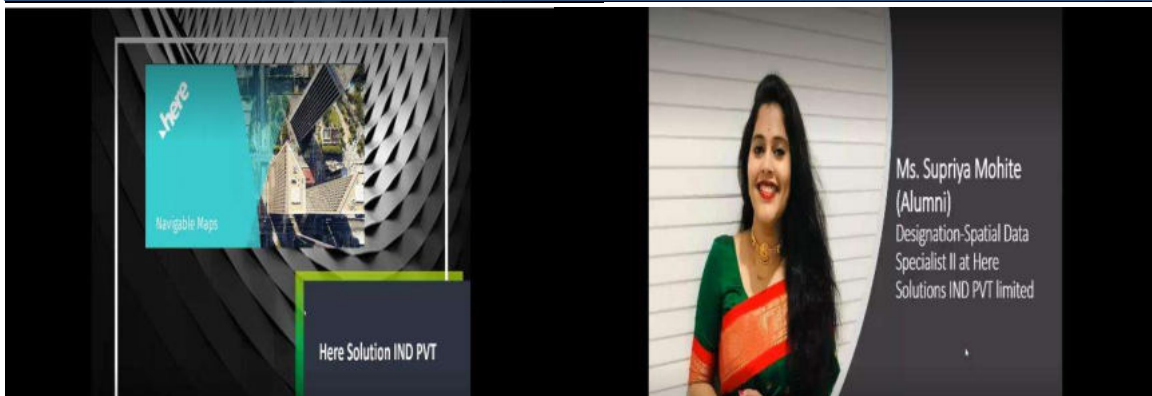

Some glimpses of the session are as follows:

Date:	24th March 2021
Venue:	MS Teams
Time:	4.30 pm – 6.30 pm
Guest Speaker:	Mr. Jeemit Doshi

It has been a great experience attending the webinar on "Career Options in Non IT Companies" which has been one of its kind webinar for participants across different neighbouring college and students of VSIT themselves.

Just like icebreaker, Mr. Jeemit Doshi, walked in on virtual platform to deliver a webinar on "Career Options in Non-IT Companies"; by his words we are very sure he brought about new findings, knowledge and a new edge for the participants of the event held on 24th March, 2021 on Microsoft Teams under the guidance of Career Counselling committee in collaboration with CSI-VSIT Committee of Vidyalankar School of Information Technology.

Mr. Jeemit Doshi is a VSIT alumni and acting Relations Manager at HDFC Bank Pvt. Ltd. and GIS at HERE Maps. Jeemit Sir is very well versed in communication and negotiation skills; with this a financial advisor and best in team management. He started the webinar with providing us with the disclaimer as to what we can learn about from his insights and experiences. Such as (i) Principles which define careers (ii) Opportunities and necessary skills one need to acquire to master into fields like (a) Sales and Marketing, (b) Operations & Logistics, (c) Finance & Accounting, (d) Banking and Insurance [field which is Mr. Doshi's forte], (e) Education sector, (f)Media & Entertainment industry and (g) Retail Management, (h) Travel and Hospitality sectors and (i) Human Resource Management. (iii)Followed by QNA session before concluding

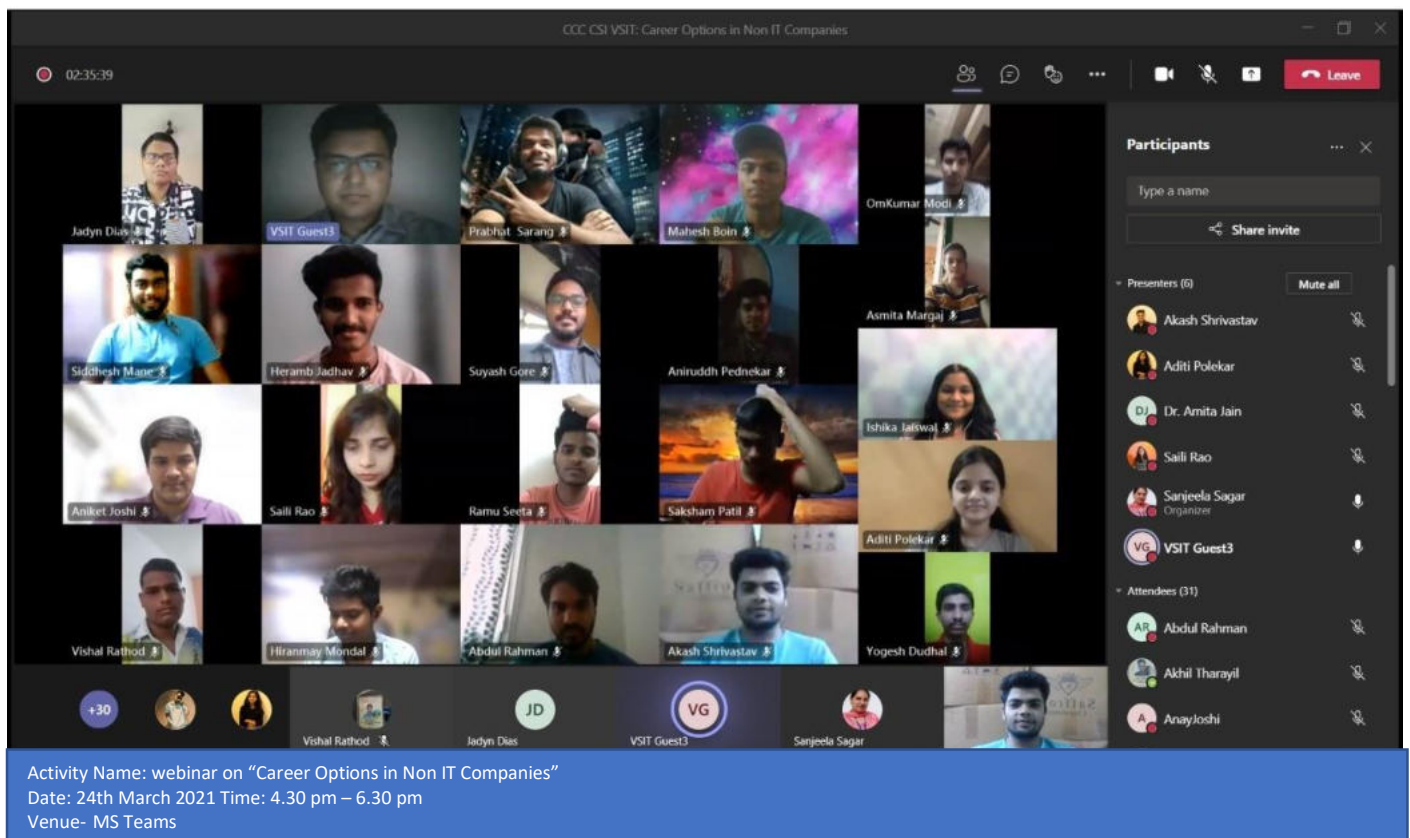

Activity Name: webinar on "Career Options in Non IT Companies"
Date: 24th March 2021 Time: 4.30 pm – 6.30 pm
Venue- MS Teams

Mr. Jeemit Doshi previously hailed from Information Technology background. As year went by Mr. Doshi found himself loving the field of Banking and Insurance. He started the session with questions aimed at audience to understand what drives their passion into Non-IT career options. Discussed certain pointers which field experts don't share. He also suggested his personal picks on some online website to help students find plethora of information regarding courses, internships, personalized coaching, etc. like; https://aiesec.org/ , https://kraftshala.com/ , https://www.dalecarnegie.com/en

Aim of the webinar for "Career Options in Non-IT Companies" was to cultivate a habit to interact with experts from field and gain as much knowledge as possible so that Bachelor's students can remove that mental block & discover range of different options based on their choices. To conclude Mr. Jeemit Doshi was remarkable, generous individual with spirited personality to give us straight dive into another realm of possibilities leaving students in a limbo with a yearning for similar session in future. It was a fantastic and a very informative session by Mr. Jeemit Doshi Sir with 62 participants. He also answered most of the students doubts and questions about their career. Mr. Doshi concluded with his speech in webinar by saying that "Never be shy to invest into yourself, the more you pour into your passions the better off you will be"

Some glimpse of moments capture by career counselling committee:
